BEDFORD GRAMMAR SCHOOL v. DULWICH COLLEGE.—The annual contest between the two Schools took place on Saturday last at the School Field in beautiful weather. The Dulwich Captain (C. Wells), having won the toss, naturally elected to bat first on a hard fast wicket. Dulwich started most disastrously as Wells was out l.b.w. to Sewell's first delivery. Douglas was clean bowled at 2 by Sewell. Gillingham and Browne, who were now in together, played good steady cricket until Edwards dismissed the former at 18, the outgoing batsman having scored 12 in about 35 minutes. Some more slow cricket was witnessed until Miller was smartly caught by Duhan off Sewell. Seven runs later, Howard was cleverly caught in the slips off Reynolds by Sewell, five wickets down for 39. At 42, Browne, who had been playing steady cricket for three-quarters of an hour, was bowled by a beauty from Reynolds. Shand and Jordan enlivened matters a little at this juncture, and added 20 runs in about half the number of minutes. Jordan left at 64, and Shand at 69, Sewell securing both wickets. On J. R. Gillingham and Pearce becoming associated, a good stand was made, the score being brought from 69 to 98. At this total Pearce was well caught by Duhan off Sewell for a useful 11. Edwards was also dismissed at the same total, and the Dulwich innings closed for 98. Edwards and Harris started well for the School, 27 being registered at the fall of the first wicket. On Kendall coming in runs came quickly, and 47 was up when the same batsman was bowled by Howard. Sewell and Harris brought the score to 96, when Sewell was dismissed for a very useful 28. Harris was out next at the same total for an invaluable 46, including one 4, nine 3's, two 2's, and singles. Reynolds, Winkfield, and Streetfield were out at 103. The score was eventually carried to 152, Duhan contributing 18, Maclellan 11, and Merritt 12. This is the second time running that Bedford have beaten Dulwich. The home team won by 54 runs. For Bedford, Sewell took seven wickets for 29 runs; and for the visitors, Shand took four for 27. *Scores*:—

Runs came fast at first, but afterwards slowly. Fishwick, Torrey, and Cheate played very well for their respective totals. Wellsborough were three hours getting 184 for nine wickets; they then declared their innings closed. The Modern School had 1 hour 20 minutes left for batting, during which time they scored 130 for five wickets. Justice and Mounsey played two very good not out innings of 46 and 44, respectively. The fielding of both Schools was very good. *Scores*:—

The visitors were very late in turning up and the match was scarcely begun before luncheon. R. C. Williams for the home team batted splendidly for 30. Shepherd played well for 17, and W. Brown scored 18 not out; for the visitors Hookley 22 and Dearberg not out 19 played well.

MODERN SCHOOLS.—PAST v. PRESENT.—This 12 n side match was played on the School Ground on Saturday and Monday, the weather on both days being, with the exception of a few showers on the latter day, very fine. The Present, who were beaten on the first innings by 11 runs, won easily having 75 runs to spare. In the school's first innings, the principal contributors were Manie, H. Potter, and Monsey, who scored 23, 21, and 19 respectively. Jones scored 8 wickets for 35 runs, and Buchan 2 for 17. The Past on going in to bat lost 10 wickets for 96 runs, but the last did not fall until the total had reached 122. Williams played a good innings for 40, and Anderson also for 25. The Present were thus 11 runs short on the first innings but thanks to the good play of F. Potter, Manie, and Justice, they soon made up for this deficiency. The Old boys in their second venture could only total 78, of which J. C. Anderson scored 33. In the second innings F. W. Potter took 7 wickets for 14 runs, of which three were in one over. Scores:—

OLD MODERNIANS v. BEDFORD.

This two days' match was commenced on the Modern School Ground on Monday. In their first innings the Town Club only made 8, the highest score being that of D. Piper with 12, and this with a team in which five of the men play for the county. The old Modern boys, who were however assisted by the best bowlers of the present School Eleven, scored 142. In their second innings, the Town Club did much better, Malden and A. Piper contributing very useful forties. The Porters and Ooleo also played up well, and the innings closed for 181. The O.B.'s went to the wickets again with 70 to get to win. J. O. Anderson scored very freely, and assisted by Lorraine and Williams, knocked off the runs required, with the loss of two wickets. F. W. Potter bowled with remarkable success in the first innings, taking seven wickets for five runs in ten overs; Gastrell took three for 20. In the second, Potter took five for 61, Mounsey three for 41, and Haydock one for 17. For Bedford, W. F. Brown secured five wickets for 43 runs, Ooleo four for 46, and J. R. Porter one for 31. OLD MODERNIANS v. GENTLEMEN OF BEDFORD.

This two days' match was played on the Modern School Ground on Friday and Saturday, and had to be left drawn. The team could hardly be said to be representative of Bedford, but they gave a very good account of themselves, scoring 190 in their first innings. D. Piper played in splendid style for 62, his play on the off-side being especially good, and Reynolds, a Grammar School boy, also played well for 39. The Old Modernians came very near their total with 183. The Gentlemen in their second innings declared when 160 had been scored for eight wickets (P. Bell 62, D. Piper 30, and E. Rumboll not out 24). With only 80 minutes left for play there was little hope of anything but a draw, and that was how the game ended, the O.M.'s having scored 81 for seven wickets when stumps were drawn. Scores:—

AN OLD BEDFORD CRICKETER.

Writing of Mr. John Hughes, a well-known cricketer, formerly of Bedford, a contemporary says:—"Although Hertfordshire does not rank very high in the county list, it has produced some sterling cricketers, men who in their prime have been equal to the standard of any county, and among these not the least worthy was the veteran John Hughes. Mr. Hughes is perhaps the oldest county cricketer in Hertford, and he has now severed his connection with the club for some years, June 12th and 13th, 1882, being the last occasion on which he represented his County against an eleven from the neighbouring county of Essex. Mr. Hughes is now getting on in years, and when he says he began to play cricket at the age of 16, he has nearly half a century's practical experience of the game to look back upon, and the recollections of the players of that long period with which to delight his auditors, for he is an authority upon the cricket of that time, and not infrequently indulges in the most interesting reminiscences. He was born at Hertford and it is in the county town that Mr. Hughes is spending his retirement. The first match of importance in which he played was Hertford v. Ware. In those days T. Webster was a great bat, while Catlin was a man of local reputation. He apparently gave great satisfaction in his trial match, and continued to play for the town throughout the season. In the next year the youthful Hughes was called to Bedford in the course of his business as a tobacco-pipe maker. This circumstance was really the cause of his development in cricket. Lord Charles Russell had just succeeded in getting the head quarters of the Bedford County Club moved from Newpot Pagnell to Bedford, and Hughes began to practise with the club. The bowler of the County Club rejoiced in the named of Hewitt, and he being a man of observation did not fail to discern signs of considerable promise in the under-hand bowler who passed his leisure time at the County practice ground. At the suggestion of Mr. Hewitt, Hughes learnt to bowl round-arm, and when he had attained some degree of proficiency in the art he was tried in a match against Biggleswade. The remaining two seasons spent at Bedford often saw him bowling for Bedford County. Returning to

Hertford, Balle Park C.C. chose Hughes to bowl for them against Epping. Meeting with some success in this match, he received a good many engagements, and then the Hon. Robert Grimston who used to get up county elevens to play various teams on No Man's Land, determined to give the young man a trial in a match against the "Old Haileyburians." So well did Hughes get on that Haileybury College engaged him for two afternoons a week, the only available time he had. Continuing to play for Hertford, Bishop Stortford, Epping, and the surrounding towns, the fast bowler of the eastern side on more than one occasion met St. Albans in the field, and the latter club began to play him. He took part in several big matches on their behalf, his highest score being 103 not out against Welwyn; the occasion was celebrated by the presentation of a bat to Mr. Hughes. Continuing to play for the border towns of Herts and Essex, Hughes also found himself much sought after for better matches now that he had fairly established his reputation as a reliable bowler. He played for the South of England against M.C.C., and when St. Albans played the South of England he wielded the ball for the city, and with his break-back bowling managed to perform the hat trick on Jupp, Humphrey, and Pooley. In the same match he bowled 22 consecutive overs. On several occasions he received engagements to play in All England matches, and when playing against the North of England at Litchfield he was opposed to the redoubtable George Parr. Staffordshire also played Hughes at one time. When Mr. Fred Cæsar organised his short-lived "New All England" team, Hughes had a place therein as a bowler. While in the capacity of bowler to his team, he honoured Edinburgh with his presence, and exhibited his skill in several north country towns, while at the opposite end of the country, Hastings, Southsea, and one or two south-coast towns were afforded opportunities of witnessing his play. Of course Mr. Hughes' batting could not be so excellent as his bowling, and the continual strain of the latter exercise told on him when he wielded the willow, but he played good sound cricket on his last appearance, when he scored 32 against a team composed of W. G. Grace and several "stars" for the benefit of Frank Silcock, at Wiltam. When the Herts County Club was started it was natural such a champion should be engaged, and he bowled in the first match which the county ever played, and through several years the bowling for the shire was entrusted to him and Titchmarsh, with, generally speaking, very good results. For some seasons from the institution of the County Club, a bonus of £5 was offered to the county professionals for the best averages, and Mr. Hughes was often enriched to that extent owing to the havoc he wrought with his opponent's wickets. His bowling average was nearly always the best in the county, and it is worthy to note that in almost every county match he was first put on to bowl. Upon his ceasing to handle the leathier in 1882 it was with feelings of general regret that the county executive received his resignation. Not only had he always done his best for his side, but by his disposition and demeanour, he made himself greatly respected and liked.—In Sept. 1865, Mr. Hughes was presented by many of his friends and admirers with a silver watch, gold chain, and a purse containing 63 sovereigns; and in June, 1880, on his retirement from the Herts. County team a match was played for his benefit at Bishop Stortford between an Eleven of England and fourteen of Herts, and resulted in a handsome sum being presented to him.

HERTFORDSHIRE v. DEVONSHIRE.

This match was begun on Wednesday in Balls Park, Hertford. The home county had five batsmen out for 47. Titchmarsh was splendidly caught by Toller. The Rev. H. E. Thursby and Hearn then made a good stand. On Devonshire batting the Rev. J. H. Copplestone, the Rev. R. Luxton and Mr. Hussey played well. On Thursday Devonshire increased the score to 102. Rev. R. Luxton, carrying his bat out for 34. The home county was less successful in their second innings than the first. The visitors had 210 to get a win, and succeeded in scoring that number for the loss of seven wickets.

THE "CRIPPLES" v. MR. L. DE ROTHSCHILD'S XI.

This match, played at Ascott on Wednesday, attracted much attention, and was watched with keen interest. The "Cripples" averaged 5ft. 11in. each, and were some of the finest amateur players to be met with in the kingdom. Mr. Wall was captain of the home team, which included Murdock and Pope, the distinguished Australians, who, on winning the toss were first of all sent to the wickets. Unfortunately, playing a ball to his wicket, Murdock only scored two, whilst Pope was caught out before he had had a chance of scoring anything. Maulden and Platt played a good game, but the innings closed for 55; and "The Cripples," singularly enough, shared precisely the same fate. In the second innings, however, both sides gave a good account of themselves, as will be seen by the score:—

MR. L. DE ROTHSCHILD'S XI. v. LONDON AND NORTH WESTERN XI.

On Saturday a game was played by the Ascott home team against an eleven from the audit office of the London and North-Western Railway Station, Euston Road, London. The home team came off victorious, scoring a total of 236, with only a loss of three wickets, the visitors only making 78. Pope scored 100, and was playing finely when time was called and the stumps drawn. The

visitors on this, as on all the previous occasions, were most hospitably entertained by the generous owner of Ascott.

BEDFORD v. ACTON.

This match was played on Wednesday on the Goldington-road Ground, and resulted in a win for Bedford. The visitors went in first, but W. F. Brown and Pope proved very effective with the ball, five wickets falling to each for 40 and 24 runs respectively. The only one to make any stand was H. Webb, who played a fine innings of 55 towards a total of 80, and carried out his bat. Bedford then went in, and compiled 86 for the loss of six wickets, A. D. Piper batting well for his total of 35 not out. Scores:—

BEDS. AND BUCKS. CHALLENGE CUP.

CHESHAM v. BLETCHLEY.—Played at Chesham on Monday last to try conclusions with the cup-holders as to who should enter for the third round. An interesting game was anticipated, nor were visitors disappointed. If the match had been played out (as all cup ties ought to be) the finish must have produced much excitement. As it was, the home team suffered defeat upon the first innings by 33 runs. Owing to the late arrival of the Bletchley team, hostilities did not commence for fully an hour after the advertised time, and it is just on the cards that the delay won the match for them. For the winners T. Trodd played a fine innings of 34, and W. Parmeter also hit hard for his 27. In their second venture O. Daynes was the only one to get into double figures with 18, and nine wickets were down for 48. For Chesham's total of 80, H. Webb and B. J. Ragless were chief scorers with 15 and 16 respectively.

LEIGHTON v. WOLVERTON.—During the afternoon of Leighton Buzzard Flower Show on Thursday week, this match (arranged, as in several other years, by Mr G. L. B. Calcott) was commenced, being one of the rounds in the Challenge Cup competition; but owing to the heavy rain this had to remain unfinished. Each team had, however, completed an innings—Wolverton, who went in first, having scored 156, and Leighton 94. The match was, therefore, decided in favour of the visitors on the first innings.

NEWPORT PAGNELL v. WOBURN.—On Saturday the return match between these clubs was played in Bury Field, Newport, and ended in a victory for the home club by 66 runs. Newport won the toss, and had made 138 runs for the loss of six wickets when the innings was declared closed, H. E. Bull (33), G. A. Powell (28 not out), W. Stapleton (20), B. Garratt (17), and M. Lochner (10) being the highest scorers. W. Froeman took one wicket for eight runs, Richardson three for 60, and Walters one for 40. On Woburn going in they made 72 runs, E. Richardson (20), A. P. Walters (12), and W. Turner (11 not out), getting into double figures. H. E. Bull took one wicket for two runs, F. T. W. Litchfield four for 17, D. White three for 16, and B. Garratt two for 23.

BEDFORD LIBERAL CLUB v. Y.M.C.A.—This return match was played in the Park on Wednesday afternoon, and resulted in an easy win for the Liberal Club. Winning the toss the Y.M.C.A. batted first, but were all got out for 30 runs, F. Reeve and J. Taylor bowling splendidly. Reeve, in his first seven balls, secured three wickets for one run, and at the end of the innings had the splendid analysis of six wickets for fifteen runs, Taylor being credited with five wickets for only nine runs. The latter bowled seven overs, and the last two were maidens with three wickets. Hallett was the only batsman to get into double figures, and he scored his ten in three hits. The Liberal Club scored just over a hundred runs, thus winning on the first innings by 71. T. Whitman and S. Lane batted in capital style, and J. Tucker also did well. Going in a second time the Y.M.C.A. scored 63 for eight wickets. Scores:—

THREE COUNTIES ASYLUM 2ND v. ARTISANS.—An interesting match was played on the Asylum Ground on Saturday last between these teams, in each of which several of the inmates acquitted themselves with credit. For the Asylum, who won by 81 runs, J. Rainbow played a capital innings of 47, and George Roberts (38) and Jason Jones (43 not out), two of the inmates, played vigorously for their runs; F. Roberts also bowled with great success. For the losers J. Smith played a good innings of 52, and G. Robinson bowled in good form, but was badly supported in the field. A large number of the inmates were on the ground, and appeared thoroughly delighted with the game. Scores:—Asylum 2nd XI: J. Rainbow, c G. Robinson, b Denman, 47; F. Roberts, b G. Robinson, 6; W. MR W. F. BROWN'S XI. v. ROGERS' XI.

This match between teams selected by Mr W. F. Brown, Captain of the Bedford Town Club, and R. Rogers, the popular Modern School ground man, was played on Saturday as a benefit for Shepherd, the Town Club pro. The weather was fine, but there were very few spectators. Batting first, Rogers' side compiled 140 runs, Shophard, Streattfield, Bates, and Reynolds each getting over 20, and Piper and Rogers into double figures. Mr Brown's XI. replied with 111, the only two who made anything of a stand being E. H. Dasant and E. Browne; they put on 39 runs for the sixth wicket. Mr Dasant played finely for his 41. Cherry, the Grammar School pro., took five wickets, Sewell four, and A. O. Jones, the old Modern boy, accomplished a very fine catch in the long field. He had to run sideways more than 20 yards to a big hit by Mr Ootgrave, and while still on the run he stretched out his arm to its fullest extent and just managed to secure the ball close to the ground. It was a magnificent bit of fielding and was loudly applauded. During the half-hour remaining for play Rogers' XI. scored 73 runs for the loss of a couple of wickets, E. H. D. Sewell being not out 49. Scores:—

LIBERAL CLUB v. VULCANS.—This return match was played in the Bedford Park on Saturday, and resulted in an easy victory for the Liberal Club. Going in first the Liberal Club scored 83, chiefly owing to the capital stand by T. Whitman, who scored his 41 in fine style. H. and J. Tucker also batted well. The Vulcans made a poor show against the bowling of Taylor and Reeve, all being put out in less than half-an-hour for a matter of ten runs. J. MR. GREENFIELD'S XII. v. MR. RUMBOLL'S XII.—This match, which was played in Haynes Park on Monday last, ended in a victory for the home team by 28 runs on the first innings. The visitors batted first, and succeeded in putting together the respectable total of 91 before being dismissed. H. Reynolds and F. Haydock being the highest scorers. Coleman captured six of their wickets for 25 runs, and H. Squire two for 11. The home side at first were very unfortunate with the bat, three wickets falling for 1 run and four for 6; but on Messrs. T. Greenfield and H. Coleman getting together the total was raised to 75 before the former had to retire for a well played 28. Coleman, who had batted steadily for 28, was the next to follow. The innings closed for 119. In their second attempt the visitors lost 8 wickets for 17 runs. Weiss bowled remarkably well, taking five wickets for 21 runs. An excellent luncheon was served at two o'clock in a marquee erected on the cricket ground, and this was followed at five o'clock by tea. The luncheon and tea, as well as the refreshments throughout the day, were very kindly provided by Mr. W. B. Greenfield, of Haynes Park, for whom hearty cheers were given before the Bedford team left for home. The following is the full score:—

AMPTHILL v. BEDFORD.—On Friday week the return match was played in Amptill Park, in beautiful weather and before a large gathering of interested spectators. Both sides had done their best to put a strong team into the field, and were successful in their endeavours. It was to be regretted that longer time was not allowed for the game, seeing that the Bedford team did not arrive before one o'clock, and the wickets were drawn at 6.15, the second innings was therefore unable to be played out. Amptill won the toss, and commenced batting to the bowling of Oclees and Potter. A good show of resistance was, however, not shown until the fourth wicket was down, when the scores were quickly added to in a plucky style by Farmer 11, Fountain 23, Goff 16, Joyce 17, and Stapleton 10, the respectable total of 106 being raised before the last wicket fell. Bedford made a good stand at the onset, but after Shepherd (17) and Rogers (15) had been dismissed, no other batsman succeeded in getting into double figures, and owing to the admirable bowling of Fountain and Goff the total did not reach higher than 58. At the time of drawing, Amptill had made 30 for the loss of three wickets in their second attempt. *Scores:*—

KATON v. H. BATTY'S XII.—A 12 a side match was played on the Kew Green ground on Monday, and resulted in a win for the visitors by 4 runs on the first innings. Considering the fairly strong team the visitors took over this result could hardly be said to be very satisfactory. Rain interfered with the game and it had to be decided on the first innings. The was very kindly provided for the visitors at Mr. King's farm. *Scores:*—

LUTON REPORTER: SATURDAY 12 SEPTEMBER 1891-3.

LUTON TOWN v. ASTON CLINTON.—Played on Monday last at Aston Clinton on a very slow wicket, when the visitors were defeated on the first innings by 20 runs. Luton batted first and made a poor show against the bowling of the two professionals, Austin and Bailey, the total only reaching 54, of which number E. Gilder obtained 26 in good style. On Aston Clinton going to the wickets it looked at one time that they would not reach the required number of runs, for they had lost five of their best men for 11 runs, but Dr. Addison by some hard hitting contributed 36 in good style, and as above stated won the match for the home eleven. BEDFORD v. OXFORD.

This match was played on the Goldington-road ground, at Bedford, on Friday, July 10, and resulted in a win for the home team by 28 on the first innings. The best contribution on the home side was the 55 by R. C. Williams, which were got in fine style. Shepherd played well for his 19, but the only other one to get into double figures was Cator with 15. In their second venture Bedford had scored 97 for the loss of four wickets, of which Shepherd compiled 37 before he was bowled, and Weiss 37 not out. For Oxford Wilson and Bassett, who each got over twenty, were the only ones to show against the home bowlers:—
