WEYMOUTH COLLEGE V. MONETON COMBE SCHOOL BATH.)—Weymouth College journeyed to Monkto Combe on Tuesday, the 5th, engaging the Schoel in a all-day fixture. Winning the toss Weymouth batter and, after soring 216 for 6 wickets in excellent fashion declared their innings closed. A. G. Dobbie was the chief contributor, soring a clever and polished 78, as innings that was watched with great interest. K. J. Selby, the Weymouth captain, was also noticeable for a good innings, adding 61 in his characteristic style (J. G. H. Symes made 28, whilst Edenborough and Harvey secured 17 and 13 respectively. On taking the wickets with about two hours in which to bat, Monkton beat in Malcomson and Smith. The former settled down but the remainder were falling to make any headwar against the splendid bowling of Selby and A. Dobbi when a downpour of rain made play impossible for three wickets (all secured by Selby at a cost of 17 runs) out of which Malcomson carried his bat for 19. The match thus concluded in a draw, decidedly in favour of Weymouth College. Scores:— WEYMOUTH COLLEGE. MONRTON COMBE SCHOOL. MONRTON COMBE BURGONS. A. G. Dobble c Chester- Master b Malcomson 78 G. at Waymouth College on Saturday, the Well-known	
Somersetshire club being fully represented. The School won the toss and batted. Symes was soon dismissed for "l.b.w." without scoring, but A. Dobble

a stendy 28, going in first wicket, and D. C. Roberts, whose 18 was a useful contribution. The School were

House, a very promising young player. His 108 included one 6, four 4's, and four 3's. He gave two chances—at 48 and 100. This is the first century scored on the Eastbrookground. C. P. Turle got 101 against Weymouth on August Bank Holiday, 1908. A. Friend for the home side took 6 wickets for 9 runs, and accomplished the hat trick. H. House took 4 wickets for 10 runs. Lymington v. King's Park (Boscombe).—Played at Lymington on Wednesday, when the visitors won by 3 runs, after an exciting finish. There were many surprises in the game, which was interesting to watch. King's Park batted first, but so well did Gibson and Torah bowl that 6 wickets were down for 51, of which Meakin made 23. However, J. M. Scobie proved the saviour of his side, and, batting in determined fashion, placed 63 to his credit ere infringing rule 24 of the game. Mr. "Extras" helped to the extent of 25, and the total was 149. Torah sent down 18 overs (5 maidens), and captured 7 wickets (4 clean bowled) for 23,

his best performance this season. Gibson took 3 for 31, and Corbett and Reynolds were unsuccessful with the ball. Lymington lost 4 wickets for 55, but upon Bradshaw joining Corbett, the score was taken to low ere a separation was effected, the first named retiring with 46 to his credit. Reynolds helped to take the score to 137 for 7, and then three wickets fell with no addition. Gibson was the forlorn hope, and, with Knight, added 9 runs, but the batsmen attempting another, Knight was run out, and the game lost by 3 runs. Meakin bowled finely. joining Corbett, the score was taken to 102

FORSTON HOUSE (DOR-CHESTER).—Played on the Dorchester ground on Friday.—This 12-a-side match proved a most interesting and exciting encounter. The visitors won the tass, and batted first, compiling 173 for the loss of five wickets, when the lumings was declared closed. T. E. Armstrong compiled an excellent 80, hitting 12 fours, and eleven twos. H. G. Nicholson, late of Owens, and eleven twos. H. G. Nicholson, late of Owens, secored steadily for a well-played 35, whilst P. T. Cox was unbeaten for a clever 30. The House team replied with 164 (all out), and the last wicket did not fall till two minutes before the time for the drawing of stumps. At times a home victory seemed inevitable (when three wickets only had fallen for 140), but sound fielding and the dismissal of G. L. Jackson, who scored a brilliant 82, made a draw possible, and eventually the consistent bowling of J. Stockting (6 for 32) and E. Evans (4 for 30) secured the win for the visitors. E. Evans (4 for 30) secure Scores:—

POOLE AND EAST DORSET MERALD: THURSDAY 18 AUGUST 1910-2.

LTMINGTON CONSERVATIVE CLUB v. Printwell Park. — Played on the Lymington ground on August 10th, when a pleasant game resulted in a win for the Conservatives by 33 runs. The visitors having choice of innings, batted first, and Hamilton and Aldridge made a capital start, putting on 32 ere the former was bowled by Totterdell. Of this total, 24 runs had been obtained off two overs sent down by King, who gave way for Gibson. The change worked admirably, for with 4 overs the new bowler captured 4 wickets for 10 runs. Totterdell also was very successful—5 wickets for 17, and the innings closed with a total of 59, the last 4 wickets falling at that figure. Lymington replied with 92, the batting of fleppenstall, Benjamin and Totterdell being productive of 68 of this total. In the time left for play, Pylewell lost 7 wickets for 45, Woodford (10), alone reaching double figures. Read took 4 wickets for 23, and Badcock 3 for 14. Scores:—

EFFORD PARK V. BOLDRE.—Played at Efford Park on Saturday, and thanks to the brilliant batting display by D. Walsh (78), who received useful help from his brother, T. Walsh (20), and W. Black (16), the home team were set the task of scoring 144 runs. This proved quite beyond their powers, and they were dismissed for the poor; total of 24, of which S. King made half those hit from the bat. Naturally the bowling analysis worked out well, the wonder is there should have been two changes necessary. T. Walsh took 1 wicket for 3, sending down 6 should have been two changes necessary. T. Walsh took 1 wicket for 3, sending down 6 overs, of which 4 were maidens; D. Walsh took 3 for 7, H. Rend 5 for 10 (5.4 overs, 2 naudens), and J. Craft 1 for 2 runs, only sending down 1 over. B. Whatley was the most successful trundler for Efford Park. Burley v. Ringwood.—This match was played at Burley on Saturday, August 13th, and resulted in an easy win for Ringwood. The visitors batted first, and Vine contributed 53 by good cricket out of a total of 139. The homesters started badly, losing 6 wickets for 32, the slow bowling of the Rev. Cole puzzling the batsmen. However, Morgan and Tucker set about the bowling, and chiefly through their efforts the score was raised to 79. Vine also bowled well, taking 5 wickets for 26. The Rev. Cole got 3 for 51, and Withers 1 for 0. For Burley, the Rev. Cuthmins took 4 for 41, W. Carpenter 3 for 16, and Bush 2 for 45. PAGE CROFT CUP WON BY WINTON.

Dr. Hosker and the Corporation.

Winton easily won the Page Croft Cup on Wednesday last by beating Parkstone in the final, on the King's Park ground, by four wickets and 92 runs. The Parkstone skipper won the toss, and elected to take first knock on a fiery wicket; this latter greatly assisted Winton's fast bowlers, and l'arkstone were disposed of for the small total of 77. The Winton skipper, F. C. Weaver, secured seven wickets for 31 runs, and B. M. Lawson three wickets for 35 runs. Winton made 169 for the loss of six wickets; C. F. Symonds secured half a century by good hitting, making much use of his long reach. Weaver was the next highest score with 32. Brocklehurst took three wickets for 35; Medhurst two for 38; and wickets for 35; Medhurst two for 38; and Ramsbottom two for 58. The scores were as follow:

With the exception of Mark Fry for L. E. Adams, the winners played the same team as in the semi-final tie against Kinson. F. C. Weaver (the Winton captain) in this match reached a total of 900 runs, and also secured his 100th wicket. There was a good number of spectators watching the match, and at the close of play a large crowd assembled at the front of the pavilion to witness the presenting of the cup to the captain of the winning team.

crowd assembled at the front of the pavillon to witness the presenting of the cup to the captain of the winning team.

Dr. J. A. Hosker, in handing the cup to Mr. Weaver, said he could assure all present that it gave him the greatest pleasure to present the cup, but at the same time they all regretted that the donor of the cup could not himself attend and make the presentation, as he felt sure Mr. Page Croft would have wished. He presentation, where they would readily excuse Mr. Croft when they were informed that he was at the present time soldiering with his regiment in camp. The donor of the cup realised what his duty was, and felt it was incumbent upon everyone to be ready for every emergings. Busy man as Mr. Croft was, and with all the hundred and one calls now made on a M.P.—and also the calls made upon him in his own constituency—it was all the more reason why they should forgive him for not attending, when they realised that he was doing what he considered his duty (applause). He congratulated the winning team and their captain, amidst hearty applause, and went on to express the hope that the taking of the cup would not only be associated with their having won it, but with the pleasure of feeling that they had experienced a good year from a cricket point of view, and that not a single member of the team had any reason to upbraid himself; because all who played cricket must realise that they were not to consider themselves, but be as a unit, working all together with a will. It was most important that they should realise that they must be in no way selfish; unselfishness must be the characteristic of every good cricketer. who should remember that

it was his duty to be obedient to his captain and loyal to his team (hear, hear). He wished to speak on another point, although he did not like the idea of being a critic, but he thought it was necessary on such an octasion, when looking back upon the past year, to think of the faults committed and what they might have done, and the material they had at their disposal, etc. He had seen a little of the material that straight that afterness, and he had been a looking bound (hear, hear). He thought, perhaps, it was his duty to refer to it, because he could not helieve it was within courthing, he haddened.

that ground (hear, hear). He thought, perhaps, it was his duty to refer to it, because he could not believed it was within overything, he believed it was through want of knowledge on the bery of the Corporation that the pitch there was in such an mastisfactory condition. He was informed that, even with the two creekism bowlers on the winning taids that afternoon it was somewhat damperous costand at the wideth. He hoped this would be brought to the notice of the Corporation; and also bepar that the title in the nuclein, and see whather furing the acceptance was one sport which it was their duty, as citisens, to pay for and support, that sport was cricket. After charging won the qualities of manliness, unselfabness, and those were the three great characteristics necessary for the young Englishman, as none of them knew how soon they might be called upon to exercise them. We was one of those who felt that the time was not very far distant when they would be called upon to defend their country and when they would see a system of universal military service maintained in this country (some ories of dissent and applause). It behoved everyone there to realise what was likely to happen, and he considered it was the duty of the Corporation of Bournemouth to deall they could to inculcate those qualities in every young lad living in Bournemouth at the present time, and also to foster and encourage the taking up of that notable game-cricket. In congratulating Mr. Weaver on receiving the cup, the doctor said, as one who was associated with the Boscombe Club, he was bound to remind the recipiest that the cup was only lent to him—(laughter),—but if next year the Winton Club won the cup—and won it as well as he was informed they had done this year—then he would, if asked, present if to them with renewed pleasure (applause).

Mr. Weaver, surrounded by the team, then accepted the cup, and in reply, asked the doctor to suitably thank Mr. Page Croft on their behalf for his kindness in presenting the cup. Apart from politics, Mr. Pag

Mr. E. A. Hockey (the Secretary of the League) seconded.

In reply, Dr. Hosker assured them of his support and his willing efforts to in any way promote the interests of their national sport. Partly owing to the fact that they did not really know which team would win—(laughter)—and to the glorious uncertainties of cricket, the medals could not be presented that day, but would be presented to the members of the winning team later on—possibly at an enjoyable dinner (applause).

FIRST-CLASS CRICKET.

advice from the Wiltshire Captain.

An interesting article appears in "Fry's Magazine" for September by Mr. A. M. Miller, the captain of the Wiltshire County Cricket Club, entitled "Advice to the First-class Counties." Mr. Miller expresses the opinion that the new system of scoring points in the competition of the first-class counties is not much of an improvement on the old way, and says that in the minor counties competitions they have a system which has been running for nine years, differing from either the old one or the new one in the competition of the first-class counties. The minor counties' system is:—Five points for a win, three points for a match decided on the first innings, drawn matches (i.e., matches in which no result on the first innings is attained) ignored. Mr. Miller asks the first-class counties seriously to consider this system, with a view to its adoption in the first-class competition.

Ile claims for the system that it will ensure increased interest right through the game; that it will tend to increased punctuality; and that it will cause the utmost endeavour to be made on each side to lead on the first innings as well as at the end of the game. On the subject of punctuality he says: "I don't say that time is not closely observed at most grounds, but there are exceptions, and the captain of the side that is behind on the first innings is sure to see that his side is given the right amount of time to get back the advantage it has lost. We minor counties have our hours of play fixed—11.30 to 6.30 first day; Il to 6.30 second day; and I think it should not be left to the inclination of the captain, and have the short hours of play that are usually a vogue at Bath, although I will admit the light is not as good there after six as it is at some ground."

Mr. Miller observes that the chief objection usually taking to scoring points for a win on the first innings is that it rather increases the premium put on winning the toss has a decided advantage. It might also be urged that sides like Yorkshire and Notts, that went through a

being defeated, would have been penalised in this way in some of their matches, and not have had a clean sheet like they did. In answer to these supposed objections, Mr. Miler cays: "I should like to ask the players who took part in those respective county elevens in their unbeaten years if they were their most enjoyable seasons. I feel sure that they will say that the anxiety and strain took a great deal of the pleasure away. There is a local club in Bath, which, during the last ten years, has had one or two undefeated seasons, and I was talking to one of their keenest players this Whitauntide when I was captaining the side against them, and said. I was afraid our side would not give them much of a game. To my surprise he said: I am sorry, as I want our side to be beaten soon; but it must be by a good side. I don't want any more of those unbeaten seasons; the cricket is never so enjoyable or an eporting when you have got to worry all the time about not being beaten. Doesn't that apply as much to first-class as to club cricket?"

POOLE AND EAST DORSET HERALD: THURSDAY I SEPTEMBER 1910-3.

Boscombe and Kinson both won their games in Division I. of the Bournemouth and District League Competition on Saturday; Winton also won; the Estate Agents and Poole Municipal Offices drew. Pokesdown were not playing. The positions of the clubs remain unchanged from last week and the three top clubs are still rivals for the Championship. Kinson have the best prospects, as from the standard manner of matches they have secured three points more than their rivals, but they same number of matches they have secured three points more than their rivals, but they have strong opponents in Boscombe on Saturday next, and a loss for them then would mean that Boscombe and Pokesdown both have the chance of finishing on level terms, which would leave the League Executive with the interesting fack of fixing up three extra games—after September 10th. But Boscombe and Pokesdown must win their remaining games to finish level, and Kinson can still finish in front if they win one and draw one. Kinson had plenty to spare in their match with Gasworks on Saturday and were far more successful than is usually the case when they appear on the Works' ground. There score was 182 for 9 (Pike 70) and they dismissed the Works for 46. Boscombe against the Banks scored 141 and got their opponents out for 90. "Mr. Extras" was ton scorer for Boscombe with 41; next came Nightingale with 30. Boscombe got the first five Banks' wickets down for 18, but Weaver afterwards hit finely and very hard for 44. five Banks' wickets down for 18, but Weaver afterwards hit finely and very hard for 41, including a couple of sixes (off Nightingale) into the adjoining tennis courts. Guttridge did well with the ball for the winners and had the capital average of 7 for 24. Christchurch put up a total of 114 against Winton, who replied with 117 for 6, Tarrant, Adams and Ivamy each scoring freely. For Christchurch Blakeborough (41) and Wellum (31) were the top scores. A fine innings of (31) were the top scorers. A fine innings of 108 by R. Brocklehurst was the outstanding feature of the game between the Poole Municipal Offices and the Estate Agents; he Municipal Offices and the Estate Agents; he was in first wicket down and remained unbeaten when the innings was declared at 189 for 7. The Estate Agents, who badly miseed the bowling of Inkpen and Smith, had only a draw to play for and succeeded in their endeavour, their total when time arrived being 43 for 4, of which Tytherleigh had made 25 not out, and Charles 14. Mudeford, champions of Division II., hoped to be able to go through the competition undefeated, but this satisfaction is denied them, as they lost on Saturday to the Old Boys, who scored 145 for 7 and dismissed the champions for 13. S. W. Tucker got 54 not out and L. Cassey 47 for the winners. Mudeford were handicapped by the fact that Rogers, though playing, was prevented from bowling owing to a damaged finger. On Friday the President of the League (Mr. W. E. Moorey) attended at "Sunnyhurst," Barrack-road, Christchurch, and on behalf of the Executive Committee and clubs of the League presented to Mr. Norman Barnes (the late Secretary) a beautifully designed address in pen and ink. The outer setting to the address is a scroll border, each scroll inscribed with the name of the League Club, and the whole border is linked by a rose-chain with cable entwinements, the top centre having the Rose and Crown, the top centre having the Rose and Crown, the arms of Hants, and the initials of the recipient. The inner setting of the address is an architectural design with panelled canis an architectural design with panelled canopy, on Corinthian colours, with base in
Old Mosaic, and stained glass, bearing the
inscription, "For Auld Lang Syne." The
address is as follows:—"Bournemouth and
District Cricket League. To Mr. NormanBarnes,—We, the President, Vice-President,
members of the Executive and Club representatives, in annual general meetingassembled, accept with regret your resignation of the offices of Hon. Sec. and Treasurer
of the League, and express our deep sense of the League, and express our deep sense of the loss sustained by such resignation, and our high appreciation of the splendid services you have rendered during the period you have held the responsible positions of Secretary and Treasurer, the duties relating to which offices have at all times been carried out with enthusiasm and energy, and given the greatest satisfaction to the Executive, clubs and players. Recognising the cause which necessitated your retirement, we assure you of our deep sympathy with you in your illness, and of our sincere and heartfelt wishes for your speedy and complete restoration to health, and to those manly sports, towards the elevation of which you have so largely contributed. Dated this 21st day of February, 1910.—W. E. MOOREY, President. The President asked Mr. Barnes' acceptance of the gift from his ex-colleagues of the Executive Committee and the clubs in the League, and expressed the hope that he would always find in the address a remembrance of the happy times he had spent in the service of the League and of local cricket. Mr. Barnes briefly thanked the President for his unexpected visit and asked him to convey to the Executive and the club representatives his great appreciation of the kindness shown to him on his retirement from the Secretaryship. Our readers will be glad to know that the improvement in Mr. Barnes' condition is maintained. of the League, and express our deep sense of the loss sustained by such resignation,

Boscombe had the opportunity on Wednesday to make themselves source of the championship of the Bournemouth Wednesday League Competition, but failed to embrace it, and as a matter of fact were lucky to avoid defeat and secure a point by making a draw. Parkstone, who hasted first, made 101, Rogers being top scores with 19, and Medhurst making 17. Peels took ? wickets for 30. Boscombe coult, only make 71 for 9, Lansley being top scores with 14. The ninth wicket fell with the second ball of the last over of the day. Scoring the will be noticed, was very slow all through. It took Medhurst, for instance, an hour to get his 17, and Haxell, the Boscombe captain, was in for 45 minutes for 9, in his endeavour to save the game. The cricket was much more exhilarating in the Winton v. 8t. Michael's match, at Winton, at any rate whilst F. C. Weaver was batting. How remarkable was his hitting will be understood when we state that he got 164 out of 198 (for 7); and was batting an hour and a quarter only. There were some other very good bats on the Winton side, but the next highest score was 16. Weaver hit six six's and 25 four's. M. Fry and Weaver bowled well when St. Michael's batted, and the total reached 45 only, so that Winton's victory was overwhelming. The game between Malmesbury and United was won by the first named. The table reads as under. Boscombe's chances of success are still the best. One more win in the remaining two games would make them safe, and their opponents in these, it is to be noted, are the two least successful of the clube taking part, viz., St. Michael's and Richmond Park:—

Fishmongers and Christchurch both won their games in the Junior Wednesday League Competition on Wednesday, Christchurch defeating Parkstone II., and the Fishmongers being successful over East Cliff Congregational. Fishmongers have now completed their programme, and the destination of the trophy depends on the result of the Civil Service v. Christchurch match at Meyrick Park. If Christchurch win this they gain the championship; their defeat would give it to the Fishmongers; a drawn game would leave the two clubs level, and mean the playing of an extra match. The final match of the Minor Counties' Championship, between Norfolk and Berkshire, was begun at Norwich on Tuesday last, and will extend into three days. Norfolk are at the head of the Northern Division, and Berkshire of the Southern. Norfolk won the Minor Counties' Championship in 1905, but Berkshire have never before been serious competitors. Curiously enough their worst season was last year, when they lost every match. In 1906 they scored 19 points out of a possible 30, but in no other season have they won more than two matches.

Bright's score of 73 was his best display this season. It contained seven 4's, two 3's, and eight 2's. "Teddy" Stokes was busy whilst batting, his 22 consisting of a four and five 3's.
