MINOR COUNTIES' CHAMPIONSHIP.

BUCKS v. CARMARTHEN.

A CENTURY BY N. D. C. Ross.

This match was played on the Slough ground on Friday and Saturday, G. Fisher, the groundon Friday and Saturday, G. Fisher, the ground-man, providing another splendid wicket. Bucks made two alterations from the team which did so badly against Kent Second, W. L. Jackson, of Wycombe, and N. D. C. Ross, of Slough, taking the places of C. H. Alison and H. Jennison. Carmarthen also had two changes from the side which Berks beat at Reading by over an inning on the previous Reading by over an innings on the previous day, C. S. Trubshaw and S. Mills coming in for P. Rees and Soar. W.B. Franklin captained the Bucks eleven, and beat C. P. Lewis in the toss, the Carmarthen captain having failed to call correctly once this season. Dr. E. Weaver-Adams and W. L. Jackson gave Bucks a good start by putting on 68 for the first wicket. Dr. Adams was then caught at mid-off, having made 33 of the total. Two runs later E. J. Leat was out to another smart catch by Lewis as mid-off, but on N. D. C. Ross joining Jackson a prolonged stand was made, and 100 appeared as a result of 67 minutes play. At the luncheon interval Ross and Jackson were still together, the total being 181 for 2. Jackson had made 73 and Ross 59. Jackson completed his 50 in an hour and 20 minuses, and 150 appeared on the telegraph after an hour and a haif's play. After the luncheon interval runs continued to come treely, and 200 were obtained in just two hours.
At 217 Jackson's fine innings was ended by Mills securing him off Trubshaw. He had obtained 86 runs by stylish cricket, and played all the bowling with confidence. While showing a stubborn defence he his any loose balls with great vigour. He was at the wickets two hours and five minutes, his figures including ten 4's and five 3's. With P. W. Le Gros as a partner Ross completed his century with a fine cut, the score being 249. He had been a fine cut, the score being 249. He had been batting an hour and 38 minutes. Three bundred was signalled when the innings had lasted three hours and three-quarters, but at 314 Ross was secured in the long field. He had been at the wickets just over two hours for 144, and had sent the ball to the boundary twenty-five times. Although giving three chances he obtained his runs by hitting freely and confidently. A run later Le Gros left, and half the side was out for 315. T. R. Kens, B. H. G. Shaw, and P. L. Frith all helped the total along, and M. Wright and W. B. Franklin were together when the 400 went up after three and a haif hours play. At the tea interval they had each made 28, and the Bucks innings was declared closed with the score 435 for 8 wickets. After their long day in the field Carmarthen gave a weak batting display. H. S. Lockyer and H. Howell put on 36 for the second wicket, and Davies (W.) and E. Gee also reached double figures, but when samps also reached double figures, but when stumps were drawn eight men were out for 82. Dr. Adams' lobs puzzled the batsmen greatly, while Wright kept a spiendid length. On Saturday morning W. B. Franklin, the Bucks captain and wicket-keeper, was unable to play owing to illness, and B. H. G. Shaw, the younger brother of the Mariborough captain, son of the celebrated "E.D.," kept wicket, H. G. Hogarth fielding as substitute. Carmarthen falled to increase their overnight total, Dr. Adams dismissing S. Mills and J. R. Melhuish with successive balls. J. T. Davies and H. Howell batted well in the visitors' second venture, and the last wicket made an unexpected stand, but the innings closed at 3 o'clock for 158, leaving Bucks victorious by an innings and 195 runs. Bucks failed to win a match last season, but this year they had innings and 195 runs. Bucks failed to win a match last season, but this year they had already secured three points for leading Monmouthshire on the first innings. Both these successes were obtained on the Slough dround. ground. Full score :

CARMARTHENSHIRE V. BUCKINGHAM-

CARMARTHENSHIRE, v. BUCKINGHAM-SHIRE.

It was apparent when Carmarthen-shire went on with their second innings against Buckinghamshire at Slough on Saturday that they were in for a heavy beating. Still, they did much better than in the first innings, but the home bowling was too good for a team fatigued by beary continuous matches, and Bucks won by an innings and 150 runs. Hugh Howell and J. T. Davies played well for Carmathenshire in their second, innings. Scores:—

CARMARTHEN'S BAD TIME.

Continuing their English toor, Carmarthenshire had a tiring day in the field against Bucklaghaushire at Slough on Friday, Bucks sent up their first 50 after thirty five minutes play, but at 68 Adams was finely caught at mid-off by C. P. Lewis. Two runs later Loafell to another splendid catch by Lewis. Ross was missed off Mills when 55, and the 109 went up. Jackson gave three chances in making his score of 86, and after bis dismissal Ross radhed the century. Despite the intense, heat, Carmarthen fielded well, but Ross was achiome to all the bowling, and scored with great freedom. He was caught at the wicket after a stay of two hours, for 144. Holland, one of the umpires, was overcome by the heat, and retired, and during the tax interval Bucks declared, with the fotal of 326 for eight.

Carmarthenshire gave a poor batting display, and sectoed quite worn out after their long day in the field and the hard gaues of the week. Two or three of the side were suffering from injuries, and C. P. Lewis was very lame. The one redeeming feature was the stand made by W. Davies and Gee, who put on 30 rons.

It was apparent when Carmarthenshire went on with their second innings against Buckinghamshire at Stough on Saturday that they were in for a heavy beating. Still, that they were in for a heavy beating. Still, the field mad it is have played well for Carmarthenshire in their second innings, against Buckinghamshire at Stough on Saturday that they were in for a heavy beating. Still, that they were in for a heavy beating. Still, that they were in for a heavy beating. Still, that they were in for a heavy beating. Still, that they were in for a heavy beating. Still, that they were in for a heavy beating. Still the Bucks work by an intillige and 153 true. H. Howell and J. T. Bavies played well for Carmarthenshire, in their second innings.

THE M.C.C.'s TEAM FOR AUSTRALIA.

Vine having accepted the invitation to visit Australia, the English team is now complete and is as follows:-

Mr. P. F. Warner (Middlesex) (captain)
Mr. F. R. Foster (Warwickshire)
Mr. J. W. H. T. Douglas (Essex)
J. B. Hobbs (Surrey)
H. Strudwick (Surrey)
W. Hitch (Surrey)
W. Beder (Verbelie) W. Rhodes (Yorkshire) S. F. Barnes (Staffordshire) George Gunn (Notts.)
J. Iremonger (Notts.)
S. P. Kinneir (Warwickshire)
E. J. Smith (Warwickshire)
F. E. Woolley (Kent)
C. P. Mead (Hampshire)
J. Vine (Sussex)

The above is a team which will take with it the confidence of all cricketers, if not to win the rubber, at least to perform with credit. all cricketers, if not to win the rubber, at least to perform with credit. It is, of course, not the side which one would have chosen to represent England in this country, but the conditions under which the game is played in Australia differ in some respects from those experienced over here, and in only a few instances could the side be strengthened for the programme which is before it. The bowling seems likely to prove stronger than that of the last team which went out, and the only criticism we feel justified in passing on the side is that we should have liked to see a batsman of the class of Hayward included. Some difficulty may be experienced in settling satisfactorily upon the order of going in, but the matter should prove capable of decision.

HAMPSHIRE v. SURREY.

Played at Bournemouth on August 28, 29 and 30 and left drawn, owing to rain. On the first day Rushby took five wickets whilst only 9 runs were made off him, and on the second Goatly, with only one chance (when 38), scored 129 in 170 minutes. Hitting well all round, he made a 5 and fifteen 4's, and he received such useful assistance from Campbell that the fifth wicket added 155. Score and analysis :-
