HERS ADVERTISER: SATURDAY 22 JULY 1893-3.

GENTLEMEN OF HERTS v. KING'S LANGLEY.

CANGLEY.

A good number of spectators assembled on Langley Common on Saturday to witness this match. The rain which had fallen during the previous few days had given considerable freshness to the ground and its surroundings. Every attention had been given to the wicket by the local club, and the arrangements for the comfort of visitors and the visiting taam were all that could be desired. This, combined with good cricket, made the afternoon a very enjoyable one to those present. The Gentlemen of the County Club were well represented, having a strong batting team. The Langley side was represented by the team which has been so accessful during the present season against the local clubs, Mills being the only non-resident player. Mr. Betts having won the toss for the home learn, elected to go in, himself and East being the first representatives, opposed to the lowling of Hirst and H. B. Debenham. Eleven runs resulted from the first four overs, than Betts hit Hirst grandly to leg for 6. The first wicket realized 27. A 36 East retired, having been at the wickets 45 minutes for 12. Mr. Pigg having taken the place of Hirst, run-getting became somewhat slower, and with the exception of Mills (who batted in good form) no stand was made by the next four battemer. Six for 68. On A. Young

Eige naving taken the place of Hirst, run-getting became somewhat allower, and with the exception of Mills (who batted in good form) no stand was made by the next four hatmen. Six for 68. On A. Young partnering J. Huckle runs were put on at a faster rate, the former, who was subsequently missedatooverpoint, thiting with great freedom. At lunch time the score stood at 84. On resuming play, Woods was substituted for Debenham, commencing with two maidens, but in his third over Young hit him very finely to leg for 6. Woods was, however, successful in securing both wickets. The innings terminated a little before four o'clock for 128. Measrs. Horner and Wales commenced batting on behalf of the Gentlemen, Mills and Weeden opening the attack. Both batsmen commenced batting somewhat freely, more especially Mr. Horner, whose off-drives were very effective. Mr. Wales gave an early chance to the wicket-keeper, which was not accepted. At 36 H. Hnothe was substituted for Weeden. This change had the desired effect, Mr. Vales getting lbw. One for 40. In the following over Mills cleaned bowled Horner, the ball keeping very low. His hits comprised one 4, four 3's, and three 2's. Mr. Harford contributed 5 when he fell a victim to the same bowler. Three for 49. Eightruns were added when Mr. F. B. Debenham fell to an excellent catch at point. Meanwhile Mr. Butcher was playing a steady game. At 63 Mills changed ends, Lane taking the place of H. Huckle. It was soon apparent that Lane was in excellent form with the ball. In his third over Mr. Butcher received his quietus with a trimmer. Five for 68. Mr. H. B. Debenham contributed a useful 11. Six for 80. Mr. Pigg and the Rev. A. E. Lofts now became partnered. Lane and Mills were bowling in admirable form, and the fielding all round was worthy of all praire. At 89 Lane found his way to Mfr. Loft's wicket. He subsequently bowled Woods and Hirt. The innings terminated for 104, Mr. Pigg carrying out his bat for a carefully played 16, having been at the wickets for upwards of an hour. The

WEST HERTS v. ABBOTS LANGLEY.

The brilliant display of the West Herts team on Thursday was somewhat discounted on Saturday by another defeat—this time at the hands of Abbots Laugley. The match was played on the West Herts Ground, and the homesters putting a very weak team in the field they had to submit to defeat by 54 runs. Had it not been for Hutchings and Lightfoot, who between them added about 60 runs when all seemed "up," with West Herts, it is probable that the village team would have gained a much more substantial victory. It will be generally regretted that Mr. C. R. Humbert has been down with another bout of influenza. He was selected to play for the county against Bedfordshire, and was, no doubt, bitterly disappointed.

West Herts set Willesden a bard task on Saturday. Going in first the locals piled up 260, chiefly through the flose play of Austin, who was well backed up by J. Woods. Austin's was far from a faultless incluge, the visitors missing several chances.

The bowling of J. Woods and Austin baffled Willesden, and they were soundly beaten on the first innings.

Early in the week Herts somewhat atoned for their recent bad form in the cricket field by beating Bedford-hire handsomely. The feature of the match was the batting of the old Cantab, E. L. Swift, who scored 168 by clean, hard hitting. Brown and J. H. Orman were the best of the homesters, J. W. Hawkley took seven Hertfordsbire wickets for 46 runs, whilst on the other hand Titchmarsh took six for 38, and W. H. Nicholls four for 28.

The star of the West Herts orioketers still appears to be in the ascendani. On Wednesday they behaved to their neighbours from Stanmors in much the same way as they treated Willesden last week, only more so.

White gave a pretty exhibition of cricket in making his excellent score of 75, being well backed up by Austin, the old Oxonian H. H. Cobb, J. Woods, and the Rev. J. Myers.

It was evidently White's day, for he followed up his good batting by taking seven wickets for 41 runs, J. Woods capturing the other three for four. In the second innings of the visitors Russell took three wickets for 16 runs.

Bushey is looking up, writes our correspondent. It has lately been looking down down the deep drainage trenches which have scored the roads in all directions. Now, it is looking up, for through the energy of Mr. Harford and other enthusiastic cricketers next week is to be a cricket week.

On Monday the Bushey team play the Oriel Club, and in the evening hold their annual dinner in the Herkomer Theatre; on Tuesday they play the Rev. H. Burchell-Herne's eleven, the match being a benefit for the "Veteran" G. Prince; on Wednesday the Stous come down, and in the evening a concert will be held at the Herkomer Theatre; on Thureday the Stammore Club will be played, a ball in the Manor House following; Mr. A. T. Hargreaves' eleven meet the locals on Friday; and on Saturday West Herts go up to the artistic village, a smoking concert in the evening winding up the week. On Monday the Bushey team play the Oriel Club,

The Local Board cricket team fared badly at the hands of the Watford Brewery eleven on Saturday, and A. Butler, the Brewery "crack," beat them easily off his own bat. Howe took nine of the twelve Local Board wickets in the first innings.

HERTS ADVERTISER: SATURDAY 19 A VGUST 1893-3.

COMMERCIAL V. SOUTH MIMMS.

COMMERCIAL v. SOUTH MIMMS.

The return match between these club was played at Brigefoot Park, South Mimms, on Saturday, and the result was similar to that of the first gams—an easy win for the visitors. The whoket was in very poor condition, the fast balls kicking up very dangerously, and two or three men received nasty knocks. Not-withstanding these drawbacks the game was a most enj-yable one. The Commercial won the toss, and Simnoons and Cox opened the venture. The first ball S. Giddins sent down found Cox's wicket, and Taylor, after seoring a ringle, was sent back, Sheldon ostching the ball from a return. In the same over Moon, the captain, succumbed to Sheldon's bowling, and a few runs later F. E. Beynolds had his wicket disturbed. Matters thus looked the reverse of row, and they were mot improved when Hitchoock received a nasty blow on the face and had to retire, only about a dozen runs having been scored. On Day coming in a better show was made, and he hit up 19 before running himself on when well set. Simmons was the next to leave, the score thea being over 60, and the vacancy was then filled by Hitchoock, who pluckly returned to complete his innings. The new comer made matters pretty lively, hitting while other batsmen played steadily, and the innings was not complete before 116 runs had been totalled, of which number Hitchoock made 39 not out by free and resolute hitting. On the home side going to the wickets a poor show was made, the bowling of Taylor and Day altogether beating the batsmen, and the whole side were dismissed for 22 runs. A second venture realised 22 runs for five wickets, when stump wavedrawn. Scores:—

This return match was played in Tring Park on Saturday, and was won by the home team, after a good game, by 10 runs, so that each club have this season won a game. Tring first batted, Jefferies making 36 runs. Nelson, the Hemel Hempstead wicket keoper, had his finger damaged and had to retire; he is also a fine hastmen, and in consequence of this acoldent did not go in until late, when he very pluckily went in to try and save the game. This acoldent, and several acthes nuiseed in the field, resulted no doubt in the visitors' defeat. Scores:—

COMMERCIAL v. ST. MICHAEL'S. This match was played on the Grammar Bohool Recreation ground on Saturday, and resulted in a win for St. Michaels. The Commercial put an exceedingly weak team in the field, five or six of the best players being away holiday making, and St. Michaels also had one or two of their usual players absent, but filled up their places with the Hon. W. Grimston and T. Long. Batting first St. Michael's scored 71, the Hon. W. Grimston being to posorer with 17. The Commercial started very badly on going to the wickets, and were all dismissed for 42, of which number Moon made 15. The winners played distinctly better all round cricket than the toars, but it would conduce to better sport if, in their future matches, they had for an umpire one who was not so pronounced a partisan. An umpire who persistently refuses to give out men who are playably out, and as consistently gives out the other side, whether out or not, does not recommend himself to those who desire to further the interests of sport. So used are the St. Michael's to obtaining the decision saxed for, that the ball is thrown up even before the decision saxed for, that the ball is thrown up occasion it was thrown up unfer rehounding off the back of one of the batsmen! The following were the scores: St. Michael's. T. Long b Hartley. St. Michaels second inning: W. Long, b Webdale, 0; T. Long, b Sharpe, 1; R. H. Weatherly, not out, 10; A. This match was played at King's Langley on Saturday, and resulted in an easy win for the visitors. Much interested was excited in the match, as the home team had not lost a match this season. King's Langley went to the wickets fift, but with the exception of H. and J. Huckle, who made 14 and 15 respectively, could do little against the bowling of Wardle and Field. The former took six wickets for 14 runs, and the latter four for 31, and the whole side were out for 40. The visitors then batted, and Ward was out with the score at 14, but Tayler hit in fine atyle, and the required runs were obtained for the loss of two wickets. Field, H. D. Woodman, and Lavick all batted well, and when time was called 183 runs were scored for the loss of eight wickets. Score:—
