ST. ALBANS GRAMMAR SCHOOL v. OLD BOYS.

Sr. ALBANS GRAMMAR SCHOOL v. OLD BOYS.

A match was played between these teams on the Grammar School ground on Thursday, theresult being a victory for the School on the first innings by 31 runs. The Rev. F. Willeox, captain of the School team, wen the test and elected to bat first. Kentish and Golds were the first to handle the willow, and Day and Doed shared the bowling, but before Kehtish had time to get set he was bowled with a splendid fall by Day for five, and Golds soon after was caught and bowled by Day, the score then having reached 15. Symons was sont back after scoting 13, and Reynolds soon afterwards followed with half that number. Lord, after having obtained a quarter of a century by correct cricket, was clean bowled with a "shooter" from Kidman. The inuings then soon closed, the total realised being 66, only three of which were extras. The visitors on going to but thought they had a very easy task to perform, but their hopes were soon blighted, for before the figures had reached half-a-score Lord managed to disarrange Reynold's wicket, and he retired for a "duck," and Kidman, who partnered him, soon followed, after having scored eight, he being out leg before wicket. The end soon afterwards came with the total at 35, Golds taking seven wickets for 33 runs, and Lord four for one. On going in a second time the School did not do so well, all being dismissed for 33, half their first score; but the visitors, at their second venture, made a far better show, for when stumps were drawn at half-past six the score had reached 39 with only two wickets down. HERIS WEST HERIS POST: FRIDAY 29 JUNE 1894-2.

WEST HERTS CLUB AND GROUND v. ST. ALBANS.
On Saturday last these well-known rivals met on the West Herts Ground, and great interest was felt in the result to know which could claim premier honours for the summer pastime. The day's play ended in a substantial victory for the West Herts combination on the first innings by 160 rons, the scores being West Herts, 188 runs; St. Albans, 28. West Herts went in first, C. Pearce and White opening the innings. C. Pearce soon mastered the bowling, but at 24 white was dismissed lbw for five runs, and H. H. Cobb partnered Pearce. Runs came freely, and it was evident that one or both of these batsmen would make havoe of the bowling. At 57 Pearce succumbed to Dickenson, having contributed a most useful 47 to the score, his hits including seven 43 and a six. Mr S. Ward was dismissed for a duck at 58, but J. Woods who followed was in his usual excellent form, and during his stay at the wickets the score was raised from 86 to 10%, himself contributing 27, while Cobb, who was hitting freely, was responsible for most of the romainder. Woods was succeeded by F. Sargent, C. R. Humbert, A. B. Seymour, and W. E. Gardner, but none of these players made any stand, the board reading five wickets for 113 (Sargent), six for 118, seven for 118, and eight for 119. Will the score at 119 R. A. Thorpe joined Cobb, who had kept his wicket up since the first wicket down, and who by some very careful bathing and defensive play enabled the latter to still further increase his score. It was fourteen minutes past three whole of that period Thorpe only credited himself with twelve runs, the majority being registered by Cobb. As the score was raised doring the partnership from 110 to 1174 (an addition of 55 runs) it will be seen that Thorpe deserves great credit, for, with careful play, he enabled Cobb, who had got the bowling well in hand, to make the runs. Having knocked up 30 runs, including seven 45, Cobb was at last held by Sansom. Thorpe followeds son afterwards, leaving C. H. Little not out with

BUSHEY POLICE.

Played on Saturday last on the Brewery Ground, and resulted in a win (the eighth consecutive win) for the Brewery team by 58 runs to 38. The "men in blue" went in first, but owing to the fine bowling of Sells, who took 7 wickets for 18 runs, were all dismissed for 38. Of 13 overs bowled by Sells three were maidens. Butler was unfortunate in not taking any wickets, but only 11 runs were scored off his bowling. The Brewery men opened their iunings with Butler and Hatton, the latter making 23 runs, while W. How, who went in later, was credited with 17, these two players thus beating the Police between them. The whole side were dismissed for 58. On going in a second time the Policemen made 36 for 6 wickets. Appended are the soores: 36 for 6 wickets. Appended are the scores:

HEMEL HEMPSTED V. UNIVERSITY COLLEGE HOSPITAL.

HOSPITAL.

This match, which was played upon Boxmoor on Saturday last, was a very singular one. The Hemel Hempsted club were unable to put a good team in the field for various reasons, no less than half a dozen of their best players being absent, whilst the College team was a strong one. The home team only scored os, much credit being due to Mr Hall, the captain, for his patient play; he scored but 17 runs, but stayed well. The visitors seemed unable to stand against the bowling of Wardle and Tomlin, seven wickets being down for 25 runs, until Crossman and Moffit became partners, when despite the efforts of the above and several other bowlers they were not parted until 114 was registered for the 8th wicket—proving the uncertainty of the game. BERKHAMSTED C.C. v. DUNSTABLE GRAMMAR SCHOOL C.C.

SCHOOL C.C.

The Berkhamsted C.C. were altogether outclassed on Saturday, when they were defeated at home by the Dunstable Grammar School C.C. The visitors' eleven included five men who play for Bedfordshire, so that although defeated the home team was not disgraced. The fielding of the Dunstable team was almost perfection—there were 6 "catches"—accounting in some measure for the disposal of the Berkhamstedians—who went in first—for 52 runs. The bowling of Manton and Brown, a left handed bowler, was very deadly. On the contrary, the bowling of the home eleven was very weak so that Manton himself made the same score as the whole of his opponents—52. The second wicket went down for 73, 3 for 100 so that a heavy defeat was clearly foreseen. The whole of the Dunstable wickets fell for 162. The scores are:—

Up to Thursday night, most of our readers will learn with pleasure, everything had passed satisfactorily, and the public support had been hearly. The attendance of spectators day by day was in fact beyond all expectation, in spite of occasional showers; and on the whole the results were regarded as highly satisfactory. Success is rarely achieved without corresponding trouble. Mr C.B. Humbert is to be credited with the line's share, and the executive committee who worked with him are aprilied to the committee who worked with him are entitled to the cordial recognition of cricketers for their exertions, while details had been fully attended to, essentials of course were well considered. The wicket was all that could be desired, a condition for which thanks are due to White, the ground man. The concluding match to-day and to-morrow, is against the redoubt-able M.C.C., but a good team will be in the field to meet them, and interesting and instructive oricket is to be expected,

MR SPICER'S ZI. v. SERGWICK'S BREWERY.
On Wednesday attermoon a team got together by Mr
Arthur Spicer played a team representing Mesers Sedgwick's brewery. The herwery eleven went in first and
knocked up 50 runs. Mr Spicer's eleven followed, but
although it included a number of crack players, owing
to the deadly bowling of Sells who took eight wickels,
they were all dismissed for 47. A second innings was
then played, Mr Spicer's team eventually winning by a
very narrow margin of runs. There were a fair number of spoctators, and the enthusiasm was great. Score: MR SPICER'S ML v. SEDGWICK'S BREWERY. very narrow margin of runs. There were a fair number of spectators, and the enthusiasm was great. Score;

BENSKIN AND CO. V. M. B. FOSTER'S XI.

WILSON DOES THE HAT TRICK.

These teams played their return match at Watford on Monday, a day match having been arranged. The Londoners having made a draw on the first occasion, Benskin's were determined to win if possible. At eleven o'clock the outlook was not very promising a drizzling rain falling, which delayed the start for some time. Willson won the toes, and sent his opponents in. Barnes and Tyson went in first, Barnes making a splendid hit for six. Wickets fell fast, Willson clean bowling Hoskins, Pearce and Bewley with consecutive balls, amid loud applause. The last two men made a good stand, Thomas scoring 17 and Clark not out 7, the innings closing for 43. Willson toek five wickets for 12 runs, Wilks three for 11, and Steel one for 5. Benskin's sent Steel and Critcher to the wickets first. Steel was splendidly caught at the wickets after making 5, and when the luncheon interval arrived three wickets were These teams played their return match at Watford the luncheon interval arrived three wickets were the innohem interval arrived three wickeld water down for 8 runs. Host Malone, who had charge of the catering pisced an excellent repeat on the tables, and appetites being keen, ample justice was done to the good things provided through the generosity of the firm. After the repast, Mr J Wilks proposed a wate of thanks to Mr and Mrs Malone for the way in which they had served the luncheon, musical honours being accorded. Mr Malene responded, and jokingly said that he hoped Foeter's would win the match, which the visitors remarked was very good "chaff." A vote of thanks to the firm of Benskin and Co. for their kindness in providing the luncheon was proposed by Mr Pearce, on behalf of the visitors, was proposed by Mr Pearce, on behalf of the visitors, the toast being received with acclamation and masical bonoms. A return was then made to the orloket field, and the weather having cleared the afternoon's cricket was much enjoyed. Continuing their innings the home team fared badly, and were all out for M. Foster's at their second attempt made 38, Anstin being the only one to make double figures. This lift the home team 61 to get to win, and it was thought that they would not be able to avert defeat. Stead, by lively cricket, scored 23, and this good example was well followed up. Willson and Wilks made a good stand, and carried out their bats for 12 and 11 respectively. Willson making the winning hit respectively, Willion making the winning hit—a drive for 4. The home team thus won by 5 wickets. Sonres '

BERKHAMSTED C.C. V. LEIGHTON BUZZARD C.C.

Berkhamsted C.C. v. Leighton Buzzard C.C.

Berkhamsted C.C. had again almost victory in their grasp on Saturday, when in playing Leighton they were prevented from securing it by the arrival of time to draw the stumps. On the previous Saturday another 10 minutes would possibly have brought down the two remaining wickets of West Herts, and last week only 15 runs were required, with six wickets down to defeat the innings of 93 runs made by Leighton. The vintors winning the toss put in G L B Calcott and A H Sharp—two good batsman—who made an excellent stand. The latter was out from a splendid low catch by Vibart, who was bowling, and who proved a valuable acquisition to the home team, who are weak in that essential part of the game. Calcott, a left hand batsman, proved a longer stayer, batting in steady fashion, although a couple of "lives" were given him. After his departure, when he had made 30, the wickets fell more rapidly, the only succeeding batsman to run into double figures being Purrett, who made 12 runs. The whole innings closed for 97 runs, leaving an hour and 20 minutes play for their opponents. Petrie, who went in first wicket for Berkhamsted, was soon caught at the wicket by Tooley off P Calcott, whose bowling had the same effect upon Mappin and Vibart. Morgan did better, and made 14 before he was caught out by Purrett. The start was very poor, as the score read: I wicket for 2 runs, 2 for 18, 3 for 18, and 4 for 22, but when the captain, E W Silby Smith, came in, a change came over the batting, and especially so when he was joined by Baker, who hit out freely and vigorously. The latter was bowled for 20, which included a drive for 4 into the canal, and a hit of 5 across to the tennis ground. The captain made a good innings of 35 not out, and only six wickets had fallen with the score at 83, when the stumps were drawn, leaving the game a draw. Scores:

BUSHEY CRICKET WEEK.

BUSHEY v. ERRATUS.

BUSHEY v. ERRATUS.

The annual cricket week of the Bushey C.C. was commenced on Monday on the grounds of Manor Bouse by the kind permission of Mr. Harford. Their opponents, the Erratus, went to the wickets first, E. L. Dunster and B. H. Smith opening the innings. This pair fairly collared the bowling, and 30 had been secored before a separation was mada. The next wicket added 5, while the third fell for 122, and the fourth for 133. At this point the visitors' team collapsed, and the remaining wickets only added 16 runs, making the total 149. The home team then took to the batting, and opened very badly, three wickets going down for four runs. A change for the better then took place, C. W. Graham being at the wickets. Runs came fast, and when he was run out he bad made a total of 105. None of the remaining batsmen got into double figures, and with 11 extras the innings closed for 163, Bushey thus winning the game by 16 runs. For the visitors, E. L. Dunstermade top accrewith 42, and was closely followed by B. H. Smith. The only other double figurist was G. J. Grove with 19. C. W. Graham was top scorer or Bushey, running into three figures, viz., 105, before he shared the fate which beful four of his team and was run out. A Promenade Concert took place in the evening, a report of which appears in another column. Score:

BUSHRY V. ORIEL.

This match was played at Bushey on Tuesday, and This match was played at Bushey on Tuesday, and resulted in a complete victory for Bushey. The visitors won the toss, and went first to the wickets, but, thanks to the admirable bowling of Green they did not make a very brilliant display. Even Graham, the champion slogger registered no more than 23. Only two made double figures, and the remainder made three fours, a one, and five noughts, and the innings closed for 57. Bushey then took the willow, and made a grand score. Six of their onen reached double figures, and E. E. Huntley secured 24 not out. Their total was 172. This left Oriel with an arrear of 115, to save a single ionings defeat, and, baving regard to their previous display, it did not seem as if they would be likely to attain anything like the requisite figure. But there was a loope of keeping up the wickets until stump-drawing time, and thus saving the ignominy of having the score of both heir innings put together less than the single Bushey innings. Accordingly they spun the game out as tong as they could, and when time was called, they had two more men to go in. This prevented the ignominy referred to, but as they were still 45 behind it shewed clearly how they would have fared if the game had been played out. Scores:

BUSHEY v. MR. BLADON'S XI.

The unbroken career of triumph with which Bushey op ned the cricket week, was somewhat checked by the match they played yesterday. After a splendid game, in which the prospects of victory oscillated continually from side to side, the match was drawn by the expiration of the allotted time—fortunately for Bashey—who had their has man io, and, in all probability, had there been time to play the game out, would not have been able to make the 50 odd runs that were required to win. At the close of the match the game commenced in fair weather. Bushey lost the toss as usual, and the visitors took the maiden wicket, Woodbridge and Carter going in against the bowling of Weshered and Graham. At first, fortune seemed to favour the fielders, for when the score had reached the modest total of five, Carter was bowled for three. But the hope was speedily overcast. Hunt joined Woodbridge, and showed that he had come to stay In conjunction with his partner he ran the score up to When it stood at this he was bowled by

Wethered. His successor was the Harrow schular, Cruise who contributed 15 before he was caught. Woodbridge continued to but in excellent style, omitting no opportunity of stealing runs, and before he was settled the century was hoisted. At last he was caught by Williams, and ceitered amid loud cheers. He had played a capital innings, and had put on 45, the highest figure reached in the match. His score was remarkable for the number of single runs that went to compose it. This was about a quarter to four, and some expectation of a speedy declaration of the innings began to manifest itself, for it was evident at there were only three hours to play the natich, that, If the remaining six wickets cost as much to get as the first four, there would be no possibility of the Bushey team completing their innings when their turn came. However, the match went on, but the remaining players were not up to the mark of their predecessors. At first there was no sign of falling off, and the next wicket was not tiken till over 50 runs had been added, but the rest fell rapidly, and, at about a quarter to five the last four men were got out at the small cost of 19 runs. As to the batting we have little to say beyond repeating that, by far the beat form was shown by Woodbridge, and added that, the finest hit of the innings was a sixer by Hunt, who sent the ball clean over the hedge. There was now only about an hour and three quarters to play, and as Bushey wanted 173 to win it seemed very likely that there would not be time to get the runs, even if the innings could be played out. Bushey therefore appeared inclined to play for a draw. The innings had hardly commenced, however, before the first wicket fell for a duck. Harvoy had collapsed before a ball of Woodbridge, who was the best bowler as well as the best batsman in the visiting team. Huntley came next, but before long Woodbridge them for streen. Wotherwell followed, but Woodbridge bowled him with the first ball, and the third wicket was gone for seven. Things looked very implea possible that the three remaining men might make the requisite 59, and, at all events everybody expected they would be able to keep their wickets till stumpdrawing time. But, when two out of the three wern sent home without improving the score, the hopes of Bushey began to waver; and when Williams, the last man, went in only four minutes before time, it began to be feared that, after all the visitors might snatch the victory. But both men at the wickets knew better than to risk much. They blocked every ball that presented any features of difficulty, and secured a draw so to speak by the skin of their teeth. After the match the combatants were privately entertained at dinner by Mr. Attenderschief at dinner, by Mr. Attenborough, of Haydon Hill.

II. W. Pank playing for Hertfordshire against Norfolk on Friday and Satur. ay, at Norwich, was not out in the first innings before he scored and did not bat in the second. He bowled seves overs in the first innings of Norfolk, of which one was a maiden, taking one wicket at a cost of 18 runs.

Boys' Farm Houne met Now Barnet P.S.A. on Saturday, and defeated them (somewhat to the surprise of the lutter) by 33 runs. But for the batting of two subs., Betts and Emery, the P.S.A. would have made a very poor show. As it was, eight of their wickets fell for 26. Berry did the most execution with the leather, taking five wickets. Dann for the Home, who by the way is only about fourteen years old, showed some splendid batting. Peschal's 21 was also a useful contribution to the Home's total. Rubl bowled splendidly for the winners

Barnet played the return match with Wrotham Park on Saturday, on the ground of the latter, and the game resulted for the second time in favour of Barnet, the visitors winning by the majority of 53 rans. For the homesters, D. Tyce was top scorer with 13, and the Park were all dispatched for the grand total of 40. The bowling honours for Barnet were shared between C. S. B. Higgs and J. Harrison, the former secured six wickets for a few runs, and the latter obtained the remaining four. Barnet with the belo of J. Harrison's maining four. Barnet with the help of J. Harrison's 21 and 11. (7. Gardener's 21, totalled 93, thus winning a well contested game by the figures already stated.
W. Shears and Kingham bowled splendidly for the homesters, the former securing four wickets, and the latter the same number.

Ashleigh met Lyric on Saturday at Barnet, and the former could only manage to win by the small majority of eight runs. Ashleigh obtained 28, Sinfield being top scoror with eight. For the visitors, Rogers was most successful with the ball, taking five wickets for a few runs. On Lyric going to the wickets, they were only able to obtain 20. Sinfield and King bowled well for their side.

HERTS WATFORD TIMES: THURSDAY 16 AUGUST 1894-3.

ST. ALBANS v. GENTLEMEN OF BERTS.

The second match was between the gentlemen of Hertfordshire, when both sides were strongly represented. The wicket was again in exceedingly good condition, and the game was commenced in capital weather, although the wind was very high, and later in the day rain fell heavily. Play was commenced about 12 o'clock, in the presence of a fair number of spectators, the number who paid for admission on both days being. The Gentlemen won the toss, and put in Crocker and J. O. Anderson, H. J. Hill and Brown, the Bedfordshire pro., sharing the bowling. The commencement was characterised by a magnificent cut to boundary by Crocker for four, but very shortly after, his partner skied the ball, and Kershaw had great misfortune in not catching it. Another boundary by Crocker put up 32, but Hill's next ball nicely removed his bails. 32-1-16. G. E. Green took the next stand, but when only six more had been added to the score, Sanson made a beautiful catch at mid-on off Brown, which concluded the innings of Anderson, he having scored 16 in good style. 33-2-16. Pigg was cheered on taking his stand at the wickets with Green, but if was rather disappointing to the supporters of the gentlemen team, that he should have been caught only having placed eight to his credit. The catch by which he was dismissed at mid-off wass aplendid one, Cobb just reaching the ball, which was going at a good pace, with his left hand. 48-3-8. C. Pearce was next to join Green, but Hill disarranged his sticks by a shooter. 51-4-0. Dudley and Green batted very carefully until the score reached 60, when the latter was caught by Kershaw. 60-5-11. Keysell let out at Hill with the result that he was smartly taken in the long field by W. H. Golds, the recore their reading 80-G-10. Lofts commenced partnership with Jundley, but he had only scored one when the time for the luncheon arrived, Dudley also up to that time having scored 20 not out. Immediately the teams retired from the field rain fell heavily, but the sun re-appeared with all its grandour before play was resumed. At 127 Dudley was sent back by Dudl Hertfordshire, when both sides were strongly represented. The wicket was again in exceedingly good condition, and the game was commenced in capital with Spencer, and 148 was sent up ere he was caught by Anderson behind the wicket, his score being 54, including four four's, five thre's, and six two's. Spencer was the not out man with nine to his credit. St. Albans thus required four runs to the and three wickets to fall. The Hon. Wi liam Grimston unfortunately met with an accident during the afternoon when in the act of flelding the ball, which necessitated his leaving the field. It was afterwards found that he had broken a fluger on the right hand, and, is therefore, unable to play during the remainder of the week, as he had formerly intended. Although his loss has been sorely felt by the St. Albans team, the Gentlemen very kindly convented to S. B. Golds filling the vacancy, on the resumption.

ALDERMAN H. P. SMITH'S TEAM v. MR. P. ARNOLD'S TEAM.

ALDERMAN H. P. SMITH'S TEAM v. MR. P. ARNOLD'S TEAM.

An enjoyable game of cricket was played by the employés of Alderman H. P. Smith's straw hat manufactory and a few friends, against Mr. P. Arnold's team from Luton, at Flamstead, on Saturday. The wicket was all in favour of the bowlers, and when the visitors were dismissed for 57 runs it was thought that this was a winning ecore. The home team failed to reach the number set them, the innings closing for 47. On batting a second time, A. J. Day was the only one to offer any resistance, and he totalled up 65 out of 72, and carried his bat through the innings. At their second venture Mr. Arnold's team had scored 39 for five wickets when stumps were drawn, and victory thus rested with the visitors on the first innings. During the interval in the proceedings, a substantial luncheou was partaken of in a large marquee erected on the ground, and at the conclusion of the meal the toasts of "The Chairman" (Alderman H. P. Smith) and "The Vice-Chairman" (Mr. P. Arnold) were most heartily drunk by those present, who very much appreciated the hospitality which had been shown them. The following were the scores:—

MR C. CHALLANDS' XI. v. MR JOHN BARNES' XI. For friendly rivalry and to try the skill of their friends, these two gentlemen arranged a match on Saturday last. Mr Barnes picked his XI from the customers of the Queen's Arms, of which he is the genial host, whils. Mr Challands depended on his tenm from the customers of Mr F. Pooley, Coachmakers' Arms. Fairly strong teams were put in the field and the close finish of the game shows how evenly the sides were matched. Mr Challands was euccessful in the spin of the coin and put his team in to bat. Toomes and Rivett went to the wicket to face the bowling of Ricketts and Linney. Tooms was beaten in the first over by a beautiful ball from Ricketts which disturbed his off stump. Batten filled the vacant place, but Rivett was also bowled by Rickett when he had knocked up 3. Smith did not trouble the acorers, and Simmonds upon joining MR C. CHALLANDS' XI. v. MR JOHN BARNES' XI. not trouble the scorers, and Simmonds upon joining Batten, lost his partner in a few overs. Goodchild went to the wicke's, but so well was Ricketts and Linney bowling that no headway could be made on the score sheet. The new comer was bowled for a the score sheet. The new comer was bowled for a duck and Mr Challands was requisitioned to fill the gap. But fate was against him and he was caught gap. But fate was against him and he was caught and howled by Linney after making 1. Spooner then came to partner Simmonds, who was playing a sound defrusive game. He soon showed that he meant making runs, and after adding 4 to the score was unfortunately run out. The next three men did not cause much trouble, and the whole side were out for the meagre score of 20, Simmonds carrying out his hat for three. Mr Barnes' team then tried that head mith the hat hut so good was the howling. their hand with the bat, but so good was the bowling of Rivett and Toomes that at one time it seemed highly probable that they would not reach the score of their opponents. Linney and Hutchinson went in first, and these two players seemed to have got hold of the bowling when a clever piece of fielding by Batten got rid of Linney. This seemed to be the downfall of the team, for wickets fell like ninepins after. Ambrose was well caught by Williams off Toomes, and Tearle, Barnes, Davenport and Mitchell were all got rid of without adding to the score. The score stood at 19 when Warwick. their hand with the bat, but so good was the bowling port and Mitchell were all got rid of without adding to the score. The score stood at 19 when Warwick, the last man, took his position at the wickets. Excitement ran high just at this point, but the latter player soon passed the score of the previous team, and carried his bat out for seven. Nine runs in the rear, Mr Challands' team again took the bat to try their luck, and this time managed to knock up 25 before being disposed of. Towards this total J. Batten made 10 and Rivett six. Wanting 17 runs to win, and all wickets to fall, it looked an easy thing for Mr Barnes' team, but Rivett and Challands were dead on the sticks, and before the necessary runs were wiped off six wickets had fallen, so that a very were wiped off six wickets had fallen, so that a very even game ended in a win for Mr Barnes' team by four wickets. The bowling on both sides was exceptionally good, Rivett and Toomes for Mr Challands' team bowling unchanged throughout the first innings, and Ricketts and Linney did likewise for the other side. In the second venture Mr Challands himself had an over or two, and claimed two wickets at a very small cost. After the match a social was held at the Queen's Arms, several of the members of both teams contributing songs, &c... towards the evening's amusement. Appended are

BERKHAMSTED V. ARBOT'S LANGLEY.

On Saturday Berkhamsted, on their own ground. On Saturday Berkhamsted, on their own ground, succeeded in equalising a previous victory of Abbot's Langley. After heavy rains the pitch was not favourable to the batamen, and Berkhamsted going in first and making top score only reached 88 runs. The commencement was disheartening, as L. S. Ward was given out leg before, but Allen appeared

to be in good form, and with Garlick as partner, sixteen runs were made before the latter was caught out, and of which he had made seven. Then Budgeon out, and of which he had made seven. Then Budgeon, a ouriously slow underhand bowler, was put on, and met with remarkable snoces, the betemen not at all relishing the deliveries. Allen had been joined by Baker, and the two hit out fairly well, but Allen was beaten by a ball from Budgeon, after having made the good score of 21. The next four wickets went down to the same bowler, Baker, who had nunished him eventrally violating with the highest punished him, eventually yielding with the highest score of the day of 22 runs. Petrie was the only other bateman to make a stand, and might have even made a better score but for an accident. Howard was the last man in, and showed good form, so that it was possible for the century to be reached, but Petrie, believing that a run was obtainable, called upon his partner to run, who did not respond, and upon his partner to run, who did not respond, and Petrie, vaccting his position, was easily run out. For Abbot's Langley only three players reached double figures, H. J. Huckle and Foster, who first occupied the wickets, making 17 runs each, and Constable the seventh man making 12. The first wicket went down for 25 runs, 2 for 31, 3 for 41, 4 for 45, 5 for 48, 6 for 54, 7 for 56, 8 for 68, and 9 for 74. It was seen that the scores would be very even hut the last wicket wont down easily as High even, but the last wicket went down easily, as High was given out leg before, the home team thus win-ning by 88 runs to 80. CANNON BREWERY V. WATFORD STATION.

This return match was played on the Brewery ground on Saturday. When the teams met earlier in the season a close game ended in favour of the railway men on the first innings; on the present occasion to make success doubly sure they had the assistance of Paris, of Camden, who, it will be seen, was of great assistance to them in batting and bowling. The Brewers made a poor show with the bat, Paris and Denton being on the spot, and they were all dismissed for 21 runs. The railway men on going to the wickets made the good score of 141, Paris being top scorer with 68, not out, Denton making 26, and Dutton 10. The fielding of the Brewers was very slack, and had the chances given been accepted the winners' total would have been been accepted the winners' total would have been considerably less. Willson was the most successful bowler for the 1 43 runs, Score: the Brewery, taking seven wickets for

MONDAY-BUSHEY V. ERBATICS.

MONDAY—BUSHEY v. ERRATICS.

On Monday Bushey Cricket Club opened its annual cricket week with a match against the Erratics. The Erratics went in first and made 149 runs. The first wicket fell for 90 runs, owing to the excellent batting of E L Danster and B H Smith, who made 42 and 40 respectively. G J Grove who followed made 19. The second wicket produced 95, the third 122, and the fourth 138, but a collapse then ensued, and all were out for 149. Bushey then went to the wickets, and owing to the splendid batting of C W Grabam, who ran into three figures, secured a victory over their opponents by 163 runs to 149. No other player but Graham, who scored 165, got even into double figures. His total was largely composed of fours, although the length of the grass on the outskirts of the field was much against high scoring. Appended is the full score:

ALDERMAN H. P. SMITH'S TEAM **v. H**R. P. ARNOLD'S TEAM,

ALDERMAN H. P. SMITH'S TEAM T. MR. P. ARNOLD'S TEAM.

The employes at Alderman H. P. Smith's straw hat manufactory, St. Albans, and a few friends had a most enjoyable outing to Flamstead on Saturday. Starting between cloven and twelve o'clock, a heavy shower of rain was experienced on the outward journey, but the remainder of the day was fine, though the clouds were very threatening, and there was nothing to mar the pleasure of the proceedings. The rendezvous was the farm of Mr. P. Arnold, straw plait morehant, of Luton, and in a meadow here a cricket pitch had been prepared, and a match was played between teams captained by Alderman H. P. Smith and Mr. P. Arnold. The wicket was all in fayour of the bowlers, and when the visitors were all dismissed for 57 runs it was thought that this was a winning score. The home team failed to reach the number set them, the innings closing for 47. On batting a second time, A. J. Day was the only one to offer any resistance, and he totalled up 65 out of 79, and carried his bat through the innings. At their second venture Mr. Arnold's team had scored 39 for five wickets when stumps were drawn, and victory thus rested with the visitors on the first innings. During an interval in the proceedings, a substantial lunckeon was partaken of in a large marquee erected on the ground, and at the conclusion of the meal the toasts of "The Chairman" (Mr. P. Arnold) were most heartily drunk by those present, who very much appreciated the hospitality which had been shown them. The following were the scores.

This match was played at Hurtham, Hertford, on Saturday, and was won by the visitors by 10 runs. Both teams were poorly represented, but the visitors gained valuable assistance from J. Dickerson and Spencer, the former in the first innings taking 6 wickets for 10 runs, and Spencer 3 for 5 runs. The low scoring is accounted for by the tricky state of the ground. Scores:

BUFFALOES AT CRICKET.

Cassiobury Lodge v. Brakespeare Lodge.

Lodge v. Brakespeare Lodge.

It is not long since that a Buffalo Lodge was established at the "Queens Arms," St. Albansmoad, Watford, and, although it is still in its infancy, it is more active in its endeavours to promote the objects of its formation than many of the older lodges of the order. Primo J C Barnes has been untiring in his efforts to make the Cassiobury lodge the success it should be, and in order to bring the Watford "Buffs" more in touch with those in the district, he, on Wednesday last, organised a match between the Cassiobury Lodge and the Brakespeare and Boxmoor Lodges, and the success which has attended this venture was so encouraging that the match is to be made an annual affair. The match took place in Mr Barnes' meadow, known as the Callow Land cricket ground, which was visited by a large number of "Buffs," who watched the progress of the game with groat interest. The visitors went to the wickets first, but commenced badly, Gibbs being caught by Linnel before a run had been scored. Warren and Final were not long in following Gibbs, the second wicket falling for four and the third for six. The fourth went down for eight, but when Allaway went in the score rose very rapidly, and with good assistance from Bond the total reached 72. Hackney and Linnel did the majority of the bowling and were most successful, the former taking five wickets and the latter four. The Cassiobury lodge then tried their luck with the willow, a good score being sxpected. To the surprise of all, the wickets went down in rapid succession, not one of the Watford men making double figures. The innings closed for 27, Horton being the highest contributor with eight. Gibbs bowled very accurately, being credited with seven wickets and Miles with two. The visitors went in again, and when stumps were drawn had made 14 for the loss of three wickets, Bond carrying his bat out for 11. The following was the score:—

SMOKING CONCERT, the lodge room being decorated for the occasion. There were about 80 present. Bro. Neeve (Aldenham) was in the chair, and Bro. T. Bailey occupied the vice-chair. The health of the visiting brethren was enthusiastically drunk, on the proposition of the Chairman, seconded by Bro. T. C. Warren; and Bro. Hoar, in response, said he hoped that for years to come the Boxmoor and Brakespeare lodges would combine together to play the Cassiobury lodge—(cheers)—and carry off, las they had done that day, the laurels. of victory (laughter).—Bro. T. C. Warren then toasted the health of Host Barnes, and those who had contibuted towards the evening's harmony, and also the Chairman and Vice-Chairman. He alluded to the energetic manner in which the host had striven to make the afternoon's gathering a success, and coupled the name of Mr. Arthur Spicer with the singers.—The toast was drunk with musical honours.—Primo Barnes, in reply, said that he was pleased to see so many present. They had all, he was sure, spent a most enjoyable day, and although their brethren from the Boxmoor and Brakespeare lodges had beaten them in the cricket field, still, they were none the worse "Buffs" for that—(cheers)—and they lived in hopes of meeting them again—if not this season—next season, when they would endeavour to turn the tables (hear, hear). Bro. A. Spicer and Bro. Hackney (who had occupied the chair in the absence of Bro. Neeve), and the vice-chairman also responded. Those contributing to the harmony were: Bros. A. Spicer, E. Woods. Day, Copley, Atkins, Goodwin, W. Fowles, Barnes, Hoar, Hackney, etc.

THE ST. ALBANS CRICKET WEEK.

M.C.C. v. ST. ALBANS.

The St. Albans Cricket Week, which from the playing point of view was a very satisfactory one, was brought to a close on Saturday, when the M.C.C. indicted a severe defeat on the Albanians—a defeat which was fully expected even before the game connenenced, as the premier club sont down a capital side, very strong both in batting and bowling. The home team, unfortunately, was not so strong as it was anticipated it would be, several being unable to play who find hoped to do so. The visitors won the toss, and about noon on Friday J. S. Russell and Titchmarsh went to the wickets, the bowling being entrusted to Wardle and Sauson. In the first over Titchmarsh gave a chance on the off-side at deep point, but it was not accepted, and subsequently both batsmen hit away merrily, the score reaching 76 before Russel was easily caught at point off Hill for 40. Shortly afterwards the luncheon interval arrived, and on resuming Titchmarsh was bowled by Wardle—101-2-40, while at 142 the same bowler beat G. G. Hearne and clean bowled him. With Davonport and W. Morgan together the batsmen completely mastered the bowling, the latter being particularly sovere. The second contury appeared on the board after an additional forty minutes' play, and it was not until the score had reached 271 that a parting was effected, Sansom bringing off a fine catch in the long field which sent back Morgan, who had totalled up 85 by hard, free hitting, but he was very fortunate, inasmuch as he was missed early in his innings, and on several occasious the ball just missed going to hand. When Davenport, who played splendid cricket, was sent back by Wardle, the bowlers gained the upper hand. Six wickets were down when the third century appeared, but at 394 Dickerson caught Clayton off Sansom, Cant. Crampton was bowled by the first ball he received, and in the same over, Sansom clean

crickit, was sent back by Wardle, the bowlers gained the upper hand. Six wickets were down when the third century appeared, but at 304 Dickerson caught Clayton off Sansom, Capt. Crampton was bowled by the first ball he received, and in the same over, Sansom clean bowled P. Russell—three wickets in four balls. The last wicket put on ten runs, and the innings came to a close with the score at 315. Of the bowlers, Wardle and Sansom were the most successful, the former sending up 33 overs for only 74 runs and 4 wickets, and Sansom 12 overs for 49 runs and 3 wickets.

It was not expected that against this formidable score the horne side would be able to make much of a show, but the start was most promising, and when stumps were drawn, the total was 53 for no wicket, H. J. Hill being not out 28 and Wardle not out 16, the remainder being extras. On resuming on Saturday morning, matters wont badly for the home side for a time, the fourth wicket falling when the score was only \$1. Day then assisted Wardle to carry the score to 113, and afterwards Westell remained until the total was 137, and and without the addition of a further run the innings was brought to a close, Wardle, whose patient and careful imnings was invaluable, being caught behind the wickets, Dickerson being bowled by Titchmarsh, and Simmons was run out. Titchmarsh was the most successful bowler, his four wickets being obtained at a cost of only 27 runs. In a large minority, the Albanians commenced their second innings with the same pair of batsmen who had made such an excellent start at the initial attempt, but disaster after disaster occurred, and when the the sixth wicket fell only 37 appeared on the telegraph board. Westell and Dickerson then became associated, and carried the total to 85 before the latter was howled in trying to pull a straight ball from P. Russell. The retiring batsman had made 24 by hard hitting when runs were sadly needed, and he was heartily choeved on retiring to the pavilion. Westell, who was soon afterwards caught of Titchmars

BY FIELD AND ROAD.

The Herts County Cricket Club finished up their season on Wednesday in splendid style by defeating Norfolk by an tunings and runs. The home county have thus had a most successful season, full particulars which I hope to give next week.

which I hope to give next week.

It may be stated now, however, that the importation of new blood into the county team has had a most beneficial result, and generally speaking, the form shown has been a vast improvement on that of the past few years. Only one match has been lost, that against a strong 2nd XI of Surrey, and several matches have been drawn very much in favour of Herts.

The St. Albans Cricket Week, which was brought to close on Saturday, was a great success from the cricketing point of view, but the support accorded to it by the public was most disappointing. The weather certainly was not of so favourable a character as could have been wished, but when the sun was shining and the cricket was of an exciting character, the number of spectators was lamentably small.

It was generally thought that when Sir Blundell

It was generally thought that when Sir Blundell Maple had generously provided so magnificent a ground for cricket and other athletics, that the public would have done their part, and rallied to the support of those who are doing their utmost to raise cricket to the position it formerly occupied in St. Albans. The public have not responded to the opportunity which has been presented to them, and this fact is a very discouraging one.

The people of St. Albaus could best have shown their high appreciation of the gift which has been presented to them by their attendance on those occasions when the ground was being used for the purpose for which it was primarily intended, but they failed to put in an appearance, and had Sir Blundell Maple have visited the ground on any one of the days during last week when cricket was in progress, he would have been surprised and ill-pleased that the enthusiasm manifested at the opening had so soon vanished into nothingness.

The lesson taught last week is that the residents of St. Albans do not care for cricket, and that it is almost useless to continue the efforts which are being made to put the King of English games on a proper tooting in our midst. At Watford, Hertford, Hitchin, Bishop Stortford, and other places in the county it flourishes, but at St. Albans there is not enough public encouragement and support to enable it to do so, notwithstanding the possession by the city of advantages which no other town in the county can claim.

The lack of interest, taken in last week's doings will

town in the county can claim.

The lack of interest taken in last week's doings will not be sufficient to induce the committee of the St. Albans Club to throw up the sponge, but it has seriously damped their ardour, and unless more practical support and encouragement are forthcoming, there will be no other course open but to give up cricket altogether, except perhaps for a few half-day matches, which are hardly worth the trouble of arranging.

If a cricket week is arranged for next year I sincerely hope it will be putronised by the public, and that the money taken at the gate will be much heavier than last week, which was not nearly enough to cover expenses, and the County Club and also the St. Albans Cricket Club will be at a considerable loss.

The thanks of the Club and of many others are due

The thanks of the Club and of many others are due to Lady Jane Grimston, who kindly entertained both teams and many visitors to tea on Saturday afternoon in the Pavilion. Next year, in all probability, a ladies committee will undertake to supply tea daily.

It may be of interest to state that there is a concensus of opinion among those who played on the Clarence ground last week that it is one of the fastest in the country, as it certainly is the lightest. There is nothing to obstruct the light at all, and even when the clouds were very low and threatening the batsmen could get a good sight of the ball.

The match on Saturday on the Clarence ground will be against Frogmore, when the St. Albans team will be selected from H. J. Hill, T. Sansom, J. Dickerson, A. J. Day, W. Spencer, T. Pearce, W. H. Golds, W. T. Wostell, G. Hartley, H. C. Webdale, H. Pearce, and G. W. Simmons.

On Saturday afternoon the second eleven will play the Frogmore second eleven at Frogmore, and there should be a very good game. The former matches between the first and second elevens both resulted in a victory for St. Albans, and Frogmore will endeavour to avenge those defeats.

Bushey have played 21 matches this season, fourteen of which were won, two drawn, and five lost. The following is a list of the matches:—May 19th, Danstable Grummar School, lost; May 26th, Harrow Weald, won; June 2nd, Cohne Valley (7 wkts, and 117 runs) won; June 2nd, Cohne Valley (7 wkts, and 117 runs) won; June 2nd, Cohne Valley (7 wkts, and 117 runs) won; June 2nd, Stammore, lost; June 9th, Stammore, Won; July 28th, Stammore, won; July 14th, Stammore, Won; July 18th, Stammore, won; July 18th, Stammore, Won; July 28th, Berkhampstead School, drawn; July 30th, Harrow Weald, won; August 3th, Vampires, won; August 11th, Harrow Town, lost. HERTS PC

HERTS LEADER: FRIDAY 31 AUGUST 1894-2.

West Herts have thus gone through a busy season and can boast of only having lost two matches, both against Bushey. The first time Bushey defeated them, it will be remembered, they did so with the help of Bagnelly and several other good men who are seldom seen in the Bushey team, and on the second occasion the West Herts.team was composed mostly of second rate players

The following are the matches West Herts have played:

THE WEST HERTS CLUB AND GROUND.

RESUME OF THE SEASON.

As the West Herts Club have brought the cricket season to a close it would not be out of place to give a resume of the season, which, as the following, programme will show, has been an exceptionally successful one, 23 matches having been played, 17 won, 2 lost, 3 drawn, and 1 tied. The start was a capital one, there being eleven consecutive wins, over Abboc's Langley (2), Berkhampstead School, the Earl of Essex's X.I., Henel Hempstead, Kensington, Colm Valley, St. Albans, King's Langley, Harrow Weald, and Stock Exohange. The Non-descripts in the cricket week, however, nearly turned the tables, but the match, fortunately for the Watfordians, was drawn. A victory was obtained over Aldenham School, and Busbey wound up the cricket week by inflicting the first defeat, which they repeated when the return match was played. Berkhampstead, Frogmore, and Willesdom alike went down before the Watford team, and the return match we as played. Berkhampstead, Frogmore, and willedom alike went down before the Watford team, and the return match we week a draw was made with the Gents of Herts, on August 15th they tied with Stanmore, and in the return match with that club last, Saturday managed to beat them. A fitting conclusion to the season was the defeat of St. Albans for the second time this year. The following is the programme of the events during the season according to the fixture card displayed in the pavilion:—

White has done marveillously well with the ball, his average being 9°75, a splendid performance, considering he has bowled 20°0 overs throughout the season. F. E. Burrows comes nominally at the top with an average of 3°30, but as he has only bowled 18 overs. Woods also has a good average considering the number of overs hehas bowled—10°31. ST. ALBANS v. WEST HERTS.

ST. ALBANS v. WEST HERTS.

The return match between St. Albans and West Herts was played on the Clarence Ground on Wednesday, the result being similar to that when the teams met at Watford—a victory for West. Herts—and there is no doubt that on Wednesday's form they thoroughly deserved their win. The visitors won the tosa; and batted first on a good wicket, C. Pearso and White opening the venture, while the bowling was entrusted to Sansom and Dickerson. In the former's first over White got him away prettily on the off-side for 3, but without any alteration in the total he was bowled by Dickerson with a ball that broke across from the leg side and took the off stump. With A. Butcher and Pearse together runs came steadily, and Pearce went on at the lower end, Dickerson changing over. The change proved effective, Pearse failing to stop one from the slow bowler which was on the wicket—40-2-24. Ainother useful stand was made when Woods joined Butcher, 29 runs being put on ero the former likewise succumbed to a lob, and with the addition of 8 runs Butcher, who had played a fine innings of 28, getting his runs in exceedingly pretty style, was bowled by Scussom, who had resumed at the pavilion end. C. H. Humbert and Beeton uow became associated, and the former was missed twice before making 10, and for these mistakes St. Albans had to pay dearly, as he hit away in fine style. At 93 Beeton was well caught in the long field were either badly judged or missed. Durrows, it running out to drive Pearce, missed the ball and was shardly stumped, and the next ball was fatal to W. A. Surgent, whom Kent also stumped in fine style. With the addition of one run Humbert's valuable but lucky innings was brought to a close, Pearce bowling him, and at 143 Astley was bowled by H. J. Hill, who had displaced Sunsom, the timings been brown in the slips was run out, at 16 Hartley was bowled by Woods, and 40 Fearce was the most successful with six wickets for 78 runs, but his analysis was spoiled by the poor fielding.

HERRYS WATFORD TIMES: THURSDAY 13 SEPTEMBER 1894-1.

BARNET V. FINCHLEY.

BARNET v. FINCHLEY.

Barnet wound up the season with a victory over the neighbouring Finchley club by the narrow margin of seven runs. At one time Finchley were within 20 runs of their opp-ments total and nine wickets to fall, but Harrison's good bowling, backed up by smart fielding, pulled the game out of the fire. Finchley, we were informed, had the strongest team the club had got together this year, and we notice the name of L. H. Bacmeister, of Middlesex fame. He captured seven of the wickets, and scored 23 runs before he retired. The chief scorers for the vicitors, who batted first, were Parsonage, who seems to have got quite back to form, Dresser whose leg hits were as clean and hard as ever, and C. S. B. Higgs who made 11 at a very critical point of the game. Page played a great game for Finchley, and at one time it seemed impossible for Barnet to win; but Harrison, who got a lot of work on the bell, beat the Finchley battmen one after another, and the fielders made no mistakes. The record for the season is 13 wins, 5 losses, and one drawn game. For the first season, and taking into consideration that a strong fixture list had been got through, this is a highly satisfactory record, and must be very gratifying to the good sportsmen of the Barnets and Hadley, who generously came forward and gave their support to the club in its formation some twelve months ago. ST. ALBANS v. KINGS LANGLEY. TIME ROBS THE ROMESTERS OF AN EASY VICTORY.

The Robe the Remesters of an easy victory.

The last match of the season of the St. Albans C.C. was played on the Clarence Park on Saturday, in cold weather. The wicket, however, was infair condition. St. Albans were extremely strong loth as regards batting and bowling, but the visitors had practically the same eleven as met St. Michael's on the previous Wednesday from Abbots Langley. Towards the finish, Weatherley, of the St. Michael's C.C., who was playing for Kings Langley, kept his wickets intact and thus saved the game for the visitors, who, when stumps were drawn, lad scored 66 for nine wickets. Time slone robbed the saints of victory. The following are the scores and analysis:—

COCKFOSTERS v. CROSS ARROWS, AT LORDS.

These teams met at Lords on Saturday to play their return fixture. Both elevens were well represented, and a good game resulted in a win for the Cross Arrows by 30 runs. The homesters went to the wickets first, and with the help of S. Fennel's 27 and G. Gibbs' 26, they totalled 95 when their last wicket fell. Hart bowled eplendidly for Cockfosters, taking seven wickets. On Cockfosters taking their stand at the wickets runs came but sleading which wights wine stand at seven whekets. On Cocktosters taking their stand at the whokets runs came but slowly, chiefly owing to deadly bowling of Banks, who secured seven whokets for a few runs. Cockfosters' innings finally closed for 65. J. Hoffman 11 (not out), and C. S. B. Higgs 10, being the top scorers. The Cross Arrows went in again, and obtained 72 for six wickets, but time intervening they were unable to finish the innings. HERTFORD TOWN CRICKET CLUB . . AVERACE3.

AVERACES.

The Hortf rl Town Cricket Club have had a very variable experience this year; some of the matches have been won with ease, others have resulted in most decisive reverses, while others, again, have been se stoutly contested that almost up to the flinish it was made open question is to which side would win. Taking the matches collectively, there is a slight—a very slight—"adverse balance" against the town. Fourteen matches were played—of which six were won, seven lost, and one onded in a tic. The match arranged at Hattersea had to be abandoned on account of the rain, —the disconsolate players, after "weary waiting," being compelled to return to Hortford without a ball being bowled. The following statement shows the comparison between the Club and its nums scouled for the time of the results.
