

GRIMSBY NEWS: THURSDAY 19 MAY 1910-2

CRICKET.

The County Final match between the County team and Grimsby will take place on the Littlefield Lane ground on Thursday next, starting at 1 p.m. There will be a charge of 4d for admission, with 3d extra for reserved enclosure. The Grimsby team will be selected from the following:—L. A. F. Weigall, J. W. D. Marston, C. H. Goode, J. Gars, F. Casbourne, E. E. Hallam, J. Smith, H. Horn, J. Brooke, R. E. Wrigglesworth, G. Johnson, H. Bacon, H. W. Shuckell, and Brook (professional).

Seymour should certainly be included in the above. It is difficult to pick out the team, but Goudie, Hallam, J. Brooke, Johnson, Weigall, Wrigglesworth, Seymour, Smith and Brook (pro) should be certain of a place. Shuckell would have been certain had he been in practice, but as he has not so far appeared in the cricket field this season, personally I would like to see Gars in the team, so that the Amateurs should be represented, and his batting is steady enough to be considered. Marston may be required as captain, and if included he, Wrigglesworth, Goudie and Gars should make a useful opening with the bat. If Shuckell appears in the field this week and gets his arm into swing, no doubt he will be included, and the team then will probably be composed chiefly of bowlers, but bowlers who are all of them good bats.

The Rovers suffered a second defeat on Monday, being left two runs in arrears after a very exciting finish with Mitchell Main. Hallam's re-appearance as Cleo Lane was a noteworthy one, for he took 8 wickets for 37 runs. The pitch was in a greasy condition, the wicket-keepers drying the surface, and probably it was scarcely dry enough to get such a bating side out for 76, looked to be a very poor performance. But the Rovers found out the value of that score when they went to the wicket. Hallam and Hallam were out almost before the score had been opened. Seymour and Smith, however, defied the bowling for a time, and A. Johnson settled down to such a laudable, patient and thorough defence that victory seemed certain.

Then Holmes got on the wicket, and the large body of spectators, including a number who had come over with the visiting team entitled down to the enjoyment of a grand and exciting struggle. There was some feeling shown when Johnson was given out b.w. After this there was more than excitement. Barker and Bradshaw were in for the last wicket, and three runs only were required when Barker was given run out. I was not present myself, and would not therefore express an opinion, but I am told that the umpire had a very lively time of it when he reached the pavilion.

The Schoolboys are already producing some remarkable results. E. Fields of Edward-street is far from the honour of the individual effort in all local cricket so far this season. Playing against St. Mary's he took 8 wickets for 6 runs, and going in first for his side he made 64 (not out) out of 105 for 2 wickets. There was nothing in this part of the country during the week-end which could compare with this individual triumph.

Mace, of Woolsey-street—can this be our international school footballer—took six wickets against Barcroft-school, and followed this up with 8 for 10 against Wellingborough. I have often wondered whether the senior clubs keep a watch over the promising boys with a view to bringing them out into the best local cricket.

On Saturday Kirtton played their first home match when they entertained Scunthorpe. Kirtton being successful in the toss, Scunthorpe batted first, and were dispensed with for 67 runs, while Kirtton made 85 for five wickets. The highest scores were:—Scunthorpe: Osborn, 12; and W. Holmes, 22. For Kirtton the captain (Mr. E. E. Dockering, senior) made 19, Mr. G. Dawson 26 (not out), and Mr. R. J. Broadbent 18.

The South Ferriby Cricket Club, after being defunct for a couple of years has been reorganized, and a strong list of fixtures arranged. Several young players show promise of becoming useful cricketers. Most of the old hands are available.

Edward Street's opening match proved a variable triumph for Ernest Hulds, who scored 65 runs out of 103 without being dislodged, whilst he followed up this performance by taking 8 wickets for 6 runs, this including the "bat trick." Hulds batted well for his 18 runs, his partnership with Fields resulting in 72 runs being added for the second wicket. This augurs well for a successful season for Edward Street.

All other events of Saturday will pale into insignificance by the side of the meeting, on the Cleo Lane ground, of the Rovers and Grimsby Town. It is the first time the teams have met for some years, and during that period there has been a great deal of rivalry between the supporters of the two clubs as to which is the better. On paper the Rovers are in my opinion decidedly the better side, but against this is the fact that they have never yet beaten the Town, if my memory serves me right, and their record for the present season is a disappointing one. The Town are likely to prove weak in attack, for if Shuckell plays he can scarcely be at his best, as he has not yet played this season. On the other hand the Rovers are now a strong bowling side. Every man in the team can bat, but so far this season they have failed to prove their abilities.

The Town Club is strong where the Rovers are weak, viz. in patient defence. On a bad wicket there are several instances in the Town eleven who may be relied upon to offer a decent opposition, notably Wrigglesworth, Goudie, Horn, Wrigglesworth, Casbourne and Wood are all painstaking batsmen, and the team has really one little Shuckell. Of the other bowlers the few who are available for their free hitting, and so far all have left there has been no one to reinforce and by his skillful work spoil the bowling, and pave the way for the remainder of the team. Whatever may be the result it is only necessary for the weather to be fine in order to secure a record attendance.

LINCOLN GAZETTE: SATURDAY 21 MAY 1910-2.

The beginning of this week and the end of last week furnished abundance of interesting and exciting battles on the local pitches, and considering that it was really the opening of the cricket season, some good form was shown.

Of course the "tit-bit" of the holiday programme was the County match, but notwithstanding this enticing fixture, local clubs were fairly well patronised.

Church House had a rather strong team out against Ruston's, and they beat the Cup-winners of last season rather comfortably. The inclusion of Stokton and Lawson in the Church House side adds a great deal to the batting strength of the side.

Another surprise was the defeat of the sides of Mr. Richard Whilton's Cup, for St. Andrew's had to acknowledge the superiority of Stamp End, and lost their First League engagements.

To-day eleven of the League teams will be engaged, and again there ought to be some interesting cricket.

To-day's list reads as under:—

LINCOLN AND DISTRICT SATURDAY LEAGUE.

DIVISION A.

- Ruston's v. Stamp End.
Glo's Works v. Church House.
Institutional Club v. St. Andrew's Institute.
DIVISION B.
Ruston v. North Hykeham.
Recinabites v. Saxilby.
M.C.L. v. High Street Wesley.
DIVISION C.
Neasham v. St. Botolph's.
DIVISION D.
All Saints v. Portland Place.
Technical School v. Reepham.
DIVISION E.
Stamp End Res. v. Ruston's Res.
Church House Res. v. Glo's Works Res.

CLUB MATCHES.

- Saxilby v. Grantham.
High Street v. Ansthorpe.
Stamp End Res. v. Lindum Res.
High Street Wesley v. Waddington.
Institutional Club v. Recinabites Res.

GRANTHAM JOURNAL: SATURDAY 4 JUNE 1910-2.

New Somersby v. Carlton Senior.—Played on the Coddington ground, on Saturday, but, unfortunately, rain prevented anything like a finish, only seven batsmen of the Carlton team getting to the wicket. CRICKET NOTES.

By "Cover-Point."

St. Andrew's on Saturday lost to their Victims in the Cup Final last August, for the Ruston eleven proved a good deal too strong for the holders of Mr. Whitton's trophy and carried off the points by a margin of four wickets.

I am told that the Saints never looked like winning and that their visitors always had the game well in hand carrying off the honours confidently and readily making somewhat light of the task set them when taking second turn at the crease, they started to bat.

Up to date, therefore, St. Andrew's have lost to Stamp End and Ruston and beaten only the Constitutional Club eleven. This form is certainly not good enough to enable them to retain possession of that dainty trophy.

We shall this afternoon have an opportunity of seeing what they can do with the ex-holders, for they are due to meet the Globe Works team on the Sicil Bank. The encounter ought to be worth watching.

The Works club have successfully climbed both the stiles asked of them this season, having defeated Church House and Constitutional Club.

Church House beat Ruston; Ruston defeated St. Andrew's, and Globe Works got the best of Church House. What are the chances of St Andrew's? It is an interesting proposition which will be settled during the course of this afternoon.

I must congratulate local players that on Saturday they stuck to their guns well and the fact that, in spite of the rain and the unpleasant conditions prevailing, and only two of the League games were abandoned as draws.

It shows an enthusiastic spirit when cricketers are willing to face elements like those of Saturday, for there was sufficient excuse for packing up bats and balls and seeking the shelter of home.

There is another full League programme this afternoon for there are eleven matches to be decided and spectators will find plenty to interest them on the various pitches.

There was some slashing batting on the Lindum last Saturday, for both the Lindum and the Sleaford batsmen were in great form. It was particularly pleasing to note that young W. Rose has apparently brought out his true form, for he played pretty cricket for his 62 runs.

To-day the Lindum have a local engagement on St Giles' Avenue, for Stamp End are the visitors. Away Market Rasen are to be met and a strong side has undertaken the journey.

Saturday's League games resulted as follows:-

DIVISION A

St. Andrew's 96, Ruston 98 (for 6 wkt.)

DIVISION B

St. Catherine's 56, Albion 73.

North Hykeham 55, Sleaford 72.

DIVISION D

DIVISION E

Church House Res. 130 (for 9 wkt.), Stamp End Res. 31.

The Stamp End v. Church House and St. Faith's v. All Saints games in Divisions A. and B. respectively, were abandoned as draws, rain interfering with the play.

GRANTHAM CRICKET WEEK.

[By "RAREFIES."]

Quite an institution of late years has Grantham Cricket Week become, and while so attractive a list of fixtures can be obtained as we have had this season, it is fair to suppose that it will remain with us. That our important master ruling all such events has caused great concern to the Committee, for Cricket Week and wet weather have an association in the minds of all who have been privileged to follow closely the fortunes of the Grantham C.C., and it is somewhat singular that in spite of changes of dates the rain will make its presence felt. This year the first whole week in July was fixed upon, and the usual showers have prevailed.

Monday's match was devoted to the King's School and Grantham eleven, and this afforded a complete victory for Grantham. Gibson bowled with splendid effect in the School innings, taking no less than eight of the wickets for 22 runs in the first innings. Thomas and Cannell, two of Grantham's prominent players, showed excellent cricket. On Grantham going in to bat the School score was passed before the fall of the fourth wicket, and no less than seven of the batsmen out of eight at the wickets made double-figure scores. The second innings resulted in about the same total, and Grantham therefore obtained a single-innings victory. Details:-

Tuesday morning found Grantham opposed to a really strong side got together by Captain Ellison, of Elm House. The Captain had this season become more closely identified with the Club, having developed into quite an active member, and giving his very generous support. The visitors included three names associated with Essex and Hertfordshire cricket—the Gibsons; A. L. Ashwell and C. Cursham, the Notts. Amateurs, several of Leicestershire's most prominent amateurs, and others. The weather at the opening was dull, but fine. Grantham batted first, but not a great start was made, for at 10 Wilkinson was out, and at 28 the Rev. Goldsmith was "yorked." The partnership of Thompson and Cannell was more productive, 63 being the score when the latter was out to a very smart one-handed catch high up, by Peacock. By good cricket, rendered the more attractive by the extremely smart rendering of the eleven, the figures were taken to 87 before the fourth wicket fell (Winn), two runs later saw the dismissal of the Grantham captain, who had played excellent cricket for his forty-two, five boundaries being included in his hits, and bringing up his total for the two days to within one run of the century. Whited was out 1 b w 92, and Allen followed at 101, Gibson at 102, Key at 103, and Grinling, the last wicket, at 109—just right for the interval for the most excellent luncheon which Captain Ellison had provided for the teams and officials. Ashwell had bowled delightfully, and here again was an eight-wicket bowler, at a cost of 34 runs only.

Early on in the innings of the visiting team the course of run-getting proved an even more difficult task than before. The first wicket fell at 7, a smart piece of work behind the wicket by Allen dismissed A. Gibson at 12. English and A. L. Gibson followed at 34, Phillips was out to a nice catch by Appley at 37, a fine 6 hit by Peacock helped to work the figures up to 54 before the next capture, K. Gibson (who played a most useful innings), Lane departed at 76, G. M. Peacock, who made some size hits in his 25, followed at the same total. Captain Ellison and Ashwell ran the score to 88, before the latter was out to a catch in the slips by Key, and thus there were nine wickets down. The tenth gave the home little excitement, for Mr. Ashwell was in good run-getting form, and gradually the score crept to the century, and it was only when within 6 runs of the requisite number to tie that the end came, the eagerness to draw level causing an attempt for a 2 when I would have paid over so much better. There seemed some little doubt about the "run-out" decision, but the umpire was decisive enough. Thus Captain Ellison's team were 6 runs down on the first innings. A second innings was then essayed, and when 106 had been scored, for the loss of four wickets, the Grantham captain "declared," and thus left a sporting Ashwell well in sight. In this second attempt Appley made a fine stand and scored freely where occasion offered; the Rev. Goldsmith also met with greater success, while Whited hit around splendidly. Captain Ellison's team made no secret of their "movements," they were going for the 113 runs required to win. True, only about an hour was left to do it in, but

The Grantham C. C. had arranged a dance and concert for the evening, but just previous to the time for commencement, rain commenced to fall, and developed into a steady downpour. Hornsby's Prize Band had been engaged, and indeed played a tune or two, but dancing was out of the question, and they had to desist. A few good supporters having put in an appearance, it was decided not to abandon the programme altogether, but a move was made to the marques, and quite an enjoyable little concert was held. Songs were very kindly rendered by Miss Lily Peal, Miss Green, Mr. Matt, Broughton, and Mr. E. Perry, and the vote of thanks, proposed at the close by Mr. Thompson, to the singers and to the accompanist, Mr. S. T. Roberts, was very cordially endorsed by all present. Under the prevailing conditions it was extremely kind of those down on the programme to fulfil their parts, and, in spite of the rain, the function was, from a social point of view at least, a success. The dance arranged for Tuesday and Wednesday evenings had to be abandoned on account of the rain.

The weather yesterday morning was again of a most unpropitious character, a steady drizzle prevailing. At the time appointed for play it was decided, if the conditions at all improved, to commence the match after an early lunch, and, while the rest of the day the clouds were threatening, and the temperature more like chill October, the rain held off, and at 1.50 the first pair of M.C.C. batsmen went to the wickets. At 10 the Notts. player, Turner, was out, and then ensued a big stand by Hardstaff and J. G. Smith. No less than 117 runs were added before the partnership could be broken, the amateur going than out to a good catch by Thomas, after a briefly-played 61. With varying success the visitors each had a turn at the wickets, and the Grantham bowlers had the pleasure, before "time," of capturing all but one of the wickets, and it is a matter for speculation how long that one really would keep them going! Batting practically all the time, and giving but one chance (when he had made 17; what a pity, from a Grantham point of view, that the catch was not taken!) Hardstaff batted with all that strength of wrist and the making of opportunities we know he is capable of. The Loudon-road ground suits him, but I doubt if he has ever made more here than he did yesterday, his total being 144 not out. His other bats were two 6's and sixteen 4's, and it was an all-round vigorous display. The aggregate of the side was 234, compiled in less than three-and-a-half hours, so the fielders had not an idle time! Gibson was the most effective bowler, and much praise is due to him for the capture of seven such wickets. As the time for drawing stumps was well in sight on the fall of the M.C.C. last wicket, it was decided to close down for the day. There is thus a full programme in front of us to-day (weather permitting); and while the figures facing the local team are somewhat formidable, they do not constitute a record, and what can be done on a Friday ought to be possible of imitation on a Saturday! Wickets are pitched to-day at 11.30. Details of yesterday's play:-

The Grantham and District team is as follows:-The Rev. E. J. Goldsmith, W. E. Thompson, F. S. Cannell, W. H. Wilkinson, W. W. Winn, T. Head, W. B. Thomas, A. E. Gibson, Appley, W. Whited, and Allen.

the score shows how very nearly succeeded. At one part of the game, it almost looked as if Grantham were going to get the eleven out, for about the middle of the innings saw two splendid catches in the outfield dismiss English and A. L. Gibson, with successive deliveries, but better stands followed, and when time was called the visitors were seven runs in arrear. It was thus a really "fine" finish. During the afternoon, Captain and Mrs. Ellison entertained to tea a large number of friends, there being one of the most numerous and most fashionable gatherings we remember to have seen at a cricket match in Grantham. The fine string band of the Lincolnshire Imperial Yeomanry played a number of selections very charmingly, and, the day being quite fine, the cricket good, and with an interesting finish, the event ranks as quite one of the best of the season, for which thanks are due to Captain and Mrs. Ellison for the fixture, and for the completeness of all details making for the general enjoyment. The Normandy Park Club made a splendid start in the cricket week. Mr Davy, for the first match, had got a strong team out, including C G Pilkington, our-time Bex captain and old Oxford Blues. The Park route 23, Kell and Sutton putting on 75 for the first wicket before Kell was caught on the boundary. Sutton topped the half century, and C Sutton, Neelthorpe and S Foster followed his example. Notwithstanding the heavy scoring Stevens had six wickets for 55. Mr Davy's team had three hours in which to bat, and lost the first two wickets cheaply but Gracie and Stevens made a prolonged stay, account being drawn when six wickets were down for 126.

On Tuesday the Park beat Mr W. Waddingham's team by two wickets. The losers scored 191, the chief scorers being E. Abramson 61, E. K. Ducker 49, and F. A. Talbot 21. For Normans Park D. C. Fildington made 34, H. G. Atkinson Clark 30 and S. Foster 28 not out, the total being 192 for eight wickets.

The Amateurs opened their week with at Louth P. F. Haas playing a fine innings of 52, and receiving splendid support from T. Cartlill, Collyridge and Bacon, dismissed Louth for 39.

HALLAM'S WONDERFUL WORK.
The Kovars had a merry time of it at Beverley on Monday. They were in Bank Holiday mood, and after dismissing Beverley for 55, up np 208 for six wickets. The match was a splendid testimonial to Hallam, Viard had started by hitting a six of six balls, followed by a three out, after that no Beverley man took liberties, and Hallam finished up with six wickets for 34. The Boro's did not make a very good start, losing the first wicket with 9 runs on, but A. Johnstone and Forster carried the score to 43. Hallam got completely master of the bowling, and before time was out had made his century, scoring 107 not out. He hit well all round the wicket, and his forcing strokes on the off-side were splendidly timed.

Whilst at the wicket, H. J. Williams scored 107 out of 165, helping to carry the score to 208 for six wickets. His innings included two sixes, 11 fours, four threes, eight twos, and 23 singles. Barker was also responsible for a remarkable bowling feat. Going out with six wickets down for 51, he took three of the remaining wickets in less than two overs without a run being scored off him.

SCHOOL CRICKET.
It's a vic-or-on a team, representing the Rest of
Gumtree, the Edenvaleites, Royal C.C., have con-
cluded an extraordinarily successful cricket season,
for they are in a position to claim the honour of being
the Champion School team of Gumtree. Out of a huge
programme of 19 matches, defeat was only encountered
upon two occasions, one of these being when adminis-
tered by the powerful Queen's Walk School, Nostell-
bam. As far as pre-school matches are concerned 112
victories were gained as against one defeat and one
tie. This princely record has been mainly brought
about by the fact that each boy has had the success-
of his Club at heart, and throughout all the games
the "team spirit" has been admirable. The
prize for individual performances must be awarded
to Ernest Field, for both in batting and bowling
he has performed yeoman service. He has
twice accomplished the "hat trick" whilst the scores
of 85 (not out) against St. Mary's stands as a fresh
record for his school. Slight, Witty, Sodali and
Macshall have been prominent with the bat, while
Whitby and Edmonds have bowled skilfully. A word
of praise must be given to the whole eleven for their
work in the field, for this factor has greatly contributed
to the success of the side. The averages for the
season are as follows: -

LINCOLN GAZETTE SATURDAY 6 AUGUST 1910-3

The conclusion of the Lincoln Festival was nothing less than a week's capital sport, and it came to a climax which was well worth seeing. Towards the finish every ball was watched with the greatest anticipation, and when eventually, with only a couple of minutes to go, Llewellyn made his winning hit for Lord Londesborough's XI., the unanimous appreciation of a great, sporting audience, was tremendously applauded.

An analysis of Llewellyn's great innings of 101, not out, shows that he hit 25 fours, two threes, three twos, thirteen ones, and twenty-one singles. His most punishing over was one at Wells-Cole, in which the two hits out of the ground were inclined, and which in all cost 18 runs! This figure will give an idea of the rate at which the Hampshire man scored.

It was a great performance leading to a great victory, and it was also one which delighted Lord Londesborough, who, by the way, has, I am told, promised to bring a side to Lincoln every year. That is good news, and the fixture will be eagerly looked forward to, for his Lordship always does these things well.

The first innings details were published in the "Gazette" last week. Those of the second innings are given below:—

The Borough Police with Brock gained a very easy victory over the Doncaster Police on the Littlefield Lane ground on Wednesday. Doncaster lost five wickets for 13, but eventually reached 49. This was due chiefly to Brock, who took six wickets for 13. Stamps also bowled well, taking three wickets for 23. Wilkins and Stamps put on 16 for the first Grimsby wicket, and than Wilkins and Stamps made sure of victory before the latter retired with 25 runs to his credit. Four wickets had gone, including the retirement of Stamps, when stamps were drawn, and the total was 77. Wilkins being still not out with 27 runs.

Caistor came over to Grimsby and played the Rovers II on Wednesday. They picked up two Grimsby players in Newson and Headland, the latter coming from Leiston, and Hancock saved his side from a heavy defeat. He made 71 out of 122 by good batting, and with the exception of Morris and Headland, no one was found to yield him much help. Woodward, being very destructive with the ball, The Rovers were left with only an hour and ten minutes in which to beat a total of 122, and the fact that they came within five runs of doing it speaks volumes for the way they hit out. Forster, A. Johnson, F. Gifford and Bell all reached double figures, and the Rovers are only four behind with six wickets in hand when stamps were drawn.

F. Hawson was referred to last Tuesday as making 52 against the East Hull Primitives. Yesterday he made 50, and then retired unbeaten for North Thoresby against his own club. I take it that this again is our veteran postman friend.

WEBSLEY-STREET SCHOOL CRICKET.

The above school have again had a very successful cricket season. In all fifteen matches have been played of which thirteen have been won and only two lost. The losses were both against Edward-street and by the narrow margin of one run and two runs. The victories have been obtained against St John's twice, Holme Hill twice, St Mary's twice, Welholme twice, Barcroft-street twice, Ellistown-street twice and Corporation Grammar School once. In all 87 runs have been scored against 270. The century has been passed on three occasions, the victories being St Mary's twice and the Corporation Grammar School. In no fewer than 10 out of the 15 matches have opponents been dismissed for less than 20 runs, the smallest score being six which both St John's and St Mary's obtained whilst the Grammar School and Holme Hill ran very close, being dismissed for seven and nine runs respectively. The highest score against was 41 obtained by Edward-street.

The batting has been of a very high standard generally rather than one or two players far out-standing the others. To Harry Thoma belongs the honour of scoring the most runs (123) though Stanley Mace is not far behind with 107. The highest individual score was 44 obtained by Mace against St Mary's. That the players all round have batted well is shown by the fact that 8 boys have scored a total of over 60 runs each, whilst 13 have reached double figures in all innings. The bowling honours easily belong to Stanley Mace and James Sampson, who have with two exceptions bowled unchanged throughout the matches. Both have been remarkably successful, Mace taking 81 wickets at the small cost of 1.3 runs each and Sampson 64 wickets at 1.8 runs.

The finding has been very keen throughout and has consequently helped the bowling to be so successful. Special praise must be given to Barber and Thomas for their brilliant catches, the former having 16 and the latter 15 catches to their credit. Appended are the full results—

GRANTHAM JOURNAL: SATURDAY 13 AUGUST 1910-2.

GRANTHAM G.N.R. v. DONCASTER G.N.R.—Played at Grantham on Saturday, the Grantham team winning by an innings and 22 runs. This was in great measure due to the fine bowling of Woolhouse, who altogether took nine wickets for 20 runs, while Frenchworth collected eight for 31. Score:—Doncaster: Burrow c Woolhouse b Frenchworth 0; Stacey c Hudson b Woolhouse 2; Adams c Frenchworth 5; Adams b Frenchworth 0, c Frenchworth 4; Watson run out 0, c Woodnate b Woolhouse 0; Whittle b Frenchworth 7, b Frenchworth 2; Taylor run out 1, c Green b Woolhouse 2; Corbett c Town scur. b Frenchworth 2, b Woolhouse 0; Jude c Green b Frenchworth 2, not out 10; Hodson c Woodnate b Frenchworth 0, run out 0; Turner not out 2, b Woolhouse 4; Shriever b Woolhouse 0, c Town b Woolhouse 1; extras 0-4; total, 16-30. HARTRIDGE TENTERDEN v. GRANTHAM A.U.C.E.—Played on Thursday, on the London-road ground, and resulted in a victory for the former. The batting and bowling of the A.U.C.E. were very weak. For the winners, A. Crowson and H. Coldron were deadly with the ball, the former taking 5 wickets for 7 runs and H. Coldron 5 for 3; the latter also gave an excellent display of hitting for 45 not out. Score:—Grantham A.U.C.E.: R. Osborne, Coldron 1, A. Walford b Coldron 0, C. Spark c Coldron 0, F. GRANTHAM LICENSED VICTUALERS v. BARRINGAY.—Played on Thursday last, at Barrowby, the villagers being victorious. Mr. W. V. Newton, 60, some years ago, was a prominent member of the cricket club, and he himself still wears the bat with great effect, scoring 80, and being not out. But for this score, the total of Barrowby would have been somewhat small, the bowling of Fred Smith accounting for seven of them. The scoring of the Grantham team was more even, but they lost. SPALDING CRICKET CLUB.

The Season's Work.

Spalding Cricket Club finished their season proper with their cricket week, although it is possible another match may be arranged. Below we give a review of the season's work. The summary of results for the past four years is as under:-

Year.	P	W	D	L	A b'd.
1907	22	10	4	7	1
1908	19	13	1	4	1
1909	18	9	2	7	0
1910	14	6	1	6	1

6 wins: Peterboro' (twice), Sleaford, Mr. V. S. F. Crawford's Leicestershire XI, Boston, Moulton.
6 losses: Peterboro', Lincoln Lindum, Boston, Notts, Rainhiers, Druids, Grimsby Rovers.
1 drawn: Peterboro'.
1 abandoned (through rain): August Nomads.

In comparing the present season with past years, one cannot but come to the conclusion that it has not been the success that could have been wished. Whilst in 1907 twenty-two matches were played, in 1908 19, and 1909 18, this year only 14 have been brought off. The gradual decrease is disappointing, to say the least of it. It is true that eighteen matches were arranged, but the difficulty of raising a team has made itself evident. The matches scratched were, Moulton, Sleaford, Holbeach (twice), and Lincoln Lindum, and an addition to the original programme was the two days' game with Mr. V. S. F. Crawford's Leicestershire XI. This season, too, is the first for some time when the wigs are not predominant.

Where is the team weakest? In the bowling, undoubtedly. There is very great need for good bowlers, and the absence from the team of members of the trundling fraternity is severely felt. Without Mr. Salaman, Mr. Worman, and Mr. Cooke, the team would be absolutely at sea. Mr. Worman, owing to his scholastic duties, has only been included in the team a comparatively few times, and it has been found necessary on more than one occasion to rely upon the assistance of an outside bowler. Yes, it is an unquestionable fact that it is here that the Spalding eleven is weak, and it is to be hoped that before another season recruits may be found for this department.

As stated, too, it has been difficult at times to raise a representative team, there being no reserve eleven to fall back upon. This is to be regretted. The absence of the second eleven is by reason of the unwise decision of the annual meeting to raise the member's fee to a somewhat prohibitive price, at a time when the membership was declining. It was, as we remarked at the time, a case of killing the hen which laid the golden eggs.

The biggest defeat during the whole of the season was inflicted by Lincoln Lindum, when an absurdly weak team was sent to oppose them. Spalding scored 81 runs and Lincoln replied with 213 for 6 wickets. This was not the biggest score of the year, but it was the most severe defeat. The Druids scored more runs, viz. 273 for 7 wickets, but then Spalding made 125.

There have been no centuries scored during the year, and this is somewhat unusual. The nearest approach to the 100 was 96 by J. A. Osgerby against Peterboro', whilst J. N. Worman compiled 83 and carried his bat out against Grimsby Rovers in the last match of the season, and E. T. Cooke comes next with 77.

Spalding's highest score was 218 for the loss of 6 wickets against Peterboro', and next comes 215, also against the Peterborians.

The best bowling performance was by Mr. Cooke, 4 for 19 against Sleaford, and it was in this match that the lowest score was made, viz. 51. Mr. Worman has shown considerable skill with the ball, and Mr. Salaman makes a good change bowler.

The results of the various matches are:

May 21.—v. Peterboro' (away).—Spalding 57; Peterboro' 61. Lost by 4 runs.

June 9.—v. Lincoln Lindum (a).—Spalding 61, Lincoln 213 for 6 wks.; Lost by 4 wickets and 132 runs.

June 11.—v. Boston (a).—Boston 123, Spalding 75. Lost by 46 runs.

June 18.—v. Peterboro' (home).—Spalding 218 for 5 wickets, innings declared closed; Peterboro' 100. Won by 118 runs.

June 23.—v. Notts. Ramblers (h).—Spalding 46, Notts. Ramblers 186. Lost by 140 runs. Spalding went in a second time and made 175 for 5.

June 25.—v. Sleaford (h).—Spalding 180 for 7, loss, dec. closed; Sleaford 51. Won by 129 runs.

June 27 and 28.—v. Mr. V. S. F. Crawford's Leicestershire XI. (h).—Spalding 101 and 93, Crawford's XI. 66 and 104. Won by 21 runs.

The Rovers complete their first eleven fixtures on Saturday with a day match against Holbever. The Holbever Club are this year running strong for the Derbyshire League Championship, in fact I believe the championship rests upon one match. The Rovers, who will be captained by G. Johnson, have not quite decided their team against the visitors, but it will be as strong as possible. It will include E. Johnson (capt), J. A. Brooke, E. Barker, E. Forster, H. Fytche, E. Hallam, A. Johnson, R. Richardson, S. Seymour, J. Smith and another. Wicksteed will be pitched at 12 noon.

I mentioned last week that the gate in the County match at Grimsby was insured against rain. It is pleasant to record the fact that this was done through the foresight of Mr. Bentan, the local hon. secretary. The insurance was effected with Mr. G. A. Belbin, of Sheffield, Lloyd's Agent, to cover local expenses.

CRICKET NOTES.

By "Cover-Point."

Local cricketers suffered a keen disappointment last Saturday, when the rain prevented a start being made in the final for Mr. Richard Whitton's Cup on the Lindum ground. They will, however, have had a further week of anticipation and the appetite will be therefore all the more keen for the engagement to-day. The wickets are to be pitched at 2 o'clock, and let us hope the weather is more kindly than a week ago.

The season is fast waning and there is little left in local circles to decide. On the whole it has been an enjoyable season and if it has seen some ups and downs amongst the various clubs we have nevertheless had a right good time. Those of us who play football as well as cricket will perhaps welcome the change once more.

An interesting fixture this week has been the game at Sleaford between Sleaford and District and Lord Londesborough's XI. The even was quite a social function, and the details of the game were as under:

The Rovers Last Match.

By "BAILEY."

HALLAM'S HAT TRICK.

The Rovers concluded another successful season with a win over Bolsover, a Derbyshire League team of some reputation in their district. The display of the visitors in the batting department was very disappointing, for Brooke and Hallam dismissed them for 32. The curious part of it was that although Hallam got 8 wickets for 19 runs and made the ball "talk" a good deal, he did not really bowl well. Some of it was very loose stuff, indeed. It was the ground that beat the batsmen mostly, as none of them could time the ball at all. Still the fact remains he got the wickets and accomplished the hat trick. With Brooke he bowled throughout the innings unchanged, and the respective analyses read:-

	O.	M.	R.	W.
Brooke	9.3	5	10	4
Hallam	8	1	19	6

ROVERS' TAIL WAGS.

When the Rovers, who took advantage of winning the toss, and batted first on a dead wicket, lost 4 wickets for 1, their supporters thought they were in for a bad time, but Brooke set a fine example by hitting 4 fours, and all the other batsmen made useful contributions to the score, Fytche being top scorer with 20. The last-named, however, gave a difficult caught and bowled chance off a full ball. Topley showed his hand quite a lot of runs left in him yet, and was very unfortunate in being run out. Point stopped the ball with his foot, and the ball bounding clean into his hand, enabled him to return it very quickly. Barker also batted well after a shaky start, but he was badly missed by the wicket keeper a little before he was bowled. For Bolsover Charlesworth took 4 wickets for 36, A. Slater 3 for 29, Prince 1 for 23, and Harrison 1 for 17.

BOLSOVER'S PROCESSION.

The Bolsover innings was simply a procession after Young, who has made some big scores this season, spooned one up to mid-on. Three wickets fell with the score at 17, Seymour bringing off a smart catch at mid-on in dislodging Charlesworth. Barker then hit out and brought the score to 29 for 5 wickets, but the rest fell for the addition of three runs. J. Smith and Seymour each secured two catches. The batsmen were simply all at sea, and it was funny to see Sykes, who went in first, miss five out of six balls he received from Hallam. With the ball beating batsmen and wicketkeeper time after time and just missing the mark, it looked like that of Saturday, hardly a fair test of the merits of the teams, but there is none the less credit due to the Rovers for all that.

ROVERS' RECORD FOR THE SEASON.

This season the Rovers have played 15 matches, won 11, lost 2, and drawn 2. The defeats were administered by Creaswell and Mitchell Main, but the last-named can scarcely be recorded as a defeat, unless it is counted as a defeat by Mitchell Main's umpire. The following are the batting and bowling averages of the team.

LINCOLN LEADER: SATURDAY 10 SEPTEMBER 1910-2

LINCOLN LINLUM C.C.

A Good Season's Work.

The Lincoln Linlum C.C. concluded on Saturday what has been a very successful season's work, during which they played 10 day matches and 38 half-day matches. Of the former four were won, two lost, and four drawn, while of the Saturday afternoon games the Linlumites won 13. Nine were lost, and eleven ended without any definite decision. Amongst the batsmen appearing in the day matches E. Pallein easily heads the list with a remarkable season's work. He played seven innings and scored 418 runs, his most productive effort being that at Skegness on Aug. 27th, when he scored 136. He also contributed a century (130 not out) against the M.C.C. in the festival week, and his total of runs for the season in day matches was 418, his average being 69.66. The only other batsmen to reach the century in the full day engagements was the Rev. C. J. Ward, who made 114 against the Old Rossallians, and Day tops the bowling averages amongst the Linlum members with 45 wickets at an average of 9.44 runs. With regard to the Saturday afternoon games, the lead amongst the batsmen is taken by E. E. Williams, who scored 299 runs in ten innings, being four times not out, and having an average of 49.88. Century honours lay exclusively with Lieut. V. de Hoghton, who scored 100 not out, on one occasion. R. Whitton, junr., heads the list of bowlers with an average of 9.33 for nine wickets, but he is closely run by the professional, who, of course, did a good deal more trundling, and took 64 wickets at an average cost of 10.14 runs. The season will be memorable for the extremely exciting wind up of the Week, when Llewellyn (the Hampshire pro.) gave a magnificent exposition of hitting which enabled Lord Londesborough's XI. to defeat the Linlum in a close finish right on time. The averages of the principal batsmen and bowlers read as under:-

Seniors' Averages.

The Sleaford Club has not done quite so well this season, having played 30 matches, won 11, lost 11, and drawn 8. Heading the batting averages is H. A. Bratley with 20.11, while A. E. Gibson leads the bowlers with 9.26, though he sent down more than double the number of overs of any other bowler. Result of the season's play:-

GRANTHAM JOURNAL: SATURDAY 17 SEPTEMBER 1910 - 1.

GRANTHAM CRICKET CLUB.

A SPLENDID SEASON.

[By "Rexman".]

In spite of the fact that the weather of 1910 has not been at all favourable to the game of cricket, the statistics concerning the matches played by the Grantham Club come out splendidly, and the members can point with pride to the excellent all-round character of the figures, which, of late years at all events have not been surpassed. To win 15 matches out of 36 played is, considering the strength of the opposing teams, exceedingly satisfactory, and in most cases, the 11 drawn games were going favourably for Grantham. But, better still, several of the matches lost were amongst the best things Grantham have ever done, the Grantham captain having more than once declared and given opponents a sporting chance to win, thereby gaining much in reputation while, perhaps, losing just a little ground in figures. For the sake of the good-old game of cricket, one can never regret this course; the game is all the brighter for it, and good sportsmanship comes far before the piling up of names under the head of wins. Seldom in a season have we had so many fine finishes, and one may claim that on no field in the country does one get better or more sporting Club cricket than on the London-road ground. Seven times have Grantham teams scored over 200, but in this respect opponents have done better, having reached the double century eleven times. But what a record Grantham have in these big innings—261 for 3 wickets; 237 for 1; 222 for 7; 220 for 0; 204 for 8; in all these four cases 1,154 for 19 wickets! Of course, the Peterborough performance stands out as quite the best. Mr. Thompson declaiming when 250 had been registered, with no wicket down, himself having made 163 and the Rev. E. J. Goldsmith 52. I have referred more than once to the splendid stand made by these two gentlemen, but a review of the past season would not be complete without honourable mention being accorded them. Here is their record of four partnerships:—

	June	June	July	July
	2nd	23rd	16th	27th
Mr. W. E. Thompson ..	141	107	180*	67
Rev. E. J. Goldsmith ..	63	55*	92*	101*

Can this be equalled hereabouts, I wonder? Of individual performances, the following big innings may be of interest:—W. E. Thompson—141, 107, 74*, 57, 150*, 104*, 57; the Rev. E. J. Goldsmith—53, 63, 55, 92*, 101*, 61; T. Hedworth—55, 62, 78; F. S. Cannell—73*; R. Mann—68. The Grantham C.C. has had many useful members to draw upon for matches, and, with batsmen like the above included in the team, one may always look for a fairly respectable score, no matter how good the bowling may be in opposition. As regards bowlers, Grantham also have been fortunate this season, for the average runs obtained per wicket by opponents is less than usual. Appleby has been of the greatest possible service in both batting and bowling, his figures in the latter department including 6 wickets for 7 runs, 4 for 9, 2 for 4, 5 for 2, and 3 for 11; his total of 53 wickets captured in the highest since 1884. The season in which Middlemiss (that excellent professional) assumed 101 wickets, in the year previous, Middlemiss took 72 wickets but, as far as I can find, Appleby's is the record for an amateur's bowling for very many years. Hedworth had on one match 7 for 44. Hilesen has included—5 for 12, and 5 for 43; but of all the bowling feats his 4 for 32 against Notts' Forest a fortnight ago (referred to in my notes last week) is one of the best things he has ever done, or is likely to accomplish. W. E. Thompson 4 for 15, 5 for 13, 2 for 7; V. Dove 4 for 19, 3 for 15, 6 for 52; R. Walby 3 for 9; Stuart 4 for 41; and Gibson 8 for 22, and 7 for 45, are other good figures. Only first team members are under notice, and in nearly every instance the batting in opposition was distinctly good. Of catchers made Alieu stands first with 16, Appleby next with 13 (3 in one match), Rev. E. J. Goldsmith 4, Dove 1, and Head 6. Alieu also stamped out 12 opponents, and the popular "Jim" has had, to all, a very good season. The following tables will best convey the tremendous amount of cricket got through by the first eleven:—

GRANTHAM JOURNAL: SATURDAY 17 SEPTEMBER 1910-2

SPORTS AND PASTIMES.

CRICKET.

Eastwood had their revenge in full measure last Saturday. It may be remembered that in the first match of the season, at Grantham, the Eastwoodians had a strong team, including Burrows, of Worcestershire, and several other "class" men, but Grantham won, by six wickets. At Eastwood, on Saturday, however, there was a full and complete change in the figures, for Eastwood won by 5 wickets and 166 runs! Being the first and last fixture, Grantham catch it a bit "hotter" than most opposing teams, for while the County are in full swing several of the Eastwood players are out on engagements, but the two matches named fall before and after the serious cricket, and thus it is that they are so strong.

Batting first, and with a team not only short in numbers, but weak, Grantham faced ill against the fine bowling, the whole side being out for 83. The start was most disastrous, for the first ball of the match saw the Grantham captain "wicketed." This was particularly hard luck, for "W. E." had hitherto gone through this long and busy season without a "duck." Hillson went in first wicket down, and played a really superb innings, carrying out his bat for 41, which, against such expert bowling, was a well-earned lot. Heald and Baines managed to reach double figures, but it was a struggle to get runs for all except Hillson, and at 86 the innings was over.

Strong in bowling, the few Eastwood players who got to the crease proved themselves equally capable with the bat, and the great total of 250 was raised, with only five men out, when time brought the "leather hunting" to a close. Details:—

NORMANDY PARK CRICKET CLUB.

The officials of this club have every reason to congratulate themselves on the merits of the past season. Although stronger teams have been arranged with than in previous seasons, on the whole the season was a most successful one. The feature was the cricket week, which provided some excellent sport for players and spectators. The number of matches arranged was a record on all previous occasions, but, unfortunately, several fixtures had to be cancelled owing to unforeseen circumstances.

Matches Played 19, Won 19, Lost 12, Drawn 8.
