

The Coming Cricket Season.

HITCHIN C. C.

A. Stephen, formerly of Ashwell and last season at Chatteris, will assist the Hitchin club this summer, and his presence is likely to prove of great benefit to the eleven. Its supporters, however, will be sorry to hear that K. C. Grellet's services will not often be available, this fine all-round cricketer and late captain of the club having, we are informed, accepted an appointment as coach at the Oval. Otherwise the eleven will be very much the same as in 1910, when the club enjoyed a very fair measure of success. The engagements for the season seem likely to provide a good deal of interest, but it unfortunately happens that there will be no home match between July 1 and August 7, owing to a succession of away engagements occurring in the former month. The county match on the 13th and 14th will to some extent compensate for this long break, but not entirely. Some very strong clubs will be encountered during the season, as the appended fixture-list shows:—

NORTH HERTS. AND DISTRICT CRICKET LEAGUE.

The League programme will be shorter this year by 26 matches, consequent upon the number of the clubs taking part being reduced from eight to seven. In other words, each club will play 12 games instead of 14, as before. The reduction in the membership is to be regretted, because as it stood before it was none too large; one sometimes felt that interest in the League would be enhanced by increasing the number to nine or ten. We do not know whether the replacement of only one of the two clubs who dropped out is in accordance with the views of the executive—some slight curtailment of expenses will, of course, result from the reduced number—or whether there was only one suitable applicant for inclusion in the League. In place of Biggleswade and Henlow, we shall now see Hitchin St. Mary's C.C. taking part in the competition for the challenge shield. The present holders of this trophy, it need scarcely be said, are the Baldock club, who last season won their way to the position twice previously occupied by Biggleswade. The other former members of the League still competing are Hitchin Blue Cross Brigade, Ashwell, Arlesey, Stevenage E.S.A., and Stotfold. The champions are among the four clubs which start their League fixtures on the first Saturday in May; thus their admirers will early have an opportunity of ascertaining their "form" and their chance of retaining the shield. Hitchin St. Mary's, the newcomers, do not enter the field before May 20; it is understood that they will have a useful side. We are glad to hear that the League executive has quite a long list of neutral umpires who will officiate this summer, so there is a good prospect of the campaign being gone through without disputes due to allegations of partial and inefficient umpiring.

THREE COUNTIES ASYLUM C. C.

The Asylum eleven have arranged a strong fixture list for the coming season, which opens there on May 6. Dr. Fuller, the medical superintendent, will captain the team on all possible occasions, and is expected to prove a very useful all-round cricketer. The other new players of whom much is expected are Dr. R. B. Hull, good both as batsman and bowler; and S. F. Briester, a good medium-paced bowler and very good bat. Most of the old hands are available—including Dr. J. P. Dixon, Mr. H. F. Lester, the brothers Woodhouse, Saunders, Webb, Buckley, Hutcheon, and Robinson. Childs, the old wicket-keeper, will, it is feared, not be able to play as he suffers from gout and rheumatism of the hands, but it is quite likely a younger player will be engaged in his place. The matches with Letchworth, Arlesey and the Banks start at 2-15 p.m., the rest are full-day matches.

HITCHIN CHURCH ADULT CLASS C. C.

This club has arranged for 1911 a list of fixtures which recalls the palmy days of its youth, when—we are speaking of a time from twenty to twenty-five years ago—it numbered in its eleven some of the best cricket talent in the district. It plays a large proportion of its matches away, in which respect it is an exception to the vast majority of clubs. Perhaps the lack of a good and convenient ground is responsible; or the cause may be a preference for outings. It is, in any event, a fortunate club whose members are prepared to play 13 out matches and only five at home.

ST. ALBANS v. NORTH LONDON.

Played at Clarence Park on Saturday, and resulted in a draw. North London batted first, and lost their first wicket before any runs were scored. Forty-five were on the board before Kemp and Samuels were parted, and the stand for the fourth wicket between Kemp and Nicholson put on 165 runs, both batsmen scoring very freely. Watts also batted well for his 32 not out. With the score at 201 for seven the innings was declared closed. Hosier and Rabone opened for St. Albans and put together 19 before Hosier, who shaped very well, was caught in the slips. Lisimore gave some assistance to Rabone, the third wicket putting on 42 runs. With the score at 77 for three wickets stumps were drawn, leaving the game a draw. Rabone again batted well and confidently. For St. Albans, Lisimore took six wickets for 56, bowling extremely well, and Baum one for 11. Scores:—

ANGULOA v. ROYAL GARDENS (KEW).

Played at St. Albans on Saturday, and won by Angoula by 66 runs. Angoula's bowlers again proved too strong for their opponents. W. Faulkner taking five wickets for 6 runs and G. Wilders (sen.) five for 11, on a good hard wicket, the whole team being dismissed for 23. This number was knocked off for the loss of one wicket by Angoula, their total eventually reaching 87. W. PORTEES PARK v. A. E. STODDART'S XI.

Played at Porters Park on Saturday, Porters Park winning by 25 runs. This match provided a very good and sporting game. A. E. Stoddart won the toss, but put Porters in to bat. E. G. Raphael and R. E. Foster opened the innings to the bowling of R. Boucher and W. Hearne. Runs were difficult to get, both bowlers keeping an excellent length and varying their pace and spin. R. E. Foster showed a few nice strokes before being caught off a bats hit in the long field. Eventually the side were all out for a very good score considering the tricky wicket. The start of the visitors' innings was very sensational. R. E. Foster and Miller had charge of the bowling and in the first over sent down by the former, he secured two wickets for no runs, the second one being that of W. J. Abel of Surrey. Miller also had a wicket in his initial over, so that three good wickets were down for no runs. In his second and third overs, Miller bowled Spring (also of Surrey) and R. B. Schofield, which meant five for 12. M. J. Susskind and E. S. Snell improved matters a little, the former laying on the wood severely. W. Hearne and Doe put on 23 for the ninth wicket, but the best partnership was between Hearne and A. E. Stoddart who put on 45 before Hearne was bowled for a well-played 45. In his score of 22 not out, A. E. Stoddart showed some strokes on the off side. Miller took six wickets for 32 runs. Foster three for 58, and O. C. Raphael one for 9. Scores:—

BUCKNALLS v. BUSHEY.

Bucknalls defeated Bushey on Saturday by 76 runs. Bushey, who were weakened by the absence of Golding, faced moderately against the bowling of E. J. Bull and W. Welsh. The only bright piece of batting occurred late in the innings, when G. H. Hawthorn, Mitchell, opening for a W. Fellowes, carried the score to 54 before they were parted. W. Welsh only stayed while 11 were added, but with J. Roffe in the visitors' list was passed, and the score taken to 116 before another wicket fell. The latter batsmen followed the policy of getting runs or getting out, and took many risks. Fellowes, who was extremely unlucky to miss his century hit, in his 93, one six and 11 fours, and J. Roffe's 50 included 10 fours. Scores:—

HILL END v. ST. ALBANS 2ND XI.

Played at Hill End on Saturday, and resulted in an easy win for St. Albans. St. Albans batted first on a treacherous wicket, and did very well under the circumstances. George and Alderton batted in good style, the former putting a lot of power into some very good on drives. The innings closed for 123. Hill End at no time seemed likely to get a large score, and were lucky to get as many as they did against the extremely good bowling of Morrison and Spicer. The latter accomplished a very fine performance, taking eight wickets for 29. Morrison had very hard luck, scoring 57 for five wickets. The original bowlers did not go on; Jenkinson took one for 19. Alderton one for 2; George one for 3, and Hardy one for 8. Scores:—

NOTES.

Both League matches on Saturday were interesting, and one especially so, no doubt, to the friends of Hitchin Blue Cross Brigade, because its result places the club at the head of the table for the first time this season. Although beaten by Baldock, Hitchin St. Mary's are still relatively ~~not~~ best off to the leaders, having two games ~~in~~ hand as compared with Arlesey and Stevenage E. S. A. and being but one point behind them. The Brigade's victims were Ashwell, who after a promising start at Stevenage, have lost four matches in succession, three on their own ground. One point for five games is a very poor record for a club which in previous seasons has finished well up in the table. On the other hand, the champions, who began by losing three games off the reel, have won three and drawn one of their five subsequent engagements, and on recent form must be considered as well in the running for this year's honours.

The champions' form against Hitchin St. Mary's was convincing enough to satisfy their most exacting critic-friend. The vigour with which the fall of their eleven wickets doubtless reflects the players' thankfulness at not having H. Williams bowling against them; but the visiting eleven was by no means a weak one, and the winners are entitled to credit for the big margin of 102 runs in their favour. Although Warren batted well for 31, the earlier part of the Baldock innings gave no promise of producing more than an ordinary total, the wickets up to the seventh falling respectively at 21, 27, 41, 55, 64, 75 and 75. Then Scoot and Gill added 24 runs, nearly all of which were made by the former; and after the ninth wicket had fallen at 106, Gill hit out lustily with Pettengell as his partner. The stand for the last wicket produced no fewer than 59 runs, which, speaking from memory, we should say creates a League record.

White and Haughton appear to have been kept on much too long, for while the former secured only one wicket for 58 runs and the latter one for 28, other of the St. Mary's bowlers had excellent figures: for example, Stevens, who before being taken off bowled fourteen overs and took four wickets for 27 runs. That the visitors could ill afford to give anything away by poor use of their bowling strength was speedily seen after their own innings began. Gage and Allen scored 26 for the first wicket, but once Baldock had separated this pair their task was easy in the extreme. Slater and King stayed awhile and increased the score by 14, but each of the other wickets fell without appreciable addition to the total. Gentle and Dodkin dismissed nine men between them, one left-hander claiming five victims for 23 runs and the other four for 17—both excellent records.

In his innings of 31 (scored out of 41 during his brief stay at the wicket) Warren hit one 6 and five 4's. Gill also hit a 6 and eight 4's were included in his total of 48. The latter player hit 14 off one over of White's. The Baldock fielding was keen and good. The visitors very nearly succeeded in drawing the game, less than five minutes' time remaining when Reeve, going on a second time at Dodkin's end, bowled Slater with his second ball.

The game at Ashwell produced no individual batting performance of exceptional merit. Four of the Brigade team and two of the home side made double figures, and M. Foster's 18 for the former was the highest effort in run-getting. But it did produce one remarkable bowling feat, this being E. A. Moss's of capturing nine wickets in the Brigade's innings. It was really unkind of his captain, going on to bowl late in

the innings, should have got the ninth wicket and so robbed the slow bowler of the honour of taking all ten. Bailey's intervention, however, was brought about by a seventh wicket stand during which the total of the home side was passed. The tail-end of the Brigade eleven was the more successful, as in the case before instanced, and it was mainly the result of a last-wicket stand by Basterfield and Anderson which raised the visitors' majority to the respectable figure of 57. Moss's nine wickets cost 45 runs, and his feat has, we believe, only once been equalled since the League was formed.

Games between Hitchin and Luton are usually productive of big scores, and Saturday's meeting of the clubs proved no exception. An individual three-figure innings made the batting on both sides notable. The Luton "centurion" was A. E. Durrant, who made 101 not out, hitting thirteen 4's in the process. The home captain closed the innings with the total 291 for four wickets, but if hope was entertained that the visitors would be got out in the couple of hours or so remaining it was quickly dispelled. Woodhouse and Stephen scored 44 for the first wicket, and although Hull once again failed to get into double figures for Hitchin, he stayed while 23 runs were added. Cox, for the most part looking on while Stephen sent the score along, left at 106, and a longer partnership between the latter and Williams succeeded. Sixty-four were put on for the fourth wicket, which was the last the Luton bowlers captured, Stephen and Brown playing out time and raising the Hitchin total to 216. The result was thus a very even draw.

Stephen, who had had very bad luck hitherto with his new club, had a chance to show his real ability against Luton and he took full advantage of it. His innings was a fine all-round exhibition of batting, and it was one of the most opportune of his many big scores. But for his success, the visitors, with a weak tail, would have been hard pressed to save the game. They felt the absence of their usual wicketkeeper rather severely, as many as five balls going to the boundary for 4 byes. In Stephen's 108 the chief hits were one 5, twelve 4's, three 3's, and eight 2's. There was some free hitting in the Luton innings by Brown and Ball, each of whom got eight 4's.

One is hardly ever tired of hearing of the doings of the grand old men of cricket, and we feel sure our readers will be much interested by the information to which this remark is the prelude. Against Napsbury Asylum for St. Albans last Saturday W. T. Westell played a splendid innings of 67. He has only failed to obtain double figures on two occasions this season. He will be 60 years of age in December. St. Albans Cricket Club, we are told, was the first club of which any record exists in the history of the game. It has been founded nearly 250 years, and Mr. Westell's father, himself, and his son (W. P. Westell, of Letchworth) have all been secretary of the club. "W. T." commenced playing for St. Albans 1st XI when he was 15 and made 56 against Cambridge Victoria on Bernard's Heath, the old county ground and scene of some of the greatest cricketing triumphs in Hertfordshire. It was on this ground, also, that he scored 188 against Essex. When 18 years old he was first bowled for the county. He then bowled very fast, and the present headmaster of Uppingham School, the Rev. Harry Mackenzie, was wicket-keeper. He was coach for some years at Winchester and Bedford Grammar School, and among others whom he coached was E. H. D. Sewall, who played such a fine innings for the M. C. C. at Lords a few weeks ago.

William Westell, the veteran "W.T.'s" father, was one of three brothers, sons of William Westell, of Oxford, who migrated to St. Albans. Joseph and Thomas were good cricketers. The last-named was the county and a first-class umpire for many years. But William was easily the best cricketer of the three brothers mentioned. He was considered by competent critics to be one of the straightest bowlers in England and was never known to bowl a wide! In the early sixties, playing on the old Etou and Middlesex ground at Primrose Hill, he bowled five men out in six balls, and the ball is now in the possession of the family, suitably inscribed. William Westell played against All England on the old Verulam Cricket Club's ground at St. Albans, and distinguished himself by taking all ten wickets in the second innings of England. He was not a great batsman, but possessed a sound defence.

While able to spare but little time from his engrossing work as author-naturalist to the national pastime, W. Percival Westell, of Letchworth, is a not unworthy successor to these cricketing giants of other days. On July 1 he played a capital innings against St. Ippolyts for the Garden City club. He made only 18 (the top score), but rescued the side from a breakdown. Again, on July 5, he saved the Wednesday XI against Shillington. Shillington

batted first and made 50. Churcher and Westell opened the innings for Letchworth and made 36 for the first wicket. On Churcher's dismissal a regular procession ensued, until seven wickets were down for 46. Westell still plodded on, and eventually carried his bat right through the innings, scoring 42 out of a total of 70.

In the matches with Norfolk and Cambridgeshire next week the Hertfordshire eleven will probably be:—H. M. Hartford (captain), the Rev. F. R. Bonsey, J. N. Cowley, E. H. Cuthbertson, G. E. Dumbleton, W. H. Marsh, C. H. Titchmarsh, Burton, Coleman, Golding and Sheldford.

Holdstock was away through illness, and did not bat in the second innings of Bedfordshire on Saturday, when the home county gained their second victory of the season over Hertfordshire.

In the match between the Stevenage club and Mr. Berger's XI a ball was knocked 47 yards. Litchfield was bowling at the time. This probably constitutes a local record. The nearest remembered approach to this on the Stevenage club ground is A. A. James's feat of some years ago, the distance in that instance being 42 yards.

The annual Cricket Week at the Hertfordshire County Ground, Clarence Park, St. Albans, commenced on Monday with a one-day match, Herts Club and Ground v. Aldenham School. Batting first, the home team ran up the respectable total of 281 for six wickets, when they declared. Owing mainly to a fine partnership between H. A. Rogers and R. A. Law, the School replied with 193 for six wickets, the match being left drawn. Scores—

PORTERS PARK v. MR. LIDDERDALE XI.

This match played at Porters Park on Saturday, resulted in an easy win for Porters by 16 runs and five wickets. Mr. Lidderdale was the less, and commenced with Bannister and Gillett. The former showed some bright cricket in his 48, and was ably assisted by Sheriff for the second wicket, the pair adding 75 runs. The remaining batsmen failed with the exception of Bruce Hall, who hit a vigorous 22. The total reached 129. Montgomery was in capital form with the ball, his five wickets being obtained at a cost of 44 runs. Clavell took two for 53, and Wells one for 17. Montgomery and Grundy opened the innings for Porters, but the latter was bowled with the total at 15. Wells joined Montgomery, and the pair settled down to a fine exhibition of bat-ting. Scoring freely all round the wicket, they put on 127 before being separated, the winning hit being made in the meantime. Time was called with the score standing at 208 for five wickets. Scores—

This match was played at Rickmansworth on Wednesday, and attracted a good number of spectators. The home team batted first, and made 102 runs, but it was disappointing to find both Dr. Clarke and Jearrad not included in the team, as they have recently proved themselves the heavy wickets of the home club. Astill secured nine wickets for 61 runs. M.C.C., who had East (Northants), Astill (Leicesters), and Russell (Essex), proved themselves too much for the local club, their total score showing 224 runs for nine wickets. M.C.C. were only playing ten men. Parker took six of the nine wickets for 82 runs. Scores—

Played at Brookmans on Saturday, resulting in an even draw. For Brookmans Wood, Haynes and Roddick played well, the first-named expen- sioning very hard luck in not reaching his cen- tury. Field a lad of 15, took four wickets for 50, and Shelford four for 175. For Stevenage, Shelford batted superbly for 59 not out. He gave but one chance, and that was of being run out, though there were several risky hits in the slips. E. A. Asten combed 45, but he was badly let off when A. Elliott batted well for 21. Our Prize Cricket Bats.

The time has now arrived when the entries for our Prize Bats Competition must close, and several enquiries, not entries, are coming to hand. We would remind secretaries of Cricket Clubs that all clubs who intend to compete must notify us of the fact at once. We will postpone the closing date to August 15th. All entries arriving after that date will be disqualified. For the benefit of those who may have failed to see the conditions decided upon at the meeting of Club representatives, in June, when previously published, we reproduce them here:—

1. That bats be awarded for improvement in cricket play.
2. That the competition be confined to the County of Hertford.
3. That the age limit for competitors be 25 years on October 1st.
4. Every club wishing to enter the competition shall send in its name to the Editor of the "Herts Advertiser" before July 31st.
5. That the competition be controlled by a committee consisting of one representative of each competing club, with the Editor of the "Herts Advertiser" and four co-opted members.
6. That each competing club be allowed to nominate not more than three players for the competition in one season.
7. That the performances of the competitors must be forwarded to the Editor of the "Herts Advertiser" not later than October 15th.
8. That non-compliance with any of the above conditions shall disqualify a competing club.
9. That the decisions of the Committee shall be final.

OUR PRIZE BATS.
TO THE EDITORS.

SIR.—Many thanks for the splendid bat which you have just presented me with. Sorry I shall not be able to use it this season, but hope to make a good average with it next. Wishing you and your paper every success yours, etc.,

J. E. CLARK.

ST. ALBANS CITY POLICE v. BEDS COUNTY POLICE.

One of the best matches in the programme of the St. Albans City Police Cricket Club is the whole-day contest with Bedfordshire County Police. The game on Monday at Clarence Park was no exception to the rule, for the cricket was bright throughout, and the duties of host were once again admirably carried out by Councillor S. Eyder, who entertained the teams to a sumptuous lunch and tea in the pavilion.

St. Albans won the match by the big margin of an innings and 54 runs, and the contest may quite appropriately be called Ward's match, for he had a wonderful share in the success of his side. In the first innings he bowled with deadly accuracy, and secured this remarkable average—7.4 overs, 2 maidens, 8 runs, 5 wickets. All his victims were bowled. Upon St. Albans taking their innings, Ward levied heavy toll on the Bedford bowlers. Going in at the fall of the second wicket, when the total was 21, he laid about the attack with such vigour that he scored 76 out of 97 added for the third wicket ere he was dismissed. His 76 included one 6, one 5, twelve 4's, and only one single. With the score at 203 for six, the St. Albans captain applied the closure, and Bedford went in with a heavy task of getting 164 to reverse the innings' defeat. Ward and Sampson again opened the bowling, and as no changes were made, this pair had the distinction of bowling unchanged through both innings. In the whole match Ward came out with the analysis of eleven wickets for 48, and Sampson took nine for 78. Scores:—

PORTERS PARK v. HEETS CLUB AND GROUND.

This match, on Friday, provided the most sporting game played at Porters Park this season. The chief feature was the mastery of the bowlers over the batsmen on both sides. Porters won the toss, and commenced with Montgomery and Grady. Runs were hard to get, and with the score at 19 Montgomery was well taken in the slips. Wickets fell quickly, five being down for 38. Grady alone had been playing with a confidence, and on being joined by Fall a useful stand was made. The last three wickets fell for no runs, and the innings closed for a total of 86. Marsh and Burton bowled for the visitors, and divided the wickets. Hard as Porters had found it to make runs, Dr. Nunn and Wood, who opened for the Club and Ground, found it still harder, occupying three-quarters of an hour in scoring 13 runs before Wood was bowled. Runs afterwards came steadily until 55 were on the board for three wickets. After that wickets fell rapidly. Montgomery was put on a second time, and bowling an accurate length, secured the last five wickets for 7 runs, four being clean bowled. It was chiefly to this fine piece of bowling that Porters owed their success. On going in a second time, Porters' batsmen scored very freely. Wells in particular being very aggressive and scoring a splendid 99 not out. Scores:—

GREVILLE v. ST. ALBANS 2nd XI.

St. Albans 2nd XI. lost rather badly on Saturday to Greville at Clarkswood. St. Albans, who had one or two regular men away, won the toss and batted first on a pitch which was always rather treacherous. Disaster came early, Norman being bowled with only 3 on the board. Nobody offered much opposition to the bowling until Louton came in; he played very steadily at first, but he had no support. Morrison hit a couple of 4's before he jumped in front of the wicket to a straight one. Hardy and Louton managed to add 27 for the eighth wicket in about a quarter of an hour, and for the last wicket Markham scored 11 before Louton was bowled for a very useful 27. The St. Albans men adopted the wrong tactics in playing too cautiously on a ground with very sharp boundaries, for only on one or two occasions was the scorers at all fast. Greville went in with a fairly easy task before them, opposed to the bowling of Morrison and Alderton. Morrison got a couple of wickets early on, but runs began to come quickly, so a double change was tried, Hardy and Jenkinson going on to bowl. The former was successful with his second ball, getting Williams caught. After two more wickets had fallen, Morrison took the ball again from Jenkinson and was immediately successful, though the St. Albans score was passed with seven wickets down. Monkknitt began to hit very hard, and the last three wickets fell to Hardy, going on instead of Morrison. For Greville, both Jennings bowled well, and for St. Albans, Hardy took five wickets for 47, Morrison four for 58, and Jenkinson one for 16. Scores:—

LUTON BOROUGH POLICE v. ST. ALBANS CITY POLICE.

This match was played at Wardown on Thursday, and resulted in a draw very much in favour of the visitors. The City Police, going to the wickets first, put together 176 runs, P.C. Ward being top scorer with 53. Only four of the Lutonians got into double figures, but Causebrook kept his end up splendidly, and receiving some assistance from two or three of the late-comers, played out time. Sampson and Ward bowled unchained for St. Albans, the former taking four wickets for 35 and the latter four for 50. Scores:—

Beautifully fine weather favoured the above match, which took place at Sandridge on Saturday. Angulo, taking first hit, ran up a total of 94. W. Burgoyne, W. Gott, F. Fisher, and G. Wilders, jun., being the chief contributors. F. Munt and Waller bowled throughout the innings, both keeping a good length. Sandridge did not start their innings too well, losing the first five batsmen for 29. Lawrence, however, hit hard, and quickly made 17 before he was beautifully taken by Burgoyne in the long field. The same batsman secured Waller's wicket with an equally good catch. Angulo eventually won by 19 runs. G. Wilders, sen., taking five wickets for 30 runs. The fielding on both sides was very good. In the end, Bucknalls came painfully near to defeat, as when stumps were drawn they were 17 runs behind with only one wicket in hand. For their score of 129, West Herts were chiefly indebted to E. S. Housebold, the county player, who cleverly compiled 61, in which were ten 4's. In bowling, E. J. Bell was the most successful with six wickets for 58; W. Welsh took three for 42, and W. PORTERS PARK v. ST. JOHN'S WOOD.

This match at Porters Park on Saturday, ended in an easy victory for Porters, who just doubled their opponents' score. Taking first knock, St. John's Wood put together a total of 104. This was chiefly due to Parslow (34) and Asher (25), who were the only two batsmen to show any resistance to the bowling. Porters entered on their tack with E. G. Raphael and R. A. Raphael. After the latter was dismissed, Montgomery joined the captain, and after a little over an hour's play, they succeeded in passing the visitors' total. After this they both retired, to give the other batsmen a chance of an innings. The innings realised 208 for nine, Wells not going to the wicket. For Porters Park, E. G. Raphael took five wickets for 38, Montgomery two for 16, and Wells one for 14. Scores:

POTTER'S BAR v. NORTHAW.

These teams met, by kind permission of the Rev. F. Hall, in the grounds of Northaw. Place on Saturday. Potter's Bar were successful in the spin of the coin, and taking first knock, compiled a total of 113. The batting, however, was very uneven, four men—twelve aside were played—getting all but 20 of the total. The best stand was made by G. Simcox and H. Joy, as coming together at 56, the pair carried the score to 97 ere a separate look place. Simcox notched 50 before giving a chance, but Joy should have been caught before he had scored. Northaw did very well to reply with 62, as they had some very good bowling and fielding to contend against. Denton, Loader, and Brittain did best, Loader being unfortunate enough to get his leg in front of a straight one just as he was getting set. For Potter's Bar, Gibbons took four wickets for 11 runs, and at one time he had four for none. Scores:

CLARENCE v. ST. ALBANS.

This match, played at Mill Hill on Saturday, resulted in an easy win for St. Albans. Clarence batted first and started badly, losing Neame—clean bowled by Hosier—before any score had been made. After this, however, things went well for them for some time, and they passed the 100 with only four wickets down. After the fifth wicket had fallen, however, at 104, the side collapsed badly, the last five wickets falling for the addition of only 24 runs. Bartlett batted very well for his 47. St. Albans made a fair start, Rabone and Hosier putting together 21 before the former was l.b.w. to Bartlett. The result of the game, however, was not long in doubt, for after Hosier had put the side in a fairly good position with a very nicely played 28, Westell, Batm, and Smith all put together good scores, and when stumps were drawn St. Albans were 27 ahead with five wickets in hand. For St. Albans, Westell took four wickets for 34, Rabone four for 36 and Hosier one for 22. Scores:—

ST. ALBANS 2ND XI. v. GREVILLE.

St. Albans 2nd XI. gave a really wretched display at Clarence Park on Saturday against Greville, showing deplorable weakness in every department of the game. Greville batted first, and should have lost a wicket from the first ball of the match, a fairly good batting, assisted greatly by bad fielding—including seven or eight missed catches—Greville compiled the respectable total of 137. For St. Albans, Spicer took five wickets for 43 runs, George three for 21, and London two for 23. The St. Albans innings was somewhat of a procession the first wicket falling at 11 and three more at 19. Morrison did best with a score of 14, while Kingham batted very pluckily at the end of the innings. The innings closed for 58, leaving St. Albans deservedly the losers by 79 runs. Scores:—

LEAVESDEN ASYLUM v. BUCKNALLS.

The unexpected happened at Leavesden on Saturday, the Asylum team beating their near neighbours by 33 runs. A total of 151 did not look to be beyond the power of the Bucknalls team, and with 26 on the board for only four wickets, "form" seemed likely to be vindicated. The "tail," however, refused to wag with its customary vigour, and Leavesden won a capital victory. Bowling for Bucknalls, E. J. Bull took four wickets for 89 runs, J. Roffe five for 25, and W. RICKMANSWORTH v. LANDERDALE.

This return match was played on the Rickmansworth Cricket Ground, on Saturday afternoon, before a good number of interested spectators. The visitors batted first, and with five wickets down, also had with a score of 243 runs. Shepherd gave a fine display for his innings of 90, as also did E. F. Arnold with 86 not out. The five wickets fell to Foster for 98 runs. Rickmansworth compiled a total score of 64 runs, exactly the reverse of the former match, when the visitors made 70 to the home team's 234 for 7 wickets. It should, however, be stated that the local club was without Dr. A. E. Clarke, E. Gillman, and J. E. S. Jearrad, the usual heavy scorers, also to whom the bowling largely depends. The only player to make double figures, on Saturday, for the homesters was W. S. Holland. Scores:—

KING'S LANGLEY v. HEMEL HEMPSTEAD.

King's Langley had an away match on Saturday, meeting the Hemel Hempstead team at Boxmoor, and were fortunate in making a draw. Hempstead, who had the services of Hilliard, their "pro," were the first to bat, and knocked up the respectable score of 180 runs, to which Hilliard contributed 79. King's Langley, who were again not at full strength, scored 125 for 9 wickets. Of this, A. H. Walker made 32 as the highest score. In the bowling, O. J. Butler took three wickets for 60 runs, B. W. Atkins three for 29, A. W. Atkins two for 58, and P. A. Butler two for 18. The match aroused considerable interest, and there was a large crowd on the Moor to witness the encounter.

PORTER'S PARK v. HENDON.

This match was played at Porter's Park, on Saturday. The scores in this game do not give a true idea of the run of the match. On a wicket which was fast and in favour of run-getting, Hendon scored 165, occupying the crease for 2½ hours in doing so. The batting was characterised by a stolid defence, Robinson in particular, batting with extreme care. Useful scores were made by Killick, Hearn, and Tonge, Porter's Park being left with 11 hours to make the runs, and realising the futility of a draw, set about the task in a sporting manner. Montgomery and Grundy opened the innings. The former dispatched the first three balls to the boundary. The next ball he was given out lbw, a very unfair decision and one which provoked a great deal of comment, even among the visitors. Grundy was playing finely until caught from a skier on the leg-side. The remaining batsmen all went in with the intention of making runs quickly, with the result that 140 were scored in just over an hour. In doing so the wickets were sacrificed, with the result that Porter's Park lost by 25 runs. Scores:—

ST. ALBANS v. ST. SAVIOUR'S.

At Clarence Park on Saturday, St. Saviour's managed to avenge their defeat sustaining a short time ago, by beating St. Albans after an interesting game by 22 runs. St. Saviour's batted first to the bowling of Hosier and Herring, the bowlers who wrought the havoc a fortnight ago. After a bad start, St. Saviour's progressed well for a little while, Burton and Bryant putting together 45 before they were separated, but after this wickets fell rather quickly until six were down for 71. They, however, Patric and Ashton, both batting very well, were together for a long time, and were not separated until they had added 54. The innings closed soon after for 142. St. Albans also started badly, losing two wickets very early, but Westall and Hosier, both batting carefully but quite freely, made the score look more respectable. Hosier was dismissed when he just seemed to be set, as has happened so many times this season. Two more wickets quickly fell, and then Faulkner stopped the rot with a well-played 24. After this, nobody except Jonkinson, who played very steadily, seemed likely to stay, and the innings closed for 110. For St. Albans, Herring scored five for 45, Westall three for 22, Hosier one for 23, and Spicer one for 27. For St. Saviour's, Burton took five for 38; Bryant two for 38 and Ashton three for 23. ST. ALBANS 2ND XI. v. APSLEY.

This match, played at Clarence Park on Saturday, was left drawn, rather in Apsley's favour. Apsley batted first, Bates and Horman opposing the bowling of Morrison and Hardy. The latter was successful in his first over, Horman being caught at the wicket with the score at 10. With Bates and Waddington together the score rose rapidly, necessitating a double bowling change George and Kingham going on. No wicket fell, however, until the telegraph board showed 97, when Waddington was bowled by London. Osborne stayed with Bates while 26 were added, and then succumbed to a ball which he turned into a yorker. Hughes did not stay long, but Warren played well and steadily, enabling Bates to reach his century. The latter seemed so overcome by the effort that he hit out wildly at the next ball and was clean bowled. The innings was then declared closed at the total of 180 runs for five. St. Albans were left with an hour and a half to try and get the runs. After a bad start—two wickets were down for 9 runs—some bright cricket followed, Morrison and Norman scoring very freely, especially the former. With London and Norman together the cricket was a little more sedate at first, but not for long, for London soon got going and scored well. With London and Hardy in partnership, the score continued to mount rapidly, but soon after the latter's departure stumps were drawn, with the score at 119 for six wickets, quite a respectable total even when compared with Apsley's large one. For St. Albans, Hardy and London were the only successful bowlers, taking three for 35 and two for 29 respectively. London's 43 was a very meritorious display, and constituted his highest innings for the season. Scores:—

WEST HERTS v. BERKHAMSTED.

West Herts played their last match of the season at Cassio-road on Saturday, when Berkhamsted were the visitors. The match resulting in a win for the home team by 44 runs. West Herts, who batted first, lost half their wickets for-41, but Household was in his best form. He went in first wicket down, and was ninth man-out for a splendid innings of 87, which included 13 fours. When the total had reached 72 he had scored more than half the runs. His partnership with Hudson raised the total to 93, and then Swain helped him to add 39 for the seventh wicket. When Crombie was in, Household gathered 19 out of the 20 put on before he was bowled by Sutton. The young County player was loudly applauded at the close of his innings. West Herts were all out for 157. A. G. Dwight secured seven wickets for 26, Sutton two for 42, and Cowley three for 37. Berkhamsted did not make a very promising start, as they lost Sanders at 10 and Cowley 19 runs later. A good stand, however, was then made by A. G. Dwight and Bishopp, and before the former was out to a good catch by Bentley the total had been raised to 71. Household then took the ball from Hudson, and his slow leg-breaks were the means of bringing about the dismissal of the next three men—A. G. Dwight, Bishopp, and Stephens—for an additional six runs. In his fourth over he took two wickets with successive balls. Sutton and Flowers carried the total to 88 before the first-named was out to a smart catch by Norman, and the eighth wicket fell at 106, at which total Newbury displaced Horton, and with his first ball bowled Flowers and with the third beat Jackson. Hudson finished off the innings for 113 by getting Hixon caught at the wicket. Household came out with the best analysis for West Herts, securing four wickets for 30, but he was closely followed by Newbury with three for 25. Hudson captured two for 26, and Horton one for 17. Bishop's Stortford v. Sawbridgeworth.

The Bishop's Stortford Club concluded the season on Saturday with a match against Sawbridgeworth, and won the engagement by 154 runs. For the losers Boatman (not out) 15 and Prior 10 were the best, but none were able to stand against the bowling of Curgenven, who took seven wickets for 25 runs, and Leighton, who was responsible for three for 25. The Stortford innings was notable for the admirable batting of Brace, who was not out 99. It was unfortunate that he did not complete his century, the last two wickets falling without his having the opportunity. Score:—

Licensed Victuallers v. Butchers.

The Licensed Victuallers and Butchers of Bishop's Stortford and District played their annual match on the Town Ground, Bishop's Stortford, on Monday afternoon, it being arranged that the proceeds should be handed to Curgenven, the Bishop's Stortford professional, as a slight recognition of his excellent services to local cricket during the past season. A lowering sky and intermittent showers somewhat interfered with the attendance, but those who put in an appearance witnessed an enjoyable game, which, if not brilliant, was at any rate at times amusing. The Licensed Victuallers won the toss, Drage and Marsh opening play very promisingly, the score standing at 13 before a ball from Cunningham found the latter's stumps. The next wicket fell without any addition, and the third was claimed at 19. J. Brazier, besides making a useful score, provided amusement for the spectators by his exhortations to his partners to "run" anything and everything. Two or three times he was himself nearly the victim, but saved himself by falling inside the crease. Billyer, who was one of those associated with him, was not so fortunate, however, for following his confrere's call he failed to reach the goal in time. A very useful stand was made by Brace, and the Publicans retired with 96 to their credit. The Butchers made a disastrous start and but for Kettley and Stone would have had a sorry figure. The bowling of Phelan and Drage was too much for them, the last named performing the "hat trick." Score:—

Elsenham v. Mr H. Starling's XI.

Played at Elsenham on Saturday. The visitors batted first, and, in spite of some good bowling by C. Dixon, put together 127. H. Dixon and A. F. Beadle batted extremely well. Elsenham, who were rather poorly represented, began badly, and were all out in about an hour for 53. The bowling of A. F. Beadle and Tyrrell, and the excellent wicket-keeping of H. G. Beadle, accounted for the small total. Score:—

CRICKET NOTES & NEWS.

BERKHAMSTED v. KINGS LANGLEY.

Although the attendance on the Town Ground on Saturday last, the occasion of Mr. George Pocock's benefit, was not large, it is gratifying to report that the appeal for the veteran groundsman was well supported by followers of the Berkhamsted Club and those interested in cricket. The match was between Berkhamsted and Kings Langley, and it resulted in a win for the former by the capital margin of 22 runs and 6 wickets. For the Town, Messrs. H. F. Sanders and A. Butler opened the batting, but the brilliant Hempstedian was almost immediately dismissed by a catch made by Butler when he had only placed five runs to his credit. Butler then became associated with Captain Wilson and in his company succeeded in knocking up 39 runs when he was bowled by E. Bliss; Wilson afterwards was defeated by the same bowler for 22 runs. T. F. Waddington was then at the wicket and remained in till the close, accounting for 46 not out of the Town's total of 164. E. A. Sutton, with Waddington, gave the brilliant victory to the town when he was caught by Ridgway for 39 runs, and his brother, W. H. Sutton, was bowled for 8 when time was declared. This left the following to bat: Messrs. T. F. Dwight, A. G. Stevens, C. Joint, A. J. Higson, B. G. H. Tutt. Kings Langley made an excellent start with B. W. Atkins, who compiled the total of 42 before being caught by Tutt; E. Bliss within ten minutes had made 22, when he was unfortunately run out, and P. Butler came next in order, batting well before being bowled for 19. Sanders, bowling for the Town, was well in evidence during the Langleyites term and 6 wickets were placed to his credit. The scores were as follows:—

CRICKET NOTES & NEWS.

KINGS LANGLEY v. ABBOTS LANGLEY.

Kings Langley played off their last fixture of the season on Saturday, meeting Abbots Langley on their own ground. Considerable local interest was aroused. The day being an ideal one for the game led to a good number of spectators being present. As usual, when these teams meet, the game was one of intense interest, and the visitors gave a good account of themselves, setting the score of 172 for the loss of eight wickets before they declared, Abbots Langley following on realized only 63 runs for the loss of six wickets when time was called, the game ending in a highly favourable draw for Kings Langley. A. G. Ridgway was at his best and scored 40 runs, as was also Reg Warren with 42, both junior members of the team, who deserve the highest praise. J. W. Whitehead for 51 not out is also to be congratulated. For Abbots Langley H. J. Pusey made 14, and C. H. Allen 33. In the bowling J. W. Whitehead, for the visitors, took three wickets for 6 runs.
