KETTERING & DISTRICT CRICKET LEAGUE.

In no part of the County does the Northants. County Cricket Club receive more loyal and enthusiastic support than in the large area covered by the Kettering and District Cricket League. Evidence of this is provided by the excellent attendances when fixtures are staged at Wellingborough, Rushden and Kettering, and the splendid financial support and interest at all times shown by Members in these centres.

Since its inception in 1895 the League has provided a number of players who have made their mark in County cricket, and it is hoped that the latest recruit, Bob Clarke of Finedon, will prove a worthy successor; he has the good wishes of the League members and his career will be followed with interest.

During the season 1947 twenty-eight teams competed in three sections and the final placings will be noted with interest. Competition was keen, and the number of drawn games in the premier section show that the batsmen had a real good time in an ideal summer.

The annual fixture with the Club and Ground at Northampton provided the usual excellent game. K. & D.C.L. scored 173, and "head-quarters" replied with 179 for 5 wickets (Percy Davis 71 and Nevell 40).

Ten additional teams will compete during the season 1948, making thirty-eight teams in four Sections. This large addition goes to prove the continued popularity of this "League of organised Friendly Cricket."

F. W. SHEFFIELD,

Hon. Secretary, K. & D.C.L.

DIVISION 1. Section A.

NORTHUMBERLAND COUNTY CRICKET CLUB REPORT OF THE COMMITTEE

The Committee have pleasure in presenting their Report for the Season 1947.

During the year 10 Minor Counties Matches were played, being home and away matches against Durham, Yorks. II, Lancs. II, Staffordshire and Cheshire. A game against South Africa was also played. The results were most disappointing and only one match was won, that against Cheshire at the County Ground, the match being won in the last over after a sporting declaration by the Cheshire Captain.

Two very enjoyable days' cricket were seen in the South African match and the gesture by South Africa to continue play until 4.30 on the second day when the match had finished at 3 p.m. was much appreciated by the spectators. After Townsend, who as usual was a tower of strength, the most outstanding player was Captain J. H. G. Deighton, both as a bowler and a batsman. Both his innings against South Africa being fine performances. Captain Deighton left the district in mid-summer and was unfortunately unable to play on the tour. It is hoped, however, that he, now having a qualification for Northumberland, may be able to play for the County at least in some matches in 1948. The absence of L. Murray as an opening batsman was severely felt and the Captain, L. Appleby, had a difficult task throughout the year.

The selection of representative teams caused the selectors much difficulty as many players were unable to get away from work and on one occasion no fewer than six changes had to be made in the originally selected side. The great need at present is for younger players and in particular bowlers. The performances of Muchall and Cunningham in the match against Cheshire, however, gave encouragement for the future.

The Staffordshire match was played at Tynemouth in view of their centenary celebrations and in spite of the excellent arrangements made by the Tynemouth officials, the attendance was poor, due almost entirely to the inclement weather.

The County Committee are endeavouring to get another Professional to qualify for Northumberland and to assist Townsend during the coming year. Townsend leaves us in October, 1948, and as he will not be with us by the time the next Annual Report is published the Committee wish to express their appreciation of his services in the past, success in 1948 and the best of luck in his new position in New Zealand.

County Cricket again this year had good support from the public. No less than 20,158 spectators paid at the gate to watch County matches at the County Ground.

The County Club and Ground finished second in the Northumberland League Championship, the issue being in doubt until the last two matches of the Season. South Northumberland, after defeating the County Club at Roseworth Terrace held on to their two points lead to the end of the season and your Committee wishes to congratulate them on their win, which was thoroughly deserved.

Liddell, Barraclough, Jowsey and Townsend were the backbone of a very sound First XI but the loss of Burrow and Deighton midway through the season was badly felt. The Second XI, in spite of a very shaky mid-season, played well to finish third in the Second Division. The Third XI, playing in the Tyne and District League, had a disappointing season, missing much, due to no little extent, to the unsatisfactory playing conditions and your Committee feel that it has no option but to withdraw from the Tyne and District League until better playing facilities are available. Fixtures, however, will be arranged for Saturdays and Wednesday evenings so that there will still be ample cricket for all players.

The Knock-out Competition for the Wilson Cup was won by the Club and Ground who defeated South Northumberland in the final played at the County Ground. As in the case of County Cricket, the Club and Ground XI was again well supported by the public and over 6,500 people paid for admission.

The number of members shows an increase, as well as the number of spectators paying at the gate, and the Committee are most appreciative of the support given to the County and Club and Ground sides during this difficult season. The expense of running a County Side and ground continues to increase and it is most sincerely hoped that this support will be continued in the future.

The season shows a working deficit of £55/12/8, but after bringing into account the Test Match Receipts of £148/8/11, there was a surplus on the season of £92/15/3. At 31st December, 1947, there was £652/8/1 at the Bank and £150 held in Government Securities. There are now 902 members, an increase of 169 over the previous year; four subscriptions were outstanding at the end of the year.

The Ground Purchase and Reconstruction Fund now stands at £3338/2/6 and 903 shares of £10 each out of the total issued Capital of 1,080 shares of £10 each have now been acquired due to the generosity of the Northumberland Recreation Ground Ltd. shareholders, and these are now vested in a Trusteeship on behalf of the Club.

A license has been obtained to start the reconstruction of seating but due to shortage of materials, commencement on this has been

delayed. The Committee's thanks are due to the Appeal Committee and particularly to Messrs. Smith and Jacobs for raising funds by individual efforts. £2,700 is still required to reach the target of £6,000 and the Committee would be most appreciative if members and supporters who have not yet subscribed would assist them in attaining this sum.

On the 26th May, 1947, Sir Ralph Mortimer presented to the Club a number of seats and a photograph, the result of subscriptions raised by members of the Club in memory of the late F. G. H. Clayton. This has done much to improve the seating facilities for members and will be a most practical memorial of one who did so much for Northumberland County Cricket.

A suitably engraved plaque (similar to that presented by Sir Ralph Mortimer after the 1914/1918 war) is being prepared in memory of those members of the Club who fell during the 1939/45 war. This will be unveiled at the Durham match in 1948.

It is with much regret that your Committee have to report the deaths of Mr. J. Hansell and Mr. V. Thompson, two vice-presidents, both of them old members of the County side.

Their thanks are also due to the ladies who assisted with teas at the County Ground and those who organised the Third XI teas, to Messrs. Price, Waterhouse & Co., our Honorary Auditors, to the scorers, Press and Publicity, and all those members who so willingly helped at the County Ground and enabled us to carry on throughout the season.
