KENT 2nd XI. v. SURREY 2nd XI.

KENT 2nd XI. v. SURREY 2nd XI.

This two-day match opened at Konnington on Saturday. Kent fielded a fairly strong side, including men who have appeared at some time or other in the 1st XI. After lunch the attendance increased to several thousand, surrey won the loss and batts on an easy wicket, Bull and Watt opening the attack for Kent. Surrey sent Cook and Daily in and there was no separation until 60, when the former was smartly stumped by Tyler. At 62 Watt was relieved by Hever and later Bull gave way to Phillips, but Baldwin and Daily slowly but surely increased the se-re, the 100 going up at 1.10. Five minutes later Phillips superseded Fairservice from the pavilion and and Baldwin seemed anything but comfortable with Phillips, who is an exceptionally fast trundler. Daily was treating Hever caudionsly. At luncheson the score stood 121 for 1, Baldwin being not out 25 and Daily not out 66, though Besice had replaced Phillips. At 161 Daily was caught well down by Taylor. Two runs later Baldwin was stumped by Tyler. The remainder offered little resistance and the innings ended at 3.45 for 191.

The Kent fielding was good all round, and the fact that F. W. Tyler, behind the sticks, conceded only two extras, proves how well he performed in that position. The collapse of the Ovalites' batting was principally dre to Besley, who, after the interval, bowled an excellent length.

roccellent dength.

The Hop County started anything but well, one wheket being down for 11, two for 25, and three for 26. A useful stand followed, however, between G. S. Watson (sittingbourne) and the veteran skipper, "Jerry" Weigall, who took the total to 35 before the latter, after just previously giving a chance to Capt. Barnarto behind the stumps, definitely fell a victim thore. Mr. Weigall had shown excellent form, with seme pretty strokes. With a fine shot to the leg boundary, Watson sont up the Kent century, and incidentally completed his own 50, but he fell a victim shortly afterwards to L. S. Summors, who had just came on, with a ball that broke deceptively. Watson had played a patient, but invaluable son had played a patient, but invaluables inhings, and was heartly cheered on returning to the payillon. Hever went eight rons later 4090, but Bull and Tyler played on time, time total thou being 126 for 6.

On Monday, the game ended in a win for Kent on the first innings by 78 runs. Bull and Tyler made a fine stand in the first buildings, the latter totalling 74, a score which undoubtedly won the game for the Hop County. In the second kneck for surrey, Baldwin showed good form in carrying his bat for 89, which included a five, and 11 fours. Scores;

SECOND CLASS COUNTY CRICKET.

Match in Beckenham.

KENT 2nd XI v. NORFOLK.

Playing on a haid wicket at the Foxgrove, on Tuesday and Wednesday, Kent's second eleven drew with Norfolk in a second class county match.

Beautiful weather prevailed throughout the match and it was surprising that more enthusiasts did not turn out to watch, what proved to be an interesting game.

G. J. V. Weigall, the Kent Captain, won the toas and put G. S. Watson and T. F. Mitchell in to open the batting against the Norfolk howlers, C. Rought-Rought and Mower.

Mitchell opened the scoring with a well-hit "three," and carried, his innings through-hit "three," and carried, his innings through for a useful 21.

Recordon, joining Watson on the fall of Mitchell's wicket, knocked up 80 in a little over an hour.

When Kent's last wicket fell in the course of the alternoon, the score was 223.

H. E. Low and B. W. Rought-Rought battled first for Norfolk, Rought-Rought putting on 71 before being dismissed by Taylor. Falcon, the Norfolk skipper, knocked up 84 in a brilliant innings distinguishable by his stylish battling and strong hitting. Norfolk were all out for 358, a reflection more on the Kent bowling and fielding than on Norfolk's batting.

Mower, Norfolk's last man was dismissed for a "duck" by a brilliant catch in the long field off the bowling of Hever.

Kent's second innings included a magnificent display of hard-hitting by Watson, who knocked up 132 and remained undefeated. Buil addeed a further 69 before being caught by Rought-Rought.

At 274 for 5 wickets, Kent declared and put Norfolk in again, but the visitors only managed to put on 53 at the expense of three wickets before stumps were drawn at half-past six.

In the earlier stages of the game, Kent howling and fielding ware good in the first stages, but against the strenuous hitting of Watson and Bull in the second innings, was badly knocked to pieces.

KENTISH V. OLD CROYDONIANS.

Played at Alexandra Recreation Ground, on

Played at Alexandra Recreation Ground, on Saturday.

Sound batting again provided a good win for the Kentish. A "glue-pot" wicket made run getting difficult for the Old Croydonians in spite of one or two fielding errors. The Kentish started batting against some good bowling by Elliman and Franklin and Westall and Culff soon got going; G Culff, whose style has greatly improved, made some perticularly fine shots and Westall played his usual slow but sure game. The other batsmen then commenced to pile on the runs quickly, mainly by houndary strokes. At 139, Clarke declared and the Kentish innings closed.

BLACK EAGLE ATH. & SOC. CLUB.
Played at Alexandra Rec., on Saturday.
The outstanding features were the good bowling and the fact that "Mr. Extras," contributed nothing to either scores. Considering the high quality of the bowling of the visitors the batting of the opening pair and that of Ball was good. The game was very enjoyable and both parties are looking forward to the return, to be played on Truman's fine ground at Higham's Park, on August 4th.

HOLY TRINITY (SELHURST) V. RECTONIANS.

HOLY TRINITY (GELHURST) v.

RECTOMIANS.

Played at Plough Lane, Purley, on Monday. The Rectonians went to Purley on Bank Holiday. Says a correspondent: That "went" covers half a mile of "shanks pony;" three miles of Ford car (ugh.! there is something to be said for walking) four miles of 'Southern' and a mile and a half up hill trudge to the ground, but the ground and the weather and the game made it all worth while. Holy Trinity batted first and were 'processioned' for 18 (all singles) by A Taylor and A Harris, the latter who took 7 wickets for 6 runs, recording the Rectonians' third 'hat-trick' of the senson. The Rectonians fared little better in their first innings but on being left to get only 20 to win after the home team's second venture, they knocked off the arrears with 8 wickets still to fall and registered their fifth consecutive win All else in the game was overshadowed by the brilliant and persevering 60 by C Allen. Assisted by B Britt he added 62 for the second wicket and secored exceptionally well all round the wicket before carrying out his bat unbeaten.

Apart from this, highest praise is due to Butden of Holy Trinity, who thoroughly earned bis wonderful average of 14 for 50, on a wicket which assisted the batsmen. In an unofficial third innings Holy Trinity collected 32.

The comfort of the 1st class S.R. carriages the Rectonians occupied on the homeward journey was in welcome contrast to the agonies of that 'Ford' but, somehow, they could not forget the plying looks of the numerous cyclists who passed them while they were in that 'peripatetic petrol-can.'

CHRIST CHURCH INSTITUTE V. BAVILLE ATHLETIC

Played at Eden Park, on Whit Monday. The Stutes were at home on Whit-Monday and entertained Saville C.C., who were skippered by an old Stute player. W Sandercombe. In glorious summer weather, amidst beautiful surroundings, a very enjoyable game was played and witnessed by a fair number of supporters.

ful surroundings, a very enjoyance seems of supporters.

The Stutes, winning the toss, elected to field, and thanks to some superb bowling by D Anderson and Langridge disposed of their opponents before lunch for a small total of 1B. The fielding of the Stutes was excellent.

Opening their innings after lunch, the Stutes found they were also up against good bowling, but a splendid third wicket stand got the de-

sired result of wearing down the howlers, then E. Barnard proceeded to gather runs at a brisk pace. His hits included two sixes and four fours—a good performance. When this partnership was broken up, the bowlers once again got the whip hand and quickly disposed of the rest.

Going in the second time, Saville did a little better, but were unable to avoid being beaten by an innings and 10 runs.

WHITSTABLE & TANKERTON v. MEDWAY

WHITSTABLE & TANKERTON v. MEDWAY
This match, played on Wednesday at Chestfield,
resulted in a win for Whitstable. The home team
batted first, and, atthough the bowling was good,
the sixth wicket fell with the score at 123; the
five chief batsmen responsible for this score
played well. When Medway went in, they fared
badly against the bowling of Kemp (6 for 32),
S. Harris (2 for 5) and Davey (2 for 22). Kemp's
first four overa were maidens. Whitstable's fielding was very keen, and special mention must
be made of the brilliant one-handed catch made
by Hicks at point. Score:

FRANKLIN'S SOUND BATTING.

FRANKLIN'S SOUND BATTING.

H. L. Aubrey Fletcher joined his captain, and with the hatsmen hitting with power the store advanced steadily. Bull had three men in the outfield when bowling to Franklin, but he continued to score at a good rate and sent the 200 up with a lofty hit for three. Shortly afterwards he obtained his individual century in just under 24 hours out of 203 with a full-blooded drive off mid-off's head to the boundary. Beslee other on again at 230, the new half boing requisitioned; mid the fame over Aubrey Fletcher was run out for a useful innings of 20.

Franklin's spiendid innings came to an end soon afterwards, Bull holding a hard hit at mid-on off Todd. His innings was almost free from blemish, and he hit 17 fours.

Edwards, the last man in, made several nice shots off Beslee, and caused the 300 to be hoisted, the innings closing soon afterwards.

The Kent colts fared badly when they went in, and except for Dutnall and later Tyler few of the battemen could do much legainst the will left-hand bowling of Edwards, whose analysis at one time read:—

Seven wickets were down for 5.1, but then F. W. Tyler joined G. J. V. Weigall. The latter's patience and the Kent wicket-keeper's hitting policy paid, and, although Tyler was dropped off mis-hits at cover and extra-cover, the pair had added 35 runs when stumps were drawn on Wednesday.

runs when stumps were drawn on wed-peaday. Less than seven overs were sufficient to end the home team's first innings on Thursday morning, and they had to follow on 205 runs to avoid an innings' defeat, a task which seemed beyond them, indi-ing from their poor first innings' display.

KENT'S SECOND VENTURE.

KENT'S SECOND VENTURE.

G. S. Watson and Dutnall again opened for Kent, but the former did not stay long, for with his score at eight he was clean howled by hattoock.

Another success fell Bucks' way a few runs, later, for L. W. Recordon was anapped at the wicket by Franklin of list twock after only gerring one.

H. H. Valentine came in, and the cricket, which appets then had been very slow, bogan to brighten up, both the new ropmer and Dutnall hitting boundaries.

With his score at nine, Valentine should have been caught at second slip off Battcock, but Pitchford dropped a sharp chance.

This was the last match of the Garrison Cricket Weck. The Garrison was weakly represented, 3 or four of their best players being away. The Captain did his best by winning the toss on a beautiful wicket, but except for Jagger and Major Keene the scores were small, two failed to score. Captain Robertson, when seemed well set, was snapped at the wicket, the last wicket failing at 175. O. Battoock, bowling well, took 9 wickets for 54. The visitors were left with 24 hours for batting and so well did they bat against a weakened attack that they had 322 when stumps were drawn for the day Tanner of Middlesex hitting 153, 5 sixes and 21 fours and in a lesser degree Wright and Lout. On resuming the second day, Tanner was soon out, but Wright continued hitting, Raphael and McGrath helping until the lunings closed at 481. Had the catches been accepted the score would have been cosiderably less, two direct into St. French-Blake's hands were not accepted, and two or three chances of stumping were let pass On the Garrison going in a second time Jagger again batted splendidly for a grand 75. Captain Robertson and Licetenant Ascongh were the most successful with the hat, the last wicket falling at 208, leaving lacognite winners by an inns, and 98 runs. KENT 2nd XI. v. SURREY 2nd XI.

" HOPPERS " FAIL AFTER A GAME FIGHT.

On Monday and Tuesday Kent 2nd XI. and Surrey 2nd XI. met at Hythe in the Minor Counties Championship, Surrey winning an interesting game by 91 runs.

Following the heavy rain of Sunday night (or, rather, early Monday morning), the wicket, drying under the influence of the wind and sun, was extremely doubtful when the captains tosed, and G. J. V. Weigall, who correctly called, put his opponents in. For a time it seemed as though his action was certainly justified, for Surrey were all out before lunch for the modest total of 99.

Cook and Baldwin could do little with the bowting of Watt and Blunden, and both went back as the result of smart catches. Half the side were out for 28, but the two Gearys, hitting well, improved the score to an extent. Mobey, playing a little more quietly, was top scorer with 23. The Kent fielding was excellent.

The Hoppers had a few minutes batting before lunch without mishap.

A sharp shower during lunch did not help the wicket, and Kent had an unhappy experience when play was resumed.

All Out for 74.

Longfield left without scoring, Chalk scored a single, and Todd, a stylish left-hander, who had several trials with the first eleven earlier in the season, was bowled first ball. Watson fell to a brilliant slip catch at 48, and had actually scored 46 of the 47 runs which had come from the bat. A. Geary was bowling splendidly, and received useful support from Lock, who came on towards the end to good A plucky piece of batting by effect. Watt improved matters, but Kent were all out for 74, and therefore were faced with a deficit of 25.

Surrey did much better in their second knock, Cook and Baldwin playing the bowling with confidence. It was obvious that the heavy roller had improved the wicket very largely. Cook left at 60, when he needed only 18 to complete his thousand runs for the season, but Wilson stayed with Baldwin until the score reached 153. Baldwin was then caught, after batting very brightly for a fine 81. His method of pulling high-bouncing balls to leg was a little risky, but delightfully timed. When stumps were drawn Surey had scored 163 for 3, and led by 188, with seven wickets to falla strong position.

The Kent bowlers came into their

own again on Tuesday morning, Surrey's seven outstanding wickets falling for the addition of 71 runs. Bull and Todd, two slow bowlers, were flighting the ball cleverly, and always had the batsmen in difficulties.

Set to get 260 to win, a difficult task on such a wicket, Kent made a poor start by losing McVittie, Chalk and Longfield before lunch, when the score

was 35 for 3.

Bull, promoted in the batting order, batted dourly after lunch, and displayed a nice stroke to leg with good He left at 83, however, but then followed a fine stand between Todd and Watson. The former played himself in well, but was freer in his methods after Lywood, who had been bowling superbly, and A. Geary was While these two men were relieved. at the wickets a Kent victory was always quite possible.

Todd, however, snicked a faster ball behind the wicket at 140, and, with no addition to the score, Watson was bowled. Kent's position was now well-nigh hopeless. Weigall batter stubbornly, and was unlucky enoug's to receive a severe knock on a hand, which caused a brief retirement to the pavilion to have a finger ban-Shortly afterwards he was daged. bowled, the Kent innings closing for
