

R.M.L.I. v. K.O.S.B.

At Mount Wise yesterday, Plymouth Division R.M.L.I. defeated the King's Own Scottish Borderers by 226 runs. The R.M.L.I. elected to bat, and the wicket being in their favour they were in possession for a period of four hours, and scored 226 runs. The first wicket fell in the first over before a run had been made, but by very steady play, Captain Crowther and Lieutenant Godfrey brought the score to 157, when Lieutenant Godfrey was out and b by 63. Soon afterwards Captain Crowther was dismissed by the same bowler. His score, just three short of 100, included a lower boundary hit for 6. Corporal Hitchmarsh, who secured 30 runs in a very smart manner, was run out, and Lieutenant Foster, who showed good batting form, was given out lbw, when well set. With the exception of Lieutenant Phillips, who made several pretty strokes, none of the King's Own double figures. Several changes in the bowling were made. Fraser bowled 36 overs, and took six wickets for 105 runs. Commencing their innings shortly after four o'clock, the King's Own Scottish Borderers made a poor defence against the bowling of Lieut. Foster, who took seven wickets.

PLYMOUTH v. LEUT. BIGGIE'S XI.

In consequence of the Exeter eleven being unable to journey to Plymouth yesterday a local match was arranged. The weather in the early part of the day being against cricket, Lieut. Biggie's eleven turned up very short, and consequently the game was played with nine on each side. Plymouth winning the toss elected to bat first, and sent in R. A. Bowers and Horne to the bowling of Captain Lushington and for the first 16 runs were scored before Bowers was caught by Leslie off Lushington. H. H. Palmer followed and retired at 63. Dickinson then joined Horne, and these two carried the total to 228 before Horne was run out for an excellent innings of 117. Dickinson reached his third century for the season, and when he had added another 2 was caught and bowled by Curtis. H. D. Bowers joined Horne, and the score was carried to 278 before Legge took Bowers for 14. Plymouth then declared their innings closed: 278 for five wickets. The scratch eleven sent in Captain Lushington and Lieutenant Household to the bowling of Horne and H. D. Bowers. Only 11 runs had been scored before Household's wicket was secured by Bowers. The other batsmen, with the exception of Legge 39 and Captain Lushington 23, were unable to do much with the bowling, the side being out for 103, thus leaving the home team victors by 3 wickets and 178 runs.

Mr. C. Hulsh, hon. sec. Laura Club, writes that the whole of the eleven, including the two artillerymen, who defeated Plympton by 19 runs on Saturday, were bona fide members of the club.

Mr. W. Southwood, captain pro tem, and hon. secretary, Dawlish Club, claims that his team on 30 Sunday defeated Devon by two runs, the score being Dawlish 72, Newton 70, and adds that there was never any question as to the correctness of the score. Instead of King making 15 for Newton he made 12, and Foley for Dawlish made 11 instead of 10. Mr. Southwood, who is corroborated by Mr. G. J. Cattell, who kept the score, adds that by an error Dawlish extras were carried out as 8, where they should have been credited with 9.

ROYAL NAVAL BARRACKS v. WELSH REGIMENT.

At Mount Wise yesterday the Welsh Regiment were easy victors over a Royal Naval Barracks team by 45 runs. The weather was far from favourable and the ground was sloppy. The Welsh Regiment went first to the wicket, and seven men were despatched for 47 runs. Lieutenant Ready being the only one to get into double figures. Then More and Clair got together and play became more lively. Both played in splendid style and knocked up 73 runs. From the Naval Barracks team going in play was very slow. Corporal Hitchmarsh made a useful 18. Taylor made things livelier for a few minutes, but being rather reckless he was soon stumped. Howlett scored two 4's and a three off Mason's bowling, and in the following over was bowled by Shute. The innings closed for 72. Lieutenant Foster, Naval Barracks, took six wickets. For the Welsh Regiment Lieutenant Shute did admirable work, securing seven wickets for 25 runs and caught Captain Orford.

THE PRESS v. PLYMOUTH POLICE.

This match came off yesterday at Turnchapel, and resulted in the defeat of the "Men in blue" by an innings and 15 runs. The Police were the first to defend, P.C. Tenney (3) being the only one to offer any resistance, the innings closing for 23. On the Press welding the willow runs came fast during the first three wickets, but after that the "Guardians of the Peace" became very destructive in their bowling, the total reaching 75 with the fall of the last wicket. The Police again occupied the wickets, and had to score 52 to save a single inning's defeat. The effort was a decided improvement on their first venture, but at the fall of the last wicket they were in a minority of 15, P.C. Gaylard (15 not out) and P.C. J. Somers (9) showing excellent form for their respective totals. Caddy (15) and Callicott (15) exhibited some smart cricket, whilst the latter and Kingsbeer trundled the leader with good results. The Press Athletic Club, which has made such rapid strides since its formation, is to be congratulated in its present enterprise—the erection of a cricket pavilion on their ground at Turnchapel—the finishing touches of which were made yesterday. The building was entrusted to G. R. Turpin, of 9, King-gardens, Plymouth, and reflects the highest credit on him by the manner in which every detail has been executed. The structure is well fitted with lockers and all the necessary accommodation for players, together with an excellent scoring arrangement. Should occasion present itself the pavilion can be arranged so as to seat from fifty to sixty persons, for such purposes as festive gatherings, meetings, &c. The club's thanks are also due to Messrs. Bandle and Prowse, the well-known firm of art decorators and painters, Union-street, Plymouth, for the manner in which they have carried out their portion of the work. The club return their sincere thanks to Mr. J. W. Adams (Government land agent), Plymouth, for the very energetic and courteous part he has taken in getting the necessary permission from the War Department to build thereon, and to Mr. Philip Hine, jun. (the landlord), West Hoe, for all the valuable assistance he has given ungrudgingly to the officers of the club, so as to bring the undertaking to a satisfactory issue.

EXETER v. DAWLISH.

This match was played at Gräs Lawn yesterday, and ended in a win for the home eleven by three runs on the first innings. The visitors were unexpectedly strong, especially in the bowling department, that of one of the Millers being particularly fast. The Dawlish wicket-keeper was very smart, and the fielding of the eleven was highly creditable throughout. W. Ashford, who, it was expected, would have made a good stand for Exeter, was cleverly caught by Mickleburgh from a "sinker" off Miller. Carter seemed to tackle Miller's fast balls the best, and was piling up runs in most satisfactory fashion for his side, when he was smartly caught at the wicket by Treuman. Bartlett also made a good stand, but, in consequence of his hesitancy to run when called upon, he does not make a very desirable partner at the wickets. It was this weakness of his which caused McCreas to be run out. Exeter were got out just before six, and the Dawlish men went in for their second innings. They had compiled 29 runs by 6.30, when stumps were drawn. Scores:—

BOW v. MORCHARD BISHOP.

The return match between these teams was played at Morchard on Saturday. Owing to the weather the game could not be commenced in time to complete the 2nd innings. The visitors went first to the wickets and scored 23 runs. The ground team was dismissed for 29. A. Fowlesland bowled with his accustomed precision for the Bow team. In the second innings a score of 45 was soon run up by the visitors with a loss of three wickets, when they declared their innings closed. The home team could not be dismissed before time was called and scored 21 runs for four wickets—

CRICKET.

M.C.C. v. PLYMOUTH AND GARRISON.

The match arranged for Monday, but which had to be postponed on account of the heavy rain, was played yesterday, when again the weather was not altogether favourable, although this fact did not to any appreciable extent militate against a large attendance. The opposing elevens were well chosen, and exhibited much of the strength of the respective clubs. Winning the toss the local team decided to go to the wickets, and about 11.30 Hinde and Hoar commenced the batting on a very difficult ground to the bowling of Wootton and Whitehead. Hinde was soon run out as the result of a very smart bit of fielding, having contributed only a single, and Titchmarsh joined Hoar, but almost directly "played on" to Whitehead. Captain Jervois took the bat, only to make the second duck, and thus the wickets were falling for the visitors. The professional, and this partnership proved slightly better until Hoar was caught and bowled by Wootton after remaining in from the beginning of the innings, and by careful play scored 18, the highest total for the day on either side. The match, moreover, was a very difficult one. Four wickets had now fallen for 23 runs, and Lieutenant Fraser went in to help swell the score. Buckle was soon bowled by a beautifully delivered " Yorker " from Whitehead, and Young joined Fraser, but having made a splendid hit for 3 gave way to Wootton, six men being now dismissed for 23. Palmer next wicketed the willow, and the game became more spirited, the two men raising the score considerably, Fraser hitting three 1's and a couple of 2's. Palmer was then bowled by Wootton after adding a well-earned 1 dozen, the total amounting to 48. Bates made a duck. Wilson took the bat, and by playing steadily remained in to the end, Gardner meanwhile appearing at the wickets and taking 5 wickets, unaccountably he was run out. The telegraph announced the close of the innings for 57.

The M.C.C. were first represented by Johnson and Quill, but after five minutes at the wickets against the bowling of Bates and Young an adjournment was made for luncheon. Play was resumed, but rain coming on, the wicket was made infinitely easier. The runs scored were few and far between, and play was very slow. Johnson was bowled by Bates after contributing 4, the score standing at 15. Quill was now joined by Toppin, Titchmarsh, Whitehead (pro.), Butler, Torrrens, and Martin in turn, all except the latter, failing to obtain double figures, owing totally to the really grand bowling of Bates, who was in splendid form, although his success was partially due to the condition of the ground. By steady and at the same time energetic play, Major Quill gained premier batting honours for his side, scoring the respectable number of 15. C. W. Foley was caught by Wilson, off Hoar, for six, and Wootton was another of the many players who had the misfortune to be run out, while P. H. Foley carried his bat for 3, the innings terminating for 53 two less than the score of their opponents. In their second innings the Plymouth did not make such a good display as at first, Corporal Titchmarsh, who made a "duck" in the former innings, owing to a singularly peculiar bit of play, by which he was stumped, being the only man who obtained double figures—12. Captain Jervois, a previous contributor of 10, made the second best score of 7, Lieutenant Fraser, not out, compiling just half a dozen before time was called. The other scores were one 2, three singles, and two "0's," the total being 38 for seven wickets. The match thus ended in a draw, slightly in favour of the local team. The fielding on both sides was extremely good, Bates being the successful bowler for the Plymouth team, while Whitehead and Wootton did good service in a similar manner for the visitors. Score:—

THE TORQUAY WEEK.

TORQUAY v. ISHMAELITES.

Monday's rain prevented this match being properly played, and though yesterday was fine, the result was a draw. Torquay ran up respectable scores for each innings, thanks principally to Crawley's splendid batting, which included seven boundary hits. Hooton bowled beautifully, taking seven wickets for 34 runs, and Millward secured 2 for 31. The visitors brought some fine bowlers as their analysis will show, the Rev. H. C. L. Tindall capturing 6 for 30, and 5 for 23, and Gaddum 4 for 39 in the first innings. Ishmaelites went in for their second innings half-an-hour before time, and quickly ran up 55. Score:—

PLYMOUTH v. EXETER.

This match, which was to have taken place at Exeter to-day, has been postponed.

Several alterations have taken place in the cricket fixtures of the South Devon and town clubs at Newton. In the first instance South Devon will play the return v. Dawlish, at Newton, on Thursday next, instead of at Dawlish, as arranged, the wicket at the latter place being very poor. And on Saturday next they have arranged a match v. Mr. Ellis's eleven instead of going to Exeter to play the City Club for Jennings's benefit. This alteration is brought about on account of Exeter failing to keep their engagement with South Devon at Newton on June 6. The town team play Chagford at Chagford on Thursday next, the fixture having been altered from the 13th to suit the convenience of the Chagford team. On Saturday next the town should have played Brent at Newton, but have cancelled the fixture on account of the "spirit" shown by Brent by "rushing into print" over the failure of the town to keep their engagement on the first occasion, which could easily have been arranged if gone about in a proper manner. By the way, the town secretary has not yet received any answer to the reply asking for certain "particulars." The bill no doubt will take some time to make out. The town have also cancelled the return fixture with St. Mary Church, arranged for September 5, and have arranged to play Nelson at Newton on that day, as the Nelson could not get to Newton on May 30 through the Marley Tunnel falling in. The Nelson secretary in agreeing to September 5, jocularly remarks, "Our team will come if the line is clear," and Newton certainly hopes that it will be, as the teams always have a nice match.

The above match was played, in perfect cricket weather, on the College ground last Saturday. The home team, winning the toss, elected to bat first, and after compiling 131 for 9 wickets, declared their innings closed. Mr. Gardie carried his bat for a splendid 53, and Crabtree and Crawford batted well for 24 and 12 respectively. Mr. Bax's team made a very poor display, with the exception of W. Bickford, who played very well indeed for his 22, and was very unfortunate in being run out. For the College Mr. Short took 5 wickets for 25 runs, four of which were taken with successive balls. On batting again the visitors did much better, scoring 19 for 1 wicket. Scores:—
