COWLEY ST. JOHN.

The Club first eleven just saved the game against Jesus College. With a wicket in hand they were 36 in arrears. Thornton had a capital match. He took four wickets in the College innings of 217 and was well supported by Allaway. H. Walker, Carter and Thornton gave the Club a good start, but there was an astonishing collapse afterwards against the slows of A. G. Jones. Thornton, however, kept up an end, and he and Pulkter, going in late, were still there at the finish.

The Club second eleven had a capital game against St. Edward's School II. N. Belcher has started the season in dashing style, and his 90 included three sixes and 15 fours. The innings, in which Gallop and J. Belcher also helped considerably, was declared at 198 for five. The schoolboys lost seven for 128, but Wilson-Herd hit so well that, there being a possibility of finishing the game, the time for drawing stumps was extended a quarter of an hour. The boys just failed, requiring five for a win with their last batsmen in. There were 16 fours in Wilson-Herd's gallant 80. Scores:—

BANBURY COUNTY SCHOOL v. CHIPPING NORTON COUNTY SCHOOL.

Chipping Norton County School opened their season on Saturday with a visit to Banbury, where they defeated the County School by 39 runs with two wickets in hand. Their success was largely due to the remarkable performance of J. Preston, who, in addition to taking nine Banbury wickets for 25 runs, knocked up a total of 34 runs out of 102. OXFORD MOTOR SERVICES v. DRAYTON ST. LEONARD.

The Oxford Motor Services received a visit from Drayton St. Leonard on Saturday and won very comfortably. Batting first, their batsmen were not unduly troubled by the villagers' attack, which was badly in need of a pace bowler, and with the later batsmen opening out a total of 175 was reached. E. Webb scored 64 runs out of 109 before being dismissed. He batted well, getting runs all round the wicket. G. Goddard, batting at No. 9, opened out well and scored a quick 20 before being caught in attempting a further big hit. The wickets were shared by F. Wilkinson (five for 43), Cobb (two for 33) and Hooper (two for 37). The Drayton batsmen were upset completely by the speed of Busfield and Poole, and with both bowlers on the wicket the innings was ended very quickly for the total of only 23 runs. Busfield, in returning the figures of six wickets for 8 runs in 3.2 overs, hit the sticks five times, while at the other end Poole bowled the other four batsmen for 10 runs. Score:—

WADHAM COLLEGE v. WITNEY MILLS.

Wadham have usually proved too powerful for the Mills, and Saturday's game was no exception. N. S. Knight (the 'Varsity wicket keeper) was lucky once or twice—but both he and Blake-way gave a fine exhibition well worth watching and educational—even to those fielding his cut and drives all the afternoon. The Mill bowlers, although not making much impression, never gave up trying, and both Hosier and Room gave them their apprehensive moments and hair-breadth escapes, whilst the fielding was maintained at a high standard throughout. F. E. Fig-gures (top scorer) and F. Strong did well with the bat for the Mills, but from the first it was obvious that a draw was to be the result. Score:—

STANTON ST. JOHN v. UNIVERSITY COLLEGE UTOPIERS.

The Utopians, with a strong element of Rugger men, visited Stanton St. John and gave the villagers a good game, which they lost by 90 runs. Surman was unlucky to miss the century, being brilliantly caught when one short. A feature of the Utopians' knock was the fine hitting of the 'Varsity Rugby captain, Cooper. Pratley took six for 38 and kept even the hitters quiet. Score:—

NORTH OXFORD.

The Club put two teams in the field on Saturday. The one which opposed Magdalen School, on the School ground, broke down badly against the bowling of Walker, Green and Farrimond and were all out for 45. The School lost their first three wickets for 11, but just when the Club had visions of a close game that fine cricketer, Walker and Barnes took the score to 86 and so won the game with seven wickets to spare. We should hear a great deal of Walker in the near future. He is, I believe, a Notts boy. A gratifying feature of the Club game was the bowling of Wakefield, who, in an innings of 112, took six for 31. The other North Oxford side declared at 132 for seven, and the opposition, Oriel College, got the runs for the loss of three wickets. Owen and Clarkson batted well for the Club, and the former also took two of the three wickets. Scores:—

The City are finding it no easy matter to put representative teams in the field on Saturdays during term. Both their sides were beaten on Saturday, one at Bath and the other on the St. John's College ground. Against St. John's Cotton and Faber, the opening pair, had 69 on the board and yet the whole side were out for 139, Linnett taking seven wickets. The College easily passed this total, Oughton hitting brilliantly. Many of the side threw their wickets away when the game had been won. Martin took six for 50 for the City and Cole kept wicket well.

At Bath, Lewendon won the toss and put the Somerset side in and they scored 223 for eight before declaring. Pether took an early wicket and at 13 another batsman was dismissed. Then came a stand by Longrigg and Hart, before the latter was out to a brilliant running catch by Pether, one of the best ever made on the ground. Longrigg continued to bat well and Powell had a breezy knock, and was still undefeated when the innings was declared. Bath made their runs in two hours and 20 minutes. Of the City bowlers Upstone took three for 76 and Pether two for 56. The City batting broke down badly against the bowling of Powell (six for 28) and Riddick (three for 3), and the side were out for 51, not one of the batsmen reaching double figures. Score:—

MORRIS MOTORS MATCHES.

In addition to their game in the Oxfordshire League on Saturday, the Motors had three teams in the field and the results were:—

Brasenose College, 157 (G. Evans four for 21); Morris Motors, 81 for five (J. Senior 38 not out).

Morris Motors II, 142 (C. Hinton 29, C. Hilsdon 27, R. Hobbs six for 23); Y.M.C.A. II, 119 (P. Gerrard 52).

Morris Motors, 204 for seven declared (R. Thornton 59 not out, H. Neale 43); Stokenchurch, 123 (E. T. Britnell 40, E. Matthews three for 21).

HEADINGTON v. CLARENDON PRESS.

At Headington the home side won by 18 runs in a low-scoring game. The home side had 61 up for three, when N. Foster caused a collapse by taking four wickets for one run in three overs. Eight were out for 67 and the last two wickets put on 29. The Press innings was all over in an hour, in an effort to get the runs. T. Gurl was the cause of the downfall, by taking eight for 39, seven all clean bowled. Tommy is an old-fashioned bowler, in that he puts length before all else, and this combined with his ability to "move" the ball a little entices the batsmen to destruction. Young bowlers should always watch him and, better still, have a chat with him. He is always willing to help the keen young bowler. Score:—

THE MORRIS MOTORS.

As usual the Morris Motors had a busy August holiday week-end. On Saturday one team went to Chipping Norton and, thanks to a capital innings by Connell and the bowling of Keene (five for 13) and Cross (four for 38), the North Oxon team were beaten by 86 runs.

The other Saturday side was away at Swindon, where rain interfered and the game was drawn. The game did not start till 4.0 and concluded at 8.0. The feature of this game was a fine forcing innings by Evans, who made 73 (not out) out of 107. Miles followed by taking three of the six Swindon wickets for 24, and this brought his bag up to 55 for the season. He may yet be required for the County.

One of the Bank Holiday teams entertained Upper Mitcham at Cowley and gave a rather feeble batting display. On paper the side were worth more than 56, but the bowling of Grove (five for 34) and Salmon (four for 5) was too good for them. The game was not yet over. When Mitcham went in they lost half their side for 29 and seven were out before the winning hit was made. French then made 59 but he was lucky as Keene bowled him before he had opened his score, but failed to dislodge a bail. Despite this Keene took five for 41, while Cross had three for 55.

Another Motors team went to Acton to meet the C.A.V. and gained an easy victory. Len Rogers (five for 54) and Phipps (four for 24) dismissed the home side for 104 and then young Johnson played a capital innings of 84, and with Proctor, Henton and Tomlin also batting well, the Motors reached 206 for eight against the C.A.V.'s 104. On Tuesday, the Motors received a visit from the South Oxfordshire Amateurs and owing to the holidays were very short of bowlers, neither Ferriman, Miles, Heymeson nor Keen being available. The Motors had first knock and with useful contributions by Senior, Henton, Bowerman and Cross reached a total of 187. Pether with three for 27 and Barclay with two for 64 were the Amateurs' most successful bowlers. The visitors passed the Motors total for the loss of eight wickets. Pether played an extremely good innings of 65, and Firth and R. P. Thomas also batted well. Cross, for the Motors, took four for 96. Scores:—

OXFORD CITY.

The City played three matches during the August break. The Saturday match was the return against Bath. The City made the most of winning the toss and their innings was notable for a stand by two of the younger school, Cotton and Chaundy, who took part in a stand of 108. As usual Chaundy hit very hard and in his 63 were two sixes and six fours. The innings was declared at 170 for four and the batsmen had not then been separated. With their weakened attack it was not to be expected that the City would force a win, but despite good innings by Burrough and Hobbs they sent back six of the Bath side for 149, a very creditable performance, due to the steady bowling of Upstone (three for 52) and Cotton (three for 45).

On Monday, Oxford City visited Wallingford, whose defeat was partly due to the fact that the bowling was not changed enough and D. Brown, who was the last to be tried, took two wickets in four overs. Evans bowled well for the City, taking five wickets for 50 and Cotton three for 43.

On Tuesday Monks Risborough were the visitors and made the fullest use of a good Merton wicket to score 240 for four before declaring. Upstone took three of the wickets for 104 runs and he bowled 18 overs. The City's reply was 85 for four, Rogers carrying his bat for 41. Scores:—

OLD OXFORD CITIZENS v. COUNTY COUNCIL STAFF.

The Citizens met a weakened County Council Staff team on Saturday and won. Batting first the Staff were dismissed for 66, only Geo. making a good score. Hodgkins took four for 19. The Citizens passed the total for the loss of four wickets, and went on to get 115. A. J. Lowe batted brightly for 41 and with Cripps (18) added 42 for the fifth wicket. Moller took five for 26 for the Staff. On Monday the Citizens lost to Eynsham Hall Park by eight runs—47 to 55. Score:—

NORTH OXFORD CRICKET WEEK.

FIRST MATCH v. SOUTH OXFORDSHIRE AMATEURS.

The North Oxford cricket week opened on Monday in favourable conditions, when the South Oxfordshire Amateurs, who apparently found it difficult to raise a side, were the visitors. Owens, Parton and Money of the home team made up the visitors' side and the Amateurs batted first. They took two hours to score 116, and of these Knapp, who went in first and carried his bat, contributed 61, a very fine effort. Halliday got among the later batsmen and, taking the last five wickets, had only 40 runs hit off him. When North Oxford went in the Amateurs bowling and fielding was so good that the utmost difficulty was experienced in getting runs, but thanks to Kirby and Beck, the Amateurs total was just passed. Elwin took four for 23 and Pether four for 36. Score:—

SECOND MATCH v. BEAUMONT PILGRIMS.

The second match of the week was against the Beaumont Pilgrims and North Oxford were beaten by 89 runs. The Pilgrims, after losing two wickets for a few runs, batted consistently and reached a total of 205, Knapp and Drummond making the top scores. Basil Rogers, with his slowness, practically kept one end going and took six wickets for 76 runs. The North Oxford innings was practically a one man display, Halliday making 54 (not out) out of 116, and Parton was the only other batsman to reach double figures. The damage was done by Tolhurst, with seven wickets for 45. Score:—

BANBURY v. NORTH OXFORD.

This game at Banbury was drawn and was rendered notable for a new record for the Banbury Club, Clark, the captain, and Lowe putting on 169 for the second wicket. Both batted extremely well against an attack which

included Rogers, Wyatt, Bowtell and Halliday, and their's must be considered an extremely creditable performance. Wyatt, however, seemed to be the only bowler able to do much and he returned an analysis of three for 54. When North Oxford went in, after fielding for two hours and ten minutes, all that was left for them to do was to save the game, and this, in spite of the good bowling of Nichols (four for 25) and Whitehead (three for 28) they succeeded in doing. Owens, a much-improved cricketer, and Halliday made a draw certain by an excellent stand for the third wicket.

TWO WINS FOR SHIPTON.

Playing at home on Saturday and Monday, Shipton beat Bourton Vale by 19 runs and the Witney Swifts by seven wickets. Scoring was low in the former match, A. Badger making the chief contribution (39), while V. H. Brookes carried off the bowling honours, taking four wickets in ten overs for 15 runs. In Monday's match the Swifts were dismissed for 112, Coombes performing the "hat-trick." Shipton replied with 233 for seven, Bridges, V. Brookes, Badger and Hambridge all batting well. Scores:—

TELEGRAPH CUP—Final.

SOUTH OXFORD v. Y.M.C.A.

The first of the local competition finals, that for the Telegraph Cup, was played on the Christ Church ground on Saturday, when South Oxford, who last won the competition in 1932, beat the Y.M.C.A. by 72 runs. It is also interesting to recall that they are the first holders of the cup, when it was initiated in 1901. They proved themselves much the better side. Thanks to Kent, Temple and Lowe, they put together the useful score of 111 and then dismissed the Y.M.C.A. for 39. V. Ward, of the losing team, carried off the bowling honours by taking eight for 23, and for the winners Shorter had four for 11 and Bird three for 15.

Mr. J. R. F. Turner presented the cup and in doing so thanked Mr. H. Wale for his interest in the competition and referred in sympathetic terms to the late Fred Allaway, the Christ Church groundsman, who, he said, had always been a good friend to the younger generation. Score:—

SOUTH OXFORD v. CENTRAL OFFICE.

NEW SCOTLAND YARD.

South Oxford undertook a new fixture when they journeyed on Sunday to Inner Court, Thames Ditton, as the guests of the Central Office of New Scotland Yard and, fortunate in winning the toss and batting on a perfect wicket, ran up a big score. R. Cooper and Frewer put on 45 for the first wicket before the former fell to a good ball from Preece. After Jones had helped in another little stand, G. Cooper joined Frewer and these were together when lunch was taken at 79 for two. Upon the resumption, the batsmen took toll of the steady Yard attack and were not separated until the score stood at 188, having added 125 for the third wicket. Frewer then half-hit a ball from Higgins and was easily taken at long-on for 78, Cooper following him back a few runs later after a fine aggressive knock of 76, which contained eight fours. The innings was declared closed half an hour before the tea interval after a gay cavalier finish by Wiggins and Slay, which brought the total to 246 for five wickets. As was hoped, that fatal half-hour before tea, after a gruelling time in the field, proved too much for the detectives and their first three men all fell to good bowling by Randall for 23 runs, when tea was taken. Upon the resumption the homesters found run-getting equally difficult against very good bowling and only Preece and Dance showed any confidence. Both played good innings, but with the total at 100 they were all out, and for this moderate reply South Oxford were indebted to Randall's four for 21 and Wiggins' notable fielding. Score:—

WALLINGFORD v. MAIDENHEAD.

Maidenhead took a strong team to Wallingford on Saturday and made victory fairly secure for the first three wickets when the score-board registered 133. Ashwarden liked the short boundaries and his innings of 79 included four sixes and 12 fours. Wood was the most successful bowler, taking four wickets for 51. Thanks to steady batting on the part of Clarke the home team put up a respectable reply. Score:—

Douglas and Burch made top scores for the winners and the most successful bowlers were Trafford (three for 26) and Surman (three for 12). Margetts could not bowl owing to his injury in the County match at Bedford. The Osberton's best performer was James, who, bowling throughout the Headington innings, took six for 82. Score:—

BICESTER v. CHIPPING NORTON.

Scoring was low in this match at Bicester on Saturday. Thornett and Warrington scored practically all the runs for the visitors, and also did the bulk of the bowling. G. Harris took three wickets for 7 runs for Bicester. Bicester did little better, Lucas being top scorer with 23. Two brilliant catches at long leg by Lawrence disposed of Bicester's two star batsmen. THE OLD OXFORD CITIZENS.

On Saturday the Citizens met a team picked from the Local Examinations Staff, and won by three wickets. The Staff batted first and put together 161 for the loss of eight wickets, when they declared. Turner batted steadily for 69 and Bennett got 33. With four wickets down for 40 runs the Club appeared to have little chance of winning. However, Cripps and King by aggressive batting took the score to 113, and with Hodgkins and Williams as partners, Cripps pushed the score along and made the winning hit. Both Cripps and King batted excellently, although Cripps gave one easy chance early on. Turner and Cooper shared the Citizens bowling with three wickets each.

On Thursday week the Club lost to the Booksellers by eight wickets, and on Friday evening beat the Post Office by 29 runs. Scores:—

SOUTH OXFORDSHIRE AMATEURS' AUGUST TOUR.

May five for 30).

Thursday, 6 August, at Monks Risborough: Amateurs, 163 for eight wickets declared (E. S. Hole 56, A. Clarke-Brown 59 not out, G. Hockey four for 23); W. H. Lavington's XI. did not bat owing to rain.

Friday, 7 August, at Bracknell: Amateurs, 27 and 120 for eight (H. J. Mogg 32, M. E. Whitlock 29 not out,

G. A. F. Ramsden 18); Bracknell and District, 145 for nine declared (W. Murray 58, H. Hewitt 32, G. A. F. Ramsden four for 16, R. H. Plumtree two for 11, M. E. Whitlock two for 29).

Sunday, 9 August, at Reading: Amateurs, 98 (S. Pether 23, T. H. Knapp 21, Capt. G. Villiers three for 12, W. G. Bolt three for 8), and 119 for four wickets declared (S. Pether 52 not out, T. H. Knapp 37); Reading, 57 (H. Fielding 18, T. H. Knapp six for 29, S. Pether three for 20) and 59 for six (P. Stephens 39, M. Elwin three for 12, M. E. Whitlock two for 12).

Only one match—that at Monks Risborough against Mr. W. H. Lavington's XI.—was spoiled by rain during the

annual tour through Oxfordshire, Bucks and Berks in Bank Holiday week. The other five games resulted in wins against Morris Motors, Wokingham and Reading, and defeats at the hands of North Oxford and Bracknell and District. At Bracknell, the Amateurs collapsed unaccountably against steady bowling on an easy-paced wicket, and narrowly escaped an innings defeat, but the other matches were all keenly-contested. North Oxford, after a dour struggle for runs, in which the four Amateurs' bowlers delivered 65 overs to concede 123 runs, won close on time by one wicket. Splendid hitting by S. Pether enabled the Amateurs to beat Morris Motors by two wickets with ten minutes to spare, and when Wokingham, easily beaten on first innings, made a sporting declaration, the Amateurs accepted the challenge, scored 51 runs in 25 minutes, and won by four wickets. T. H. Knapp and S. Pether, whose all-round cricket was a feature of the tour, bowled magnificently to dismiss Reading for 57 on a wicket which favoured the batsmen, and the same pair were responsible for most of their side's runs.

WARBOROUGH v. SHIRBURN CASTLE.

Played at Shirburn Castle on Saturday. The combination of a lovely day, a well-kept cricket ground in ideal surroundings, a cheery, sporting team to play against, topped up with a good win for the visitors, all went to provide Warborough with a thoroughly enjoyable afternoon's cricket. Warborough batted first and Tutty and Currell opened the innings steadily to bowling that was distinctly good. The telegraph registered 50 before Currell's wicket fell after an innings in which were two sixes and two fours. Gammon set about the bowling at once; he and Tutty took the score to 101 before Gammon's lively knock ended, which included three sixes and three fours. Tutty was out soon after for an invaluable 30. At 167 for nine Warborough declared, leaving Shirburn Castle about 2½ hours to get the runs, but Bumpass and Tutty were right on the mark and, bowling unchanged, shared the wickets between them. None of the batsmen were able to get going, although Robinson hit a six and three fours before being very well taken at cover point by Clarke, who held a running catch low down; he also made an excellent catch right on the boundary to dismiss Gibson. The Warborough fielding was very keen and Absalom at the wicket continued his habit of not allowing any byes. The Rev. A. H. Caldicott, who umpired, has been associated with the Warborough Club for 40 years. Score:—

COWLEY ST. JOHN MATCHES.

The Cowley St. John 1st XI. met Berks Mental Hospital on the Lincoln ground and drew with them, as their "A" team had done earlier in the season. Harry Walker had the unusual experience of being out to the first ball of the match, but thanks to his brother, Allaway, Pulker and Thornton, the innings was declared at 151 for seven. The Hospital came near to winning, having scored 137 for four when stumps were drawn; Wooldridge and Clarke both batted well.

OXFORD CITY MATCHES.

The Repton touring side, Beaumont Pilgrims, visited Merton ground on Saturday. Batting first they made good use of an easy-paced wicket and hit up 318 for five before declaring. E. Krarup played a first rate innings of 154 and hit three sixes and 20 fours. The City were rather weak in bowling and the brunt of the work fell on Upstone and the Oxford Blue, Darwell-Smith. Between them these two delivered 45 overs, but whereas Upstone took five for 108, Darwell-Smith failed to get a wicket and had 105 runs hit off him. He, however, had very little luck. All the City could do was to concentrate on saving the game, and this, thanks largely to their captain, they succeeded in doing. They scored 137 for the loss of only three wickets and Lewendon carried his bat for 71, force of circumstances compelling him to go slower than usual.

AIREY CUP—Semi-final.

SOUTH OXFORD v COWLEY.

South Oxford made certain of appearing in the final of the Airey Cup when they defeated Cowley on St. Catherine's Society ground on Saturday by ten wickets. They will be opposed to either the Y.M.C.A. or the Clarendon Press, who meet to-morrow. The Cowley batting was a two-man affair, Burrell and Surman making the only stand of note. They contributed 38 out of 56, and indeed the other nine only contributed 13 runs! Sanders (six for 21), Jones (two for 14) and Wiggins (two for 3) brought about the rout, and there is no doubt that Sanders has few superiors in junior cricket as a match-

winning bowler. Cross and Brown went off at a good pace and quickly knocked off the runs, after which the batsmen became carefree and four wickets were lost. Score:—

Banbury and District Cricket League

FINAL FOR "EDMONDSON" CUP.

CHIPPING WARDEN WIN.

Honours were added to their record of previous successes by Chipping Warden, who, by defeating Broughton and North Newington in the Banbury and District Cricket League final, on the Banbury Town ground on Saturday, won the "Edmondson" Challenge Cup.

This was the consummation of a season of remarkable achievement and which, incidentally, was the first in which they had appeared in the Banbury and District League.

Broughton and North Newington, who were regarded as hot favourites, are old hands, being the first holders of the cup in 1923 and, later, joint holders with Adderbury.

R. Gardner opened the innings for Broughton and scored a single off the first delivery. Tomalin bowled at the opposite end and Gardner hit a four. An appeal for leg-before-wicket by Hughes was not sustained and his next ball went to the boundary. At 17 Gardner, who now appeared to be settled down, was caught by Haynes.

Mephram, the next man in, fell an l.b.w. victim to Tomalin after the game had been in progress 35 minutes.

All the time Chipping Warden fielded well and the rate of scoring was kept low in consequence and at the end of an hour's play the supporters saw, to their dismay, only 50 runs recorded.

Twenty minutes later Elliott had brought the total to 70. Haynes played a sound game behind the wicket and were dismissed for 94 runs.

After the tea interval, Chipping Warden took the field, E. Haynes and R. Wyatt opening the innings. Wyatt after a few minutes was caught for a "duck." E. Haynes, however, continued to play on proving himself the mainstay of the team, by scoring 67 not out when the match closed after 1 hour and 20 minutes, the score being Broughton 94; Chipping Warden 104 for 7 wickets.

For Broughton and North Newington Green took five wickets for 23 and for Chipping Warden, Hughes "bagged" 4 for 22 runs; Tomalin 5 for 36 and Nurden 1 for 18.

Following the match the cup and miniatures were presented to Chipping Warden.

Mr. C. V. Mawle, secretary of the Banbury and District League, who presided, congratulated Chipping Warden, who, on their first appearance in the Banbury and District League, had won the cup. He expressed thanks to the umpires and the scorer; all helpers and the ladies responsible for arranging the teas and said it was the first occasion on which a team from Section "A" had won the cup.

Presenting the cup to the captain of the Chipping Warden team (S. Hughes), the Mayor (Alderman Theo Clark), who, with the Mayoress, were interested spectators during the afternoon, congratulated both teams on the splendid game. He was, in a way, glad Chipping Warden had won because he thought it was a good thing for the cup to go round. He was pleased they had a fine and sporting game and he especially congratulated the player who had made so many runs for Chipping Warden. It appeared at first, he said, anybody's game and but for the fact that Mr. E. Haynes put up such an excellent performance, the cup might, easily, have been awarded to Broughton and North Newington.

The Mayor closed by thanking Mr. Mawle for all the work he had done for the League.

Mr. T. Moore, of Fenny Compton, proposing a vote of thanks, said they were very fortunate in having the Mayor of Banbury to present the Cup.

Mr. S. Hughes (the Chipping Warden skipper) thanked Broughton for the fine game and hoped they would meet again next year.

Broughton expressed the hope that they would be successful next year.

NORTH OXFORD v. BANBURY.

A Century by W. J. Godfrey.

On St. John's ground on Saturday, Banbury, who were not at full strength, were beaten by 131 runs. The feature of the North Oxford innings was the batting of Godfrey, who was at his best and completed a brilliant century in 80 minutes. He was finally out to a catch by Clark, the Banbury captain, who put out his knee in making the catch and was unable to bat. The Banbury batting broke down before the bowling of Wyatt (three for 29) and Bowtell (four for 13) and they were all out for 86. Whitehead and Haines making the only stand of note. Score:—

OSBERTON RADIATOR.

Osberton visited Thame on Saturday and drew. Hopkins carried his bat for 62 and useful contributions were made by Evans, Collett and Taylor. Thornton, the County player, was the most successful of the Thame bowlers, with three for 57. For the homesters W. Kirtland, Hearn and Munday all made runs, and the side got to within 32 of the Osberton total with two wickets in hand. Hopkins took five for 51.

In a Sunday match against Mr. Tom Cotmore's XI, the visitors won by four runs after Osberton had declared. Hopkins and Parton batted finely for the Works, and Jack Godfrey and Hembrey were highest scorers for Cotmore's side. Scores:—

AIREY CUP—Final.

SOUTH OXFORD v. Y.M.C.A.

South Oxford added to their laurels this season when on Saturday they defeated the Oxford Y.M.C.A. by seven wickets on the Christ Church ground, Iffley-road, to secure the Airey Cup. Sanders, the South Oxford bowler, who took five wickets for 34 runs, kept the batsmen subdued, and in no small measure was South Oxford's victory due to him. He bowled 24 overs and had 10 maidens. At one period he had bowled 20 overs with a break of only one over while he changed ends. L. Brown and L. Frewer figured in a long South Oxford partnership and Brown's 44 not out was a faultless innings. The Y.M.C.A. fielding never deteriorated as their prospects of a victory grew less. They are also to be commended for being the first team to compile over 100 runs against their rivals in competitive cricket this season. The Y.M.C.A. batted first but fared badly at the opening when Sanders got J. Ward's wicket with his fourth ball without a run on the board. A. Taylor, who played a valuable innings, was steady and did not take any chances and he was two hours scoring his 44 runs. J. Greenwood drove Wiggins for three fours before Sanders secured his wicket, and the Y.M.C.A. batsmen could not find many loose ones. V. Ward occupied a considerable time for nine runs and his stubborn knock helped the Y.M.C.A. tail and their innings closed at 125. The rate of scoring improved during South Oxford's knock and L. Brown and R. Merriman were together when they passed their opponents' score. The gate receipts were £3 2s. 6d.

At the conclusion, Mr. Claude Rippon, president of the Oxfordshire Cricket Association, presented the cup to the winners, and commented on the loss the Airey Cup competition would sustain at the end of this season by the resignation from the secretaryship of Mr. W. H. Wheeler.

Mr. J. R. F. Turner also spoke, and congratulated the Christ Church groundsmen on providing a splendid wicket. Score and analysis:—

WITNEY MILLS v. BANBURY.

For the second consecutive Saturday well over 400 runs have been scored on the Mills ground. The home team batted first on a good, easy paced wicket, but made a poor start—three wickets being lost for a mere 28 runs. Bridgman and Strong, however, took the score to 63, and then came Hosier with a century, and with good assistance from Bridgman and Pearson, the skipper was in a position to declare at the tea interval at 255 runs for eight wickets. Undaunted by this figure, Banbury faced up to it, and by very consistent batting got to within 44 runs at the drawing of stumps for the loss of six wickets. A good game—interesting to the last ball—and anybody's game, too. Score:—

SOUTH NORTHANTS CRICKET LEAGUE—Final.

CHARLTON v. CULWORTH.

Played on Saturday at Eydon before a crowd of about 400, Charlton won the cup for the third season in succession. After the match, played in ideal weather, Capt. J. H. Timms (chairman), father of Timms, the county cricketer, introduced the league president, Major G. E. Sebag-Montefiore, who presented the cup and silver medals to the winners and bronze medals to the runners-up, congratulating both sides on a fine sporting game. Capt. Timms, on behalf of the League, thanked Major Sebag-Montefiore for his help and interest, commenting on the fact that he had kindly given both sets of medals and also provided teas for the teams. Charlton batted first and scored 91. P. Smith, who had been bowling well for Culworth, was hurt in an unusual accident. He was attempting a catch and the ball struck a ring, forcing it down to the base of his fingers and cutting the flesh so badly that he had to be taken to Dr. Glen Hays for medical attention and was unable to bat. For Culworth, Smith took three wickets for 17 runs, A. Watson two for 19, and F. Turner two for 9. Culworth, in reply, were unable to knock up more than 69, thanks largely to the bowling of P. Bull (four for 22) and S. Wyatt (four for 28). Score:—
