

MINOR COUNTIES' MATCH AT STRATFORD.

WARWICKSHIRE II. v. MONMOUTHSHIRE.—
Warwickshire II. are playing eight county games this season. The third of this series of matches, with Monmouthshire, was allotted to Stratford-on-Avon, and was played on Saturday and Monday. We hope that when the county second string again play in our midst the Town Club will have unearthed a player worthy of being included in the side. Captain C. F. Cowan led the Warwickshire team, and on winning the toss sent in N. A. Plowright and Hill, a young professional from the Coventry district. The amateur ran himself out rather foolishly, but Hill collected runs in attractive style, and at the luncheon interval the score stood at 112 for two. Resuming, the first over proved disastrous. Bryan was bowled by the first delivery, and with his third Dolman got King caught in the slips. Hill continued to bat faultlessly, but when he had registered 79 (which included nine boundary strokes) he was brilliantly taken in the gully by Williams. Buckingham and A. K. Jackson added 63 for the last wicket. The former hit out merrily, one ball being lifted on to the pavilion roof for six. The opening batsmen for Monmouthshire did not impress, and when stumps were drawn they had lost five wickets for 66. On Monday the visitors carried their score to 144. A. K. Jackson, with his expresses, captured five wickets for 49, F. Dobson two for 36, and Tate two for 35. H. Jones was top scorer with 51. Buckingham shaped well behind the sticks, taking two catches and giving away only eight extras. Following on the visitors did better. J. M. Smith, aided by mistakes in the field, quickly put together 102. He was ably supported by H. Paulson and K. C. Raikes. This trio were responsible for 195 out of the 273 runs scored. Some of the spectators were hoping for a declaration by the Monmouthshire skipper, but Williams was not taking any risks, and Warwickshire were left to get 168 runs in just over an hour. The task was impossible, but thanks to another bright effort by Hill they registered 69 for the loss of two wickets. There was a fair attendance on Saturday, but on Monday it was very meagre. WARWICKSHIRE II DRAW.

After an uphill struggle against Derbyshire II at Edgbaston yesterday, Warwickshire II just saved the game. Ord and Buckingham and E. Brown batted well in Warwickshire's first innings, and Buckingham again distinguished himself at the second attempt. He was in two hours and was unlucky not to complete his century. Washbrook, too, batted soundly, his cutting being attractive for so young a player. Armstrong (slow left arm) took nine wickets for 91 in the match.

STAFFORDSHIRE'S SUCCESS.

TAYLOR'S FINE BOWLING AGAINST DENBIGHSHIRE.

After securing a slight advantage over Staffordshire in their first innings, Denbighshire were well beaten at Porthill Park, Stoke-on-Trent, victory going to the home county by six wickets. Denbighshire, who overnight had lost five wickets for 65 runs, carried their score to 123, leaving Staffordshire to obtain 132 for victory. The foundation of victory was laid by a first-wicket partnership between L. H. Crump (40) and L. E. Gale (32) which realised 61. The feature of the Denbighshire second innings was the batting of B. D. Sykes, who scored 66 not out. He was one of the opening pair and stayed through the innings of two hours and forty minutes. Taylor, the Burslem professional, was again the most successful bowler. He took seven wickets for 36 in the Denbighshire second innings, bringing his figures for the match to twelve wickets for 72 runs. Scores:—

NOTTS-AMATEUR'S BIG INNINGS AT EDGBASTON.

The return match between Warwickshire II and Notts II in the Minor Counties championship began yesterday at Edgbaston. Notts, after losing three wickets for 67, made a good recovery, thanks to mistakes in the field. Commander C. F. Cowan fractured a finger in trying to make a catch and will take no further part in the game. The Notts seventh wicket added 135 runs. T. N. Knight, who was missed several times, hit one 6 and nineteen 4s in his big innings.

HILL'S TWO GOOD INNINGS AT EDGBASTON.

Warwickshire II, though handicapped by the absence of Commander C. F. Cowan, succeeded in saving the game with Notts at Edgbaston yesterday. The home county were dismissed just on the tea interval for 163, which were made in about three hours and a half. Hill played a sound and patient innings for two hours for 57, while Buckingham combined defence with hitting hard when the occasion arose, and claimed no fewer than seven 4s in his 33. Warwickshire followed on with an hour and fifty minutes to play, and R. H. M. Burton and Hill again made a useful start. The last-named afterwards scored freely on both sides of the wicket, and exceeded the half-century for the second time in the match. Winrow (three for 35) and Knowles (three for 47) had the best bowling figures for Notts, and Wilmot (three for 53) bowled well for the home side.

THE GLAMORGAN STAFF.

BATES, RYAN AND BELL TO FINISH WITH THE COUNTY.

Glamorgan County Cricket Club have decided to dispense with the services of Bates, Ryan and Bell, three of their most experienced professionals, at the end of this season, and have offered modified terms to other players. Bates has been a professional with Glamorgan since the war, and has been their most consistent batsman. Ryan and Bell joined the club in 1924.

Lee, the former Old Hill cricketer, has been retained as professional for next season by Stone, members of the North Staffordshire League.

MITCHELLS AND BUTLERS THE
NEW CHAMPIONS.

DARTMOUTH COLLAPSE WHEN
WELL PLACED.

The game at Portland Road between Mitchells and Butlers and West Bromwich Dartmouth, which was full of incident and somewhat remarkable happenings, resulted in a far easier victory for the home team—than at one time seemed possible. Mitchells and Butlers, after an excellent start, fell away badly and later Dartmouth, when victory seemed within their grasp, collapsed in an even more remarkable manner.

Mitchells, opening with Broadbent and Kirton, started cautiously. At 19 Broadbent was smartly caught by Deeley, but Wyatt helped Kirton to take the score to 114, when Wyatt was also caught by Deeley. Twenty runs later Kirton, who had been batting more than an hour and a quarter, was dismissed, and while only 11 runs were being added five more wickets fell—four falling at 145. S. Hadley and Melley improved matters somewhat, but a total of 179 did not seem to represent championship form.

While not making quite so good a start as their opponents, Dartmouth did well, thanks to a fine display by G. E. Perks. He and G. A. Fitton took the score from 52 for three to 117, at which total Perks went out to one of Gross's deliveries and was caught by Melley. After this it was a procession. Fitton was beaten by a fine ball from the professional at the same total and only 11 more runs were added. Scores:—

MOSELEY'S FIRST WIN.

WALSALL EASILY DEFEATED ON A
DIFFICULT WICKET.

Moseley, the only team to have been beaten by Walsall this season, turned the tables at Gorway and gained their first victory, the margin in their favour being six wickets. The game was played on an emergency wicket, which was very damp on top, and runs were always difficult to get.

Walsall, weakened by the absence of H. H. Lindop and H. Thacker, their captain and vice-captain respectively, lost six wickets for 22, but the "tail" carried the total to 74. P. Cozens, who last played seven or eight seasons ago, was called upon to complete the side, and he remained unbeaten with a dozen to his credit. F. W. Morfer and C. A. F. Hastlow were Moseley's most successful bowlers, each taking three wickets, for 16 and 19 runs respectively.

Moseley were an hour making their first 26 runs, Blackburn sending down five maiden overs in succession. Wyatt was out the wickets for seventy minutes for 21, but N. A. M. Plowright was more enterprising in making his 27 (not out), and he finished off the match with a lofty hit for 6.

SANDERS BOWLS WELL AGAINST
KIDDERMINSTER.

Aston Unity concluded their home fixtures with a very feeble display against Kidderminster, for after dismissing their opponents for 149 they were put out for 47. Throughout the Kidderminster attack was keen, but with few exceptions the Unity batsmen made it appear more effective than was really the case.

Kidderminster were given a useful start by G. S. Tomkinson and G. H. Humphries, the former hitting in aggressive manner until he was finely caught by Whitehead off a hard drive which resulted in the fielder inuring a finger. Anton, Wyers and Winwood also showed good form, and the first-mentioned, in recording a half-century, batted in attractive fashion. The introduction of Sanders into the attack put a different complexion on matters, for whereas the fourth wicket fell at 114, the remaining six were captured for an addition of only 35. Sanders kept the batsmen playing, and but for some lax fielding would have returned a better analysis than six wickets for 29 runs. In view of the condition of the wicket his earlier inclusion in the attack might have found the visiting batsmen in a similar plight to that of the Unity.

From the outset the home batsmen were in difficulties against Perry and Littlewood, but the bowlers were paid too much respect, with the consequence that seven wickets were lost with only 17 runs on the board. Nevertheless Ogden, the Unity captain, was not overawed, and soon hit up 21 runs, the total being raised to 47 before his dismissal. The Kidderminster bowlers kept an admirable length, and they were backed up by some very keen fielding.

SMETHWICK WIN AT DUDLEY.

GOOD FOWLING BY GALE AND
DURNELL.

Dudley were defeated before their own supporters by Smethwick by 13 runs. It was a very interesting encounter, in which the bowlers predominated. Smethwick's opening pair were dismissed by Gale for 12 runs, and, despite the fact that the wicket was good, scoring was slow until, at 32, Neale was joined by Mathews. This partnership added 58 runs in 45 minutes and paved the way to victory. Half the side was out for 106 and the other half added only 10 runs. Gale, who bowled consistently well, took seven wickets for 39 runs.

Dudley made as poor a start as their opponents, and only Hartill and Pearson were at all comfortable against a particularly keen attack. The batsmen had plenty of time, and a little more caution in the early stages might have won the match. As it was the side was out for 103. Durnell, who captured five wickets for 26 runs, kept up a fast and a good length.

OLD HILL'S SUCCESS.

STOURBRIDGE BATSMEN FAIL AT
AMBLECOTE.

A good win was obtained by Old Hill over Stourbridge at Amblecote. Against good bowling Old Hill compiled 221 runs for seven wickets before they declared, and Homer missed a half-century by one run after a good steady innings. Woodhouse batted very well, and was top scorer with 61. The home side fared badly until J. J. L. Brookes began to hit. There was some very good fielding.
