

COLTS AT OLD TRAFFORD

Dennis and Sellars in Form with the Bat

Following a tedious wait until mid-afternoon, the Yorkshire Colts opened very shakily against their Lancashire rivals at Old Trafford yesterday. On a wicket which had been relieved of much water artificially, but which quickly resorted to tricks, the White Rose representatives lost four wickets for 12 runs, and five for 26 in less than a hour.

The destructive agents were the slow bowlers, Latchford and Wilson, both of whom made the ball turn awkwardly, and only Grimshaw, the early batsman, showed any enterprise. Grimshaw had two 3's from Latchford, both strokes behind the wicket.

When A. B. Sellars and Dennis came together, however, risks were taken which proved profitable, and 50 was run up in 75 minutes. Surviving two confident appeals for obstruction and a dropped catch at mid-on, Sellars reached 21 by forceful cricket before being given out leg before to end a partnership which had produced 33 valuable runs.

The two left-handers, Dennis and Fisher, if more subdued, carried on the good work to the extent of 26 before Fisher was easily stumped in attempting a big drive. Dennis, eighth out, at 86 for a sound 30, easily took the honours of the day.

With nine Yorkshire wickets down for 94 runs the rain brought play to an end after having lasted only two and a quarter hours.

YORKSHIRE COLTS DRAW

Rhodes's Part in Last Wicket Stand

Only first innings points were involved in the match between the junior roses, which concluded at Old Trafford last evening, and these went to Lancashire. The wicket played much easier than on the opening day, but the bowling on both sides was so steady as to compel respect.

Practically the only batsman who took the slightest risk was Rhodes, the Yorkshire bowler, who drove and pulled the Lancashire attack with freedom. He had six fours in his innings of 51, which was his share of a last-wicket partnership which realised 68 runs. The Yorkshire innings eventually reached 162 as a result of three and a half hours' batting, and the total was excellent considering that the first five wickets fell for 26 runs.

The Lancashire reply was a painstaking affair which exceeded the visitors' total with eight wickets down, and which was eventually declared closed at 179 for nine. Taylor made himself highest scorer in the match, but his 58, which included four boundaries, was a tedious knock of two and three-quarter hours. F. D. Beattie, the amateur, played the best cricket for his 32, scored in 40 minutes.

Fisher took the bowling honours with five wickets for 37—figures which did not flatter him. There was no interest in Yorkshire's second innings, which produced 56 for the loss of two wickets in the last hour. Scores:—

NORTHUMBERLAND LEAD

The annual Minor Counties' match between Northumberland and Durham opened at Chester-le-Street yesterday. Northumberland, who were at the wicket three hours and twenty minutes, put up a very poor exhibition, Robson making the highest score with 23. No other player reached 20, and at lunch only 32 runs were recorded.

Durham's innings was no better than that of their opponents. They were batting nearly two hours for 87. Carr, who is a big hitter, made 26 in a short time, and Whitehead added 21 to the score, but no other batsman entered the teens.

YORKSHIRE COLTS Play Curtailed in Game with Staffordshire

(By Our Own Representative)

The two days Minor Counties Championship match between the Yorkshire II. eleven and Staffordshire, which began at Park Avenue, Bradford, yesterday, was seriously interrupted by rain. Not a ball was bowled after the luncheon interval, before which Yorkshire had scored 72 for two wickets, and play was abandoned for the day at four o'clock, the wicket being thoroughly soaked by hail and rain.

The interruption is all the more regrettable as the fixture is the first to be played with Staffordshire for over 20 years, and the Midland side have for long been one of the most powerful among the minor counties. They are not quite at full strength for this game, and they lack Sydney Barnes, who is, of course, the greatest strength of their attack. He is engaged in giving a cricket demonstration at a Manchester store. Nevertheless, they are deemed to be a strong combination, particularly in bowling.

The Yorkshire batsmen who had innings yesterday could not score more than steadily before lunch, but that was good work off the keen-edged Staffordshire attack. Halstead and W. E. Harbord gave the innings a capital start by putting on 45 for the first wicket, and Halstead was well set and not out 34 at lunch. Harbord, too, had looked good for runs when he was caught at long one in trying a big drive.

The wicket was soft with rain when the game started, and the ball came through slowly, although jumping up and hanging sometimes. Towards lunch, however, when a strong cross wind had dried the surface, the bowlers, Lockett in particular, were making the ball turn at a fair pace, and batting caution was necessary.

Included in the Yorkshire side are two newcomers to the Colts—Watnough, the Bradford City football club's winger, and Temple, a bowler from Scarborough.

This fixture fills the vacancy in the Colts' programme caused by the withdrawal of Notts II. from the Minor Counties Championship this season.

NO PLAY AT BRADFORD

The wicket and outfield at Park Avenue, Bradford, where Yorkshire II. entertained Staffordshire in a two days Minor Counties Championship match on Wednesday and yesterday, were too sodden for there to be any play yesterday, and the match was abandoned, following an inspection of the wicket after lunch by the captains.

Rain had prevented play after lunch on Wednesday, Yorkshire having then scored 72 for two wickets. Overnight rain followed, and in spite of prolonged use of the new drying machine introduced at the ground, it was impossible for the turf to recover yesterday from the severe soakings it has received recently.

FARRIMOND IN FORM

A fine century by Farrimond, Lancashire's reserve wicketkeeper, was the feature of the play in the opening of the Minor Counties game between Cheshire and Lancashire at New Brighton yesterday.

Going in at the fall of the fourth wicket at 25, Farrimond was last out, scoring 107 out of 189. He was batting two hours 55 minutes without giving a chance.

YORKSHIRE COLTS AT CHESTER

Good Lead on the First Innings

Yorkshire Colts, at Chester, yesterday, placed themselves in a fairly good position against Cheshire. Cheshire batted first, and in a disappointing innings scored only 107, of which J. D. Worthington made 29. Yorkshire batted steadily, easily surpassing Cheshire's score.

Cheshire opened by scoring freely, J. Abell and J. D. Worthington each driving Thornton and Temple to boundaries. Worthington, encouraged by this success, lost caution, and allowed Temple to clean bowl him when he had scored 29. Cheshire had fifty up in three-quarters of an hour, but a change of bowling brought disaster. A bad stroke by Wilson gave Thornton a catch off Fisher, and Fallows and White fell to Fisher's bowling without cost. The Cheshire tail put up a poor show, and the innings lasted only twenty minutes after lunch.

Yorkshire opened the innings with W. E. Harbord and Halstead, the latter being dismissed for two when the total was nine. Turner joined Harbord, and the pair pulled the game round, being together at the tea interval when they had taken the score to 80. The bowling was rewarded five minutes after the resumption, when Harbord was caught by the wicket keeper, and the score was still unchanged when Turner fell to a catch by Swift, Grimshaw and Nutton did not last long, and Yorkshire were all out for 196.

YORKSHIRE COLTS WIN

Nine Wickets Margin at Chester

Yorkshire Colts defeated Cheshire at Chester yesterday by nine wickets, play ceasing at 3.20. Overnight, Cheshire had scored 16 without loss, the batsmen being J. D. Worthington and W. E. Jones, the captain. Within ten minutes, with the total 20, Jones played on from Fisher. Worthington was obviously in difficulties with Turner's bowling and he was bowled with the score at 31. The third wicket fell at 72, Hodgson making 24 before being out leg-before to Turner.

Temple replaced Turner in the Yorkshire attack, but was punished by Wilson to the tune of three fours in succession. The Yorkshire bowlers mastered the home tail, and Cheshire were all out for 155, leaving Yorkshire to get only 67 in the second innings. Yorkshire knocked off the runs in quick time for the loss of Harbord.

YORKSHIRE COLTS IN GOOD POSITION

Cheshire in Danger of Innings Defeat

(From Our Own Representative)

Cheshire won the toss yesterday, at Bramall Lane, Sheffield, in their return match with Yorkshire 2nd XI., and the wicket was in such a perfect condition that they appeared to have a good chance of compensating for their batting failures of the week before, when Yorkshire won by nine wickets, at Chester. The outcome of the day's play, however, was a great surprise, for no fewer than 22 wickets fell for 275 runs, the only batsmen to show any confidence being the Yorkshiremen, Fisher, Turner, and Grimshaw.

Cheshire gave a sorry exhibition in their first innings, and when they went in again for 30 minutes before close of play, they lost two of their best batsmen for 25 runs. Fisher and Hall did splendid work for the home county with the ball, and the former capped his bowling success with an invaluable innings of 61. Wilson bowled his "off-spinners" with great success, but none of the remaining Cheshire bowlers looked dangerous.

The visiting County opened disastrously, Hall clean bowling J. Abell with the fourth ball of the match. Two smart catches at the wicket by Buller, who "kept" very well throughout, followed soon after, and three wickets were down for only 15 runs. When Fisher replaced Grimshaw, he met with instant success, and he broke up the two partnerships that promised runs during the Cheshire innings. The second of these, between Wilson and L. J. Pearson, added 20 runs before the Barnsley left-hander bowled Wilson with a beautiful ball which came in sharply from well outside the off stump. Ten minutes before lunch, the sixth, seventh, and eighth Cheshire wickets fell for two runs, Fisher being the bowler on two occasions, and soon after the interval, Hall finished off the innings, which had only realised 79 runs in 2½ hours. Hall took 5 for 32, and Fisher 4 for 20.

Yorkshire's opening pair, W. E. Harbord and Halstead, started confidently, but with eight on the board, Wilson beat Harbord. The same bowler got Halstead leg-before, but Turner settled down, and hit two fine 4's off successive deliveries from G. P. Burgess. J. R. S. Raper, his partner, never looked comfortable, and after being twice missed in the slips, was all at sea when a length ball from Wilson finally bowled him. Turner continued to score freely, but just when he seemed set for a big score, he fell to a catch at the wicket off Wilson. Yorkshire passed their opponents' total shortly after tea, with five wickets in hand.

Some really bright cricket followed, Grimshaw and Fisher putting on 71 runs in 65 minutes. After a slow start, Grimshaw batted delightfully, being particularly strong on the off side. Wilson, who, before he was rested had taken 5 wickets for 22 runs in 22 overs, returned to the attack, and claimed Grimshaw's wicket with his second ball, which the latter edged into the slips.

Fisher reached his 50 with a glorious late-cut off Wilson, but was out shortly afterwards, hitting across a straight ball from Burgess, and the innings closed for 171—a lead of 92 for Yorkshire. Wilson secured 6 wickets for 33—a fine achievement under such conditions.

Cheshire had half an hour's batting before close of play, which was delayed until 7.0 p.m., and they lost the wickets of J. D. Worthington and J. Abell for 25 runs. They need 67 runs to-day, with eight wickets in hand, to avoid an innings defeat. The attendance was disappointing in view of the perfect cricket weather. Just over 800 watched the match, of which 299 paid £14 6s. 11d. for admission.

COUNTY COLTS' DOUBLE

Another Easy Victory Over Cheshire

(By Our Own Representative)

The Yorkshire Colts defeated Cheshire by nine wickets at Bramall Lane, Sheffield, yesterday, thus successfully crowning their victory by the same margin at Chester only a week before.

The home county were in a commanding position at the start of the second day, for their opponents, who had lost two of their best wickets overnight, had still to score 67 runs to avoid an innings defeat. As Cheshire had only managed to total 79 at their first attempt, it seemed quite possible that Yorkshire would not have to bat again. However, the visiting batsmen put up a more stubborn resistance than was expected, and their last wicket did not fall until twenty minutes after the lunch interval.

Although Cheshire scored 50 more runs than in their first innings, the total was most disappointing on such a perfect batting wicket. The Yorkshire attack was not so effective as on the previous day, but J. A. Richardson, the Scarborough amateur, secured two wickets cheaply towards the end of the innings.

A start was made in brilliant sunshine, J. P. Hodgson and R. S. Skelton facing Turner and Hall, and with his second ball, the York fast bowler knocked Skelton's off and middle stumps out of the ground. Wilson, the mainstay of Cheshire's first innings, joined Hodgson, and the two doubled the total by attractive forcing cricket, before the professional was beaten by Turner. Hodgson continued to play confidently, and although Fisher kept throwing them well up to him, in the hope that he would lift one, he kept all his powerful off-drives on the ground. With W. G. Maybury he put on 25 runs in as many minutes, and the Yorkshire bowling was just beginning to look innocuous when a clever piece of stumping by Buller, off Fisher, disposed of Maybury. E. G. Parker, the captain, left at 88, and two runs later Yorkshire secured their most valuable wicket, Hodgson skying a length ball from Fisher to Halstead, at mid-on.

L. J. Pearson, who had the assistance of a runner—having injured his leg fielding on the boundary on the previous evening—was joined by G. F. G. Rees, and the danger of defeat by an innings was averted. The pair sent up the hundred after the innings had lasted two hours 25 minutes, but when Richardson came on for Fisher at 108, he met with success a few minutes before lunch, bowling Rees.

After lunch, Hall and Richardson repeatedly had the tail batsmen in difficulties, and the amateur finished off the innings by bowling Burgess at 129. Hall took 3 for 32, Fisher 3 for 28, and Richardson 2 for 10.

Yorkshire were faced with the easy task of scoring 38 runs to win. They opened with J. R. S. Raper and Watmough, and the former played some delightful off drives off Burgess before attempting a very short run which left him no chance of getting home. He had scored 16 of the 21 runs put on while he was at the wicket. J. A. Richardson and Watmough maintained the easy rate of scoring, and at length two full-blooded drives by the former put his side ahead, without further loss.

The attendance was very disappointing, less than 200 watching the match.

DURHAM COUNTY'S JUBILEE MATCH
Double Century by North Trial
Team Captain

R. E. S. Wyatt, the North's Trial Team captain, gave a magnificent display in the jubilee game at Sunderland yesterday. His score of 216 occupied four hours and included 28 fours. He never gave the slightest chance until he had passed the second century, and then he was twice missed. He and Nigel Haig put on 136 for the fifth wicket, and then with Jupp 119 runs were added. EASTERN COUNTIES OUTPLAYED

All-India Gain a Lead of 179 on First Day

All-India overwhelmed the Eastern Counties at Lincoln yesterday, dismissing their opponents for 122 and finishing the day 179 ahead with six wickets to fall.

The Eastern Counties made a bad start, losing three wickets for only 11 runs. A timely stand by the Lincolnshire captain, H. W. Dods, who also captained the Counties team, and J. C. Walter took the score to 62, and forceful batting by Scott-Chadd, enabled the Counties' side to reach 122 shortly after lunch.

Like their opponents, All-India began their innings poorly, losing two wickets for only six runs, but Wazir Ali and Jahangir Khan took command, and had carried the score to 80 before Jahangir Khan left.

After tea All-India quickly passed the Eastern Counties' total, but a clever catch by Sime disposed of Wazir Ali, who had batted well for a faultless 64. Marshall went on to complete his 100 before stumps were drawn, receiving valuable support from his captain, who was not out at the close with 82.

ALL-INDIA WIN

Much Too Strong for Eastern Counties

As anticipated, All India had little difficulty in defeating the Eastern Counties, winning by an innings and 129 runs after declaring their first innings closed with seven wickets down.

Limbdi, not out last night with 82 to his credit, completed his century within ten minutes, and immediately retired. Meanwhile, Marshall had taken his total to 148 before being run out. His score included fifteen fours, and Limbdi had two sixes and nine fours.

Apart from Rhodes, who got to within ten of his century, the Eastern Counties batsmen again failed.

COUNTY COLTS MEET DURHAM

Dobson and Howell Rally Home Team

There was only a handful of spectators for the opening day of the Minor Counties Championship match at West Hartlepool, yesterday, between Durham and Yorkshire colts, when Durham scored 260, and Yorkshire replied with 94 for the loss of one wicket.

Durham made a poor start, but Dobson and Howell pulled the game round with a stand which produced 89 runs. For the most part, Dobson played very careful cricket, and it was only when he began to go out for runs that he was bowled. Jack Carr was hit on the leg by a ball from Fisher, and had to retire when he had scored 30. He was able to resume later, but only added another five runs to his total.

The home county's second hundred went up when play had been in progress three hours, and they were eventually dismissed for 260.

Bedford and Halstead opened the Yorkshire innings, and they were together for practically the whole of the two hours and a quarter that remained for play. Half a dozen of the Durham bowlers did their utmost to separate them, Howell and Ellis, Dobson and Carr, Gibbon and Hurst going on in succession. Eventually, when the score stood at 93, Ellis scattered Bedford's stumps. Only one more run was added to the total before stumps were drawn, Yorkshire finishing 166 behind, with nine wickets to fall.

FIRST INNINGS POINTS FOR COLTS

High Scoring in Match with Durham

The two-days match at West Hartlepool, between Durham and Yorkshire Colts, ended last night in a draw. The Yorkshire colts, however, succeeded in securing first innings points, passing Durham's total of 260 a little more than half an hour after lunch. To do this however, they had been batting close upon five hours—more than an hour longer than Durham were at the wickets.

Yorkshire declared their innings closed at 267, Halstead, who batted for three hours, being top scorer with 72. It was a notable fact that his innings contained only five fours. After Halstead's exit, Yorkshire had a disastrous half-hour, losing three wickets for 25 runs.

The outstanding feature of the Durham second innings was the batting of C. L. Adamson, who atoned for his single run of the previous day with a splendid 98. Stumps were drawn shortly after 6 o'clock, when Durham's total was 243 for the loss of seven wickets.

SPORT AT PUBLIC SCHOOLS

Splendid Feats at Ampleforth

The annual match between Yorkshire Public Schools and Craven Gentlemen resulted in a win for the Schools by 48 runs. It is a pity, however, that this match has lost its representative character, for at one time all the leading Yorkshire schools used to nominate players. Of the side that met the Craven Gentlemen, only J. H. Phillipson (Leeds G.S.) would find a place in Yorkshire's strongest school side.

One would like to see the following side in action against a strong club eleven—J. H. Phillipson (Leeds G.S.), N. W. D. Yardley (St. Peter's School, York), N. S. Mitchell-Innes (Sedburgh), C. F. Grieve (Ampleforth), J. N. Halliwell (Sedburgh), J. A. Waddilove (Ampleforth), M. Barnby (Sedburgh), J. F. Barton (Ampleforth), C. Middleton (Giggleswick), H. R. J. Lockhart (Sedburgh), and J. A. Brittain (St. Peter's, York). There is batting all the way down this side, the first seven being particularly strong, while the bowling would be in the capable hands of Mitchell-Innes, Barton, Middleton, Lockhart, and Brittain. Waddilove, besides being a fine batsman, is a really good wicket-keeper. Grieve, the Ampleforth captain, has, at the present time, an average of 130!

Fixtures for the week are:—To-day—Uppingham v. Rugby (at Rugby). Stonyhurst v. Northern. To-morrow—Ampleforth v. Sedburgh (two days). Wrekin v. Staffordshire Gents. Thursday—Leeds G.S. v. Pocklington, Giggleswick v. Skipton G.S. (away), Uppingham v. O.U.s (two days). Saturday—Worksop v. Denstone, Leeds G.S. v. Hymers, Ampleforth v. Durham, Wrekin v. M.C.C., Sedburgh v. O.S.s, St. Peter's v. Craven Gents, Rossall v. Stonyhurst, Giggleswick v. Old Boys. Monday—Ampleforth v. Liverpool, Rossall v. Cryptics (two days).

AMPLEFORTH beat St. Peter's, at Ampleforth by seven wickets. Both schools had reputations for strong sides. St. Peter's batted first on a perfect wicket, and at lunch had scored 72 for 2. It looked as if they would make a large score, but an extraordinary change came over the game after the interval, owing to a magnificent bowling performance by E. Waddilove, who had the astonishing analysis of 7 wickets for 17 runs—a remarkable feat considering the state of the wicket. St. Peter's were all out for 104, of which N. W. D. Yardley made 38, and Jenkins 48. When Ampleforth went in, J. A. Waddilove, who has been making large scores this season, was soon dismissed, but E. Grieve batted well for 45. C. F. Grieve looked well set when he was magnificently caught by Yardley at cover, off a short ball. B. Alcazar then came in, and proceeded to make 144, some of his drives being very well executed. He made his runs at a great pace. B. Carroll hit hard and luckily for his 66, and the match ended with Ampleforth's total at 362 for 7—a record for them on this ground.

SEDBURGH had another most successful week's cricket. The annual fixture with Durham, at Durham, resulted in a victory for the visitors by an innings and 80 runs. Sedburgh lost the toss, and Durham started well on a wicket which began to crumble quickly, and after C. W. S. Thomas, a left-hander, had been dismissed by a very good catch, the rest did not stay long. Facing a total of 135, Sedburgh made 236 for 3 before play ended for the day, and on the following morning they went on to compile 325. N. S. Mitchell-Innes made 58 very quickly, J. N. Halliwell was run out for 38, Gundill played very well for 54, and M. Barnby made a brilliant 109, his second century in school matches this term. The wicket was very worn by then, and Durham were dismissed for 110. C. A. Smallwood alone offering much resistance, Mitchell-Innes took 6 for 36, and Warren 5 for 35. Several very good catches were made, and the fielding was excellent.

GIGGLESWICK gained a splendid victory by six wickets over Leeds Grammar School, at home. Batting first on a perfect wicket, Leeds found the Giggleswick bowling and fielding very steady, but they totalled 199, thanks chiefly to J. H. Phillipson (46), and H. D. Maltby (38). Middleton bowled splendidly to take 6 for 45. Giggleswick started badly, losing their first three wickets for 40 runs, but then J. D. Ibbotson and G. C. Burgess, in a fine partnership which produced over 100, pulled the game round. The home side finally scored 211 for 4, Ibbotson 64, Burgess 59 not out, and J. M. Holland 36 not out. Earlier in the week, the School were easily beaten by C. G. Kenyon's XI, which included the Australian Test player, Alan Fairfax. Giggleswick scored 129. C. R.

Crosland (25 not out), Burgess (25), and L. V. Gallagher (20) being top scorers. D. F. Peacock came out with the fine analysis of seven wickets for 36 runs. The visitors scored 150 for 4, Fairfax contributing a hard hit 43.

WORKSOP'S match with the M.C.C. ended in a draw, the school replying with 203 for 6 to the visitors' 284 for 6 declared. The M.C.C. lost their first wicket at 3, but R. A. Hardy (39), and H. W. Dods carried the score to 73. Then G. N. Scott-Chad and Dods put on 91 before Wilson bowled Dods for 66. T. L. C. Curtis hit very hard for 20 minutes, and collected 40, and then R. H. Spooner and Scott-Chad carried the score to 284, when the latter was bowled when nine short of his century. R. Burton (40) and P. Snow gave the School a splendid start, scoring 73 in the first three-quarters of an hour, and at the close of play Snow was still undefeated with 82, having received valuable support from Blackmore, Green, and Wilson. On the following day, Oakham were beaten by 100 runs, at home. Snow (37) and Burton (62) put on 101 for the first wicket, and although four wickets fell at 108, Green (68 not out) batted very well, and Turner was able to declare at 225 for 7. After a good start, which realised 72, the later Oakham batsmen could do little against the bowling of Turner (5 for 35) and Wilson (3 for 37).

OUNDL drew their match with the Leys School, at Cambridge. Batting first, the home side made 216, thanks to V. H. Holloway (79) and J. C. Bate (71). No other batsman reached double figures against D. E. Field (4 for 31) and C. H. R. M. Stuart (3 for 50). Oundle scored 177 for 4 in reply, G. B. Geen, the captain, making 81, R. G. Raymond 39, and D. E. Field 39. The match against the Cambridge Old Oundelians provided a most exciting finish against the clock. The School declared at 228 for 8 (G. B. Geen 47, K. C. Fyle 76), and the Old Boys went for the runs. R. M. Beresford (60) and C. E. Daniels (46), opened attractively, and H. Borrie (47), carried on in forcing style. In the last over of the day, W. B. Pollard (32 not out) made the winning hit, the Old Boys having four wickets in hand. The M.C.C. batted first against the School, and declared at 233 for 6 at the tea interval. N. G. Wakes hit up a breezy 54, which included four sixes before he was well caught on the boundary by Geen. Heavy rain delayed the start of Oundle's innings, and removed all hope of a finish. The School were able to score 146 for 1, Geen making 85 not out and Raymon 44.

REPTON were heavily defeated by Uppingham by an innings and 124 runs. Batting first, Repton were dismissed for 122, fine fielding contributing to their low score on an easy wicket. Uppingham then proceeded to trounce the Repton bowling, although mistakes in the field helped them considerably. G. F. T. White (95) and J. V. Gillespie (54) were the top scorers, and the School declared at 327 for 9. On the following day, Uppingham were very nearly rolled of victory through rain, which fell just before tea, but a start was made about 6.15, and the Repton side were all out for the second time at 6.57.

STONYHURST were defeated by Ampleforth, at Stonyhurst, by an innings and 41 runs. The home side batted first, and failed unaccountably on quite an easy wicket, being all out for 96. Barton and Baker took three wickets each cheaply. Ampleforth lost two wickets early on, but afterwards batted well, J. A. Waddilove and C. F. Grieve putting on 179 for the third wicket. Waddilove scored a very fine 125, his cutting and driving being brilliantly executed, and Grieve made a patient and masterly 130 not out. Ampleforth declared at 316 for seven. Stonyhurst did a little better at their second attempt, scoring 179. B. O'Brien (48), C. Zulver (31), and J. Wilkinson (44) shaped well, though the latter was lucky at times. Barton again bowled well, bringing his figures for the match to six for 53.

ST. BEES beat Sedburgh in a swimming match by 74 points to 64. The results were as follows:—Three Lengths Free Style—1, R. Fraser-Thompson (St. Bees); 2, Logic (St. Bees); 3, Whyto (Sedburgh). Twelve Lengths—1, Downey (St. Bees); 2, Yulo (Sedburgh); 3, Chosman (Sedburgh). Diving—1, Leo (St. Bees); 2, Mackie (Sedburgh). 3, J. C. Fraser-Thompson (St. Bees). Three Lengths Back Stroke—1, Worthington (Sedburgh); 2, Scott (St. Bees); 3, Mackie (Sedburgh). Three Lengths Breast Stroke—1, Park (Sedburgh); 2, Wood (St. Bees); 3, Mackie (Sedburgh). Relay Race—1, St. Bees; 2, Sedburgh (Mixed), 75.2-5sec.

LEEDS GRAMMAR SCHOOL drew their match with Wakefield G.S., at Leeds. The Leeds innings, which realised 159 for 8, might for they only left themselves 14 hours, in had lost eight of their wickets for 83 when Burnley alone offering much resistance. W. A. Mauer took 4 for 25.

YORKSHIRE COLTS WELL PLACED

Bedford-Harbord Second Wicket Stand of 82

(From a Special Correspondent)

Though Yorkshire Second did not get such a big score as seemed likely in the earlier part of their game with Northumberland, which commenced at Newcastle yesterday, they finished up in a good position. Scoring 178 in three hours and a quarter, they got five Northumberland wickets down for 91, so that they are 87 ahead and look like getting the lead on the first innings. The conditions were ideal, and favoured run getting.

Yorkshire lost Halstead at 22 to a catch about which there appeared to be some doubt, but Bedford and Harbord put on 82 for the second wicket in 75 minutes, and when Bedford was third to leave at 142 a big score seemed in view. But then came a remarkable collapse against the slow left-arm bowling of Robson, and the last seven wickets went down for 36 runs. Six, indeed, were lost for 25, and the last four for 11. Robson, who had five wickets for 11 in one spell, finished up with 6 for 63—a splendid performance on such a wicket.

Bedford carried off the Yorkshire batting honours, making 70 out of 142 in two hours and a quarter, and hitting 8 fours. There were one or two blemishes, but his driving was good and he cut well, too. Harbord, making 41 out of 85 in 75 minutes, gave valuable assistance, and Turner was useful too. Sellers had not got going when Robson got him leg before.

Northumberland found the fast bowling of Hall difficult to time. He beat Bruce at five and bowled Graham at 18. This player had come out to take the place of Mackay, who retired when struck on the leg by Hall. He returned, but left at 21. Then the fourth wicket put on 45 to prevent the possibility of a dismissal before the close.

NOT OUT INNINGS OF 96 BY TURNER

Yorkshire Colts Draw at Jesmond

In the fourth innings of the match at Jesmond yesterday Northumberland were set the almost impossible task of getting 253 runs to win with 160 minutes available at the outside, as they could only bat nine men, Mackay being absent ill and Leo unable to bat owing to a damaged hand. There was not a great prospect even of the game being saved, but this was accomplished with a score of 142 for two wickets, and Major Chichester-Constable did not enforce the extra half-hour.

There was encouragement for Yorkshire when they got a wicket down at 5, but subsequently Bruce and Ord stayed together until six o'clock, when, with the score at 104, Ord had to retire hurt. Graham and Robson played quite freely in the last twenty minutes, following the departure of Bruce, whose 55 included nine 4's and Robson had 28 not out at the close to give him a total of 72 in the match.

In the morning Northumberland, resuming with five wickets to fall and in arrears of 87, added 37 more runs for the loss of four wickets, and as Leo could not bat the innings closed at 128, leaving Yorkshire with a first innings lead of 50.

In their second venture the visitors lost Bedford and Harbord for 42, but Halstead and Turner put on 79 for the third wicket. Halstead was then stumped, after making 53 out of 121 in 115 minutes. Turner carried out his bat for 96, made out 165 in 130 minutes, when the innings was declared at five minutes to four. Turner had two fine sixes off Robson in one over and eight 4's.

YORKSHIRE COLTS GOOD WORK

Leading Staffs with Only Five Men Out

The Yorkshire Colts gained a big advantage over Staffordshire at Stoke yesterday, dismissing the home county in two hours thirty-five minutes for the poor total of 116.

The fast bowling of Hall was largely responsible for a bad start from which Staffordshire could only make a very partial recovery. He got Cocks caught in the slips, and bowled Barnes with a lovely "bailer" that whipped back several inches with only nine scored, and when he was rested after bowling eight overs, Turner and Fisher carried on the good work, four wickets being down for 23.

Crump maintained a dour defence for eighty minutes, but was beaten by pace when Hall came on again. Lockett made some hits, and was rather unlucky to be out. Then Ellerker retired owing to a blow on the elbow, and with Stanley Crump leg before to the left hander, seven wickets were down for fifty-seven.

Plant and Cross brought some improvement, and when the former was taken behind the wicket Ellerker returned to play the best cricket of the innings, the last three wickets more than doubling the score. Hall came out with excellent figures, considering that the wicket was quite a good one.

HARBORD'S SIR

Yorkshire also made a bad start, Bedford being leg before to Barnes with only three scored. Halstead played the old international and Taylor skillfully, and W. E. Harbord opened his shoulders, cutting Barnes for four, and lifting him straight for six, but he was too venturesome, and Barnes eventually turned one from leg to beat him.

Halstead was caught in the slips, but Turner and Grimshaw got on top of the bowling, scoring at a good pace, and picking up a great many short runs. Lockett and Stanley Crump were tried but without result, until Turner unluckily slipped down in mid wicket, and was run out. The fourth wicket had added sixty-four in fifty minutes.

Fisher was soon snapped at the wicket, but Grimshaw continued to play good cricket, and had made himself top scorer when bad light caused a stoppage at six o'clock. Shortly afterwards a thunder-storm broke over the ground, which was quickly flooded and resembled a large lake in a very short time. The Colts with five wickets standing, are twenty-four runs on.

STAFFS RECOVER

Yorkshire Colts Short of Change Bowlers

(From Our Correspondent)

Staffordshire made a good recovery at Porthill yesterday, and about three o'clock there was a prospect of a close finish. The weather, which had been dull, had brightened considerably, and had the sun got through to quicken the wicket for Barnes, Yorkshire Colts might have had difficulty in avoiding defeat. Instead, a shower of rain delayed the game at 3.15, and more rain at five o'clock caused an abandonment with Staffordshire 110 runs on, and two wickets in hand. The visitors, therefore, took points for their first innings lead.

After Monday evening's deluge, the ground had recovered surprisingly well, and a punctual start was possible. Barnes and Lockett had no difficulty in turning the ball, but there was little life in the pitch, which, in the absence of sunshine, never became really difficult. Barnes missed Grimshaw from a skler off his own bowling, and Chichester-Constable had a let off from each bowler, but Lockett got three wickets quickly, bowling Grimshaw when one short of his half century. The young batsman had played good resourceful cricket.

CHANCES MISSED

The four outstanding wickets added only 35, and gave the Colts a first innings lead of 59. This looked formidable when L. Crump was out to the first ball in Staffordshire's second innings, and the home team would have been seriously in the toils if Fisher had accepted a sharp chance in the slips from Cocks before he had scored. Missed again in the slips by Hall from Turner when 24, Cocks stayed to see Staffordshire in front, and was fourth out at 72. Lockett and Barnes helped materially, but half the side was out for 98, or a lead of only 39.

Ellerker then played delightful cricket, and Homer, staying with him, the score had been increased to 131 without further loss when the first shower caused twenty-five minutes stoppage. On resuming, three wickets went down for one run, but Ellerker and Cross defied the bowling for forty minutes, and added 37, before rain put an end to the match.

Ellerker batted in free, polished style, and scored 70 runs in the match without being out. Yorkshire were short of change bowlers, and Turner, Fisher and Hall were practically unrelieved. They all bowled well, and Turner, in particular, had little luck.

MANY CHANCES MISSED Yorkshire Colts Pay Heavily for Their Mistakes

(By Our Special Representative)

HALIFAX, Wednesday

Rain fell heavily during the morning here, and it was 2 o'clock before a start was made in the Minor Counties Championship fixture between Yorkshire Colts and Northumberland. The visitors had the advantage of batting on a comparatively dead wicket, and scored 206, Yorkshire Colts replying with five for no wicket.

Northumberland started very shakily. With only three runs on the board, Bruce was caught by Hall, running round from short-leg, off Turner's bowling. Mackay was not at all comfortable at first, and after he had been missed off a rather difficult chance in the slips when 4, he was badly dropped by Grimshaw, at cover-point, with only a few more runs added to his score.

The visitors profited by these mistakes, and yet another chance went begging when Ord, turned a ball from Fisher into the slips at 45. When this partnership had realised 58, Fisher bowled Ord, who had contributed a useful, if lucky, 25 to the total.

The rate of scoring quickened when March joined Mackay, and the pair put on 43 together in 35 minutes, before Mackay, when five runs short of his 50, was leg-before to Richardson, the Scarborough amateur. March and Hutchinson hit freely before tea, when Northumberland had 139 on the board with six wickets in hand.

March forced the pace, and after pulling Fisher for a lofty 4 to the square leg boundary, he hit two similar boundaries off successive balls in the same bowler's next over before he was caught.

Northumberland went all out for some quick runs after the interval. A remarkable piece of juggling in the slips between Hall and Fisher resulted in the dismissal of Robson in the second over, but then Hutchinson and Maconachie hit merrily to add 63 for the fifth wicket. Neither had any scruples about pulling balls off their middle stump with a cross bat, but these tactics raised the score to over the 200 mark before Maconachie was palpably lbw. to Fisher.

Hutchinson's valuable innings of 73 was terminated shortly after, and the remaining batsmen offered very little resistance, the last five wickets falling for 12 runs.

Turner, who had a long spell of 18 overs at the start, bowled better than his analysis of 4 for 68 would indicate, and Fisher, who took 4 for 71, kept a very good length towards the end of the innings.

Yorkshire had a quarter of an hour's batting and Halstead and Bedford played out time.

YORKSHIRE COLTS DRAW

Allan's Fine Bowling for Northumberland

(By Our Special Representative)

HALIFAX, Thursday

Rain seriously curtailed play here to-day in the Minor Counties match between Yorkshire Colts and Northumberland, and the game was eventually abandoned as a draw, with the home side still needing seven runs to avert a follow-on.

The wicket was surprisingly firm when Bedford and Halstead resumed their innings, with Yorkshire requiring 212 runs to gain a lead on the first innings. Graham, a left-hander, and Allan, a medium-paced right arm bowler, opened the attack, and the latter produced a good "yorker" at 13 to dismiss Bedford.

With one run added, Allan first disposed of Halstead—caught by Maconachie—and then sent back Harbord with a ball which pitched on the leg, and came across to take the off-stump.

Allan had taken three wickets for four runs, and at 32 he got Turner caught by Maconachie. With only three more runs scored, Grimshaw was bowled, also by Allan, and half the side were out for 37.

A great deal depended on Fisher, and a dropped slip catch off Lee's first ball—he had relieved Allan at 47—proved costly for Northumberland. Raper and Fisher played very cautiously until just before lunch, when the amateur was finely caught by Bruce in the slips. After the interval, runs came faster, and following a valuable effort by Richardson, Buller, and Fisher sent up the 100—the result of 3½ hours' play.

Just when Northumberland seemed to have first innings points within their grasp, however, a persistent drizzle set in, and the match had to be abandoned.

FLUCTUATING PLAY AT OLD TRAFFORD

The Minor Counties match at Old Trafford yesterday, between Lancashire II. and Cheshire, produced a mixture of bright and dull cricket and a few sensations.

The visitors took four hours to score 186, of which Worthington got 51 out of 94 in 90 minutes.

Lancashire opened sensationally. With only a single scored, Tipping caused the retirement of Hawkwood from a smart catch at the wicket, whilst Parkinson followed him before there had been any increase in the score. Horrocks went soon afterwards, and with only two runs on the board, Lancashire had three wickets down.

Farrimond then joined Beattie, and the pair played out time.

NO RESULT AT OLD TRAFFORD

The heavy rain which fell at the close of play on Wednesday continued throughout the night, and yesterday caused the abandonment of the match between Lancashire Second and Cheshire at Old Trafford immediately after lunch. Lancashire not having completed an innings in reply to Cheshire's total of 186, the match will not count in the results. Lancashire had scored 58 for three wickets.

YORKSHIRE COLTS' USEFUL TOTAL

Grimshaw-Buller Stand of 84

FINE PLAY BY HARBORD

(By Our Special Representative)

HEADINGLEY, Monday

After a somewhat indifferent start, the Yorkshire Colts ran up a very useful total against Lancashire in their Minor Counties match here to-day, and Lancashire will have their work cut out to score the 300 odd runs necessary for a lead on the first innings. The day's play ably demonstrated the potential batting strength of the Yorkshire 2nd XI., for after their first four wickets had fallen for 129, the tall wagged so effectively that 296 runs were on the board before the final wicket fell, with the fourth ball of the last over.

The three main features of Yorkshire's innings were a very fine display by W. E. Harbord, an extremely good, if not quite so spectacular, effort by Grimshaw, and a valiant exhibition by the wicket-keeper, Buller, who showed his great progress as a batsman by failing only by a single to reach his half-century.

The wicket was too soft for a prompt start, but Yorkshire had an hour's batting before lunch, in which they lost the wickets of Bedford and Turner. The best of the bowlers appeared to be Parkin, a son of the old Lancashire player, and Phillipson, a medium fast bowler, who compelled respect. Parkin, who bowls off-spinners, flighted the ball cleverly at first and claimed two of the first three wickets.

Harbord and Bedford were together at the interval, before which the former had started with great confidence, playing some splendid strokes in front of the wicket. He was rather lucky to escape being run out at 32, but a piece of wild fielding saved him. After lunch, the score rose from 54 to 73 before Bedford, who had scored a sound 37, was bowled by a yorker from Parkin.

Then a splendid stand between Harbord and Grimshaw added 56 for the fourth wicket. The amateur was giving a very fine display of forcing cricket, and he eventually made 62 in an hour before he was caught in the slips. While he and Grimshaw were together the bowling was made to look quite innocuous, but when he left three wickets fell for 30 odd runs.

H. G. Coates began well, then survived a very awkward ten minutes, when he failed to time most of his shots, and finally, when at last he seemed to have settled down, he was well bowled by Latchford. J. A. Richardson and Fisher were out cheaply, but then a really great stand for the eighth wicket ensued, Grimshaw and Buller putting on 84 in enterprising style.

Grimshaw played one of his best innings, and scored fast except for a short period just before his 50, while Buller played a very straight bat to all length balls, and hit any loose deliveries with terrific force. At 211 Grimshaw was missed off a difficult skying mis-hit to mid-off, but this was practically his only mistake, and his 83 was a most valuable effort.

Yorkshire's batting resources were not by any means exhausted at the fall of the eighth wicket, for Major R. C. Chichester-Constable hit up a merry 30, and with Buller put on 44 for the ninth wicket. The wicket-keeper was extremely unlucky to miss a half-century, which he richly deserved, by one run. Major Chichester-Constable continued in great style, and one flashing drive through the covers off Higson, the rival captain, was the most delightful shot of the whole day.

YORKSHIRE COLTS SUPERIOR

Tedious Batting by Lancastrians

RAIN STOPS PLAY

(By Our Special Representative)

HEADINGLEY, Tuesday

The Minor County Championship match between Yorkshire 2nd XI. and Lancashire 2nd XI., which was concluded here to-day, resulted in a draw, the home county taking points for a lead on the first innings. This lead was the very substantial one of 203 runs, and Yorkshire thus avenged their only reverse this season, sustained at Old Trafford in May, when Lancashire took first innings points.

This concluding day did not produce such interesting and enjoyable cricket as had its predecessor, for although Lancashire were dismissed for a very small total, their innings was a long drawn out affair, and before lunch the spectators were treated to an incredibly tedious display of batting. On the form shown in this match, Yorkshire were very much the better side, and they now occupy one of the leading positions in the Minor Counties table.

Owing to bad light, play began thirty minutes after schedule, and only a small number of spectators risked the thunderstorm that seemed imminent. However, the clouds lifted and Parkin and Hawkwood went out to open Lancashire's innings, facing a total of 296. Hall and Turner were the bowlers, and at 10 Hawkwood was missed at backward point off the latter by Fisher. Turner's next over produced the first wicket, however, Parkin being well beaten by a ball which came across to take his off stump. Hall was bowling fast and well, and he claimed the next wicket, dismissing F. D. Beattie at 22.

Then followed a period of intense inactivity. Oldfield was l.b.w. to Turner, but joined by Farrimond, the wicket-keeper, Hawkwood resolutely refused to hit at anything. After an hour and twenty minutes, he reached double figures, amid sarcastic applause, and ten minutes later, when this feat had apparently failed to inspire either batsman, the spectators began to cheer every stroke. The Yorkshire bowling was very accurate, and permitted few liberties, but this ultra-cautious display was not justified.

Bedford replaced Turner at the pavilion end, and the field spread out expectantly, but Hawkwood was not to be tempted, and the outfield remained undisturbed. Finally, when he had batted 105 minutes for 14 runs, Hawkwood walked in front of a ball from Fisher, and was out leg-before. Horrocks, the Australian, was out to a very fine catch by Halstead, and half the wickets were down for 58 at lunch.

FISHER AND TURNER BOWL WELL

After the interval the last five wickets only added 41 runs. Farrimond played some nice shots and scored at a more lively pace—he had made 11 in just under an hour before lunch—but he was unfortunately run out at 76. Latchford hit the ball hard towards the on boundary, and while trying for a second run arrived at the same end as his partner. Farrimond ran hard for the opposite crease, but Buller was too quick for him, and he was out by yards. Bennett, another Australian, was also run out, and the rest offered little resistance.

Fisher and Turner bowled excellently, taking 4 for 22 and 3 for 31 respectively. The former sent down 11 maidens in 23 overs, and the latter 10 in 31—eloquent testimony to their consistently accurate length.

The follow-on was naturally enforced, but Lancashire never looked like collapsing a second time, and put on 72 for 2 before the match was abandoned owing to rain. Parkin batted extremely well for his 41, bringing off some well judged cuts and drives, while Hawkwood did not indulge in his former dour tactics to such a marked

degree. J. A. Richardson had a short turn with the ball, and kept an excellent length for seven overs, which only yielded nine runs.

DURHAM DRAW

Set to get 144 to win with a possible three hours and a quarter left for play, Durham, at Newcastle, yesterday, set about wearing down the Northumberland bowling, and scored so slowly that at 6.20 they were still 22 behind and had lost six wickets in the process when rain came on and no further play was possible. Northumberland therefore won on the first innings. Scores:—

YORKSHIRE COUNCIL APPEAL

A Sub-Committee of the Yorkshire Cricket Council last night considered an appeal by Wath against the result of their match with Rawmarsh on August 13.

The match resulted in a draw, and Wath alleged that the Rawmarsh club had acted in an unsportsmanlike manner by wasting time, and thus robbing them of a chance to win. After hearing representatives from the two clubs and the umpires, the Committee decided to dismiss the appeal.
