Notes –

- 1) From 1983 to 1993, the Championship was decided by a 55 over limited-over match.
- 2) From 1994, the final was decided by a two-innings two day match with restrictions on the first innings
- 3) From 1999, the final has been decided in a three day two-innings match with an outright victory required to secure the Championship
- 4) Four Clubs who have competed originally in the Minor Counties Championship eventually gained First Class status; Durham (1992), Glamorgan (1921), Northamptonshire (1905) & Worcestershire (1899)
- 5) Until 1959, when the Second Eleven Championship was founded, most First Class Counties second elevens competed. They all gradually withdrew from the Minor Counties Championship with Somerset second eleven being the last to do so in 1987.
